Ayer's Sarsaparilla !

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives Sarsaparilla, Dock, Stillingia, and Mandrake, with the iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ or organ, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the diseases they produce disappear, such as Dyspepsia or Ills of the Liver, Stomach, Kidneys, Lungs, Eruptions and Irregular Diseases of the Skin, Anthony Fire, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Back, Female Weakness, Sterility, Leucorrhea arising from Internal Ulceration and Further Disease, Dropsy, Dyspepsia, Exhaustion and General Debility. With their departure health returns.

BRUTALITY PUNISHED.

Fiendish Cruelty to Young Orphan Children—Strung up by the Thumbs.

A case of almost incredible cruelty just been developed in Petrolia. Last June Thomas B. Strange, of Petrolia, adopted two children from the Guthrie Home, London, one a girl named Emily Tranter, aged 5, the other a boy named George Cudenhill, only 6 years of age. Soon after adopting the children Strange removed to Oil Springs, where he resided until the 12th of January last. On getting back to his old quarters he abused the children to such an extent that the neighbours had him arrested. Mr. Henry Gibbons, Manager of the Guthrie Home, London, said when he removed the boy from Strange he had the appearance of being starved, both feet had been frozen, and his back was covered with scars, the result of severe thrashings. Dr. Jones, of London, said Cudenhill's feet had been frozen to such an extent as to necessitate the loss of two toes of the right foot. He had found his back covered with bruises and scars, some partially healed, others recently inflicted. He had found the abdomen distended to such an extent as to show plainly that the boy had been starved. Mr. Swain testified to the boy being both starved and ill-treated. Mrs. Swain's evidence was to the same effect, with the addition that Mrs. Strange had told her that they kept the boy tied up by the thumbs for hours so that his feet would barely touch the floor. The little girl, Emily Tranter, has not suffered to such an extent, although having undergone starvation and thrashings. In regard to the charge of assault, Mr Pitkins, Petrolia, testified that a few nights after the arrival of the Strange family he heard terrible screams, and went across and saw Strange lifting the boy above his head and dashing him to the floor. Strange made no defence against either of the charges. For the assault Mayor Hammond sentenced him to 60 days in gaol without the option of a fine. On the charge of cruelty he was committed to Sarnia Gaol to stand his trial at the Spring Assizes.

PUTTNER'S EMULSION.

The medicinal properties of Cod Liver Oil have long been recognized as superior to any of the agents employed in the cure of arrest, in the incipient stages, of affections of the Throat, Lungs, &c. Modern science has taught that this valuable substance may be advantageously combined with Phosphorus, Lime Soda and other medicinal articles in such a way as to make each and all more thoroughly effective than if employed alone. The inventor of Puttner's Emulsion has made the matter of combining these elements a study, and has evolved from his studious experiments the combination which is denominated Puttner's Emulsion of Cod Liver Oil. In another column will be found the advertisement of the Puttner Emulsion Co., accompanied by certificates as to the merits of this preparation, which cannot be doubted. A careful perusal of these is invited. A trial of their emulsion can be made through any druggist in the Dominion. See that you get it. "Puttner's" when you ask for it.

Beware of Imitations

Since Dr. Thomas' Eclectric Oil has become celebrated, a number of unprincipled persons have been endeavoring to palm off Electron and Eclectric Oil for the genuine Dr. Thomas' Eclectric Oil. Beware of these similar named articles. If their originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Eclectric. We therefore ask the public when purchasing to see that the name Dr Thomas' Eclectric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada, on the back.

Dyspepsia & Liver Complaint.

Is it not worth the small price of 25 cents to free yourself of every symptom of these distressing complaints. If you think so call at our store and get a bottle of Shiloh's Vitalizer, every bottle has a printed guarantee on it, use accordingly and if it does you no good it will cost you nothing. J. G. King, wholesale and retail agent.

Worse Than War.

"The throat has destroyed more lives than the sword," by improidence in eating and intemperance in drinking; but when the health becomes impaired the miserable dyspeptic may find prompt relief in Burdock Blood Bitters. It regulates the bowels, acts upon the liver and kidneys, purifies the blood, and stimulates the secretions to a healthy action.

Personal, to Men Only.

The Voltaic Belt Co., Marshall, Mich., will send Dr. Dye's Celebrated Electro-Voltaic Belts and Electric Appliances on trial for thirty days to men (young or old) who are afflicted with nervous debility, lost vitality and manhood, and kindred troubles, guaranteeing speedy and complete restoration of health and manly vigor. Address as above. N.B.—No risk is incurred, as thirty days' trial is allowed.

Joy in Every Drop.

This may be truly said of Nervoline, the greatest pain remedy of the age. It brings comfort to the weary sufferer when failure has attended the use of every known remedy. King's Drug Store and get a trial bottle of Dr. King's New Discovery for consumption, free of charge, which will convince them of its wonderful merits and show what a regular dollar size bottle will do. Call early.

A Good Filter.

To have pure water in the house every family should have a good filter, the health and comfort depends largely upon the use of properly filtered water. The liver is the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is the grand blood purifying, liver regulating tonic.

STARTLING STATEMENTS.

Brutality and Fraud in a Pennsylvania Asylum—Seventy Sane Persons Confined.

Dr. Julius Seven, a practitioner in Erie, makes allegations of shocking cruelty among the insane of the asylum at Dixmont. About eight years ago Dr. Swain's mind gave away under a sad bereavement, and he was committed to Dixmont for treatment. In less than eighteen months he regained his mental faculties and applied for discharge. None of his letters addressed to his family in Erie ever went beyond the asylum. All his pathetic appeals for restoration were unheeded. Year after year rolled on without a chance of escape, until some months ago the heart of a young attendant named George Hoffler was touched by Dr. Swain's pitiful condition, and he consented to mail the Doctor's letters detailing the horrors of his captivity. The letters reached his friends, who had begun to think his infirmity incurable. The result was that within a short time the doors of Dixmont were thrown open to Dr. Swain. The old gentleman says one of his companions was a young German named Thumb, of Pittsburg, who had also recovered, but was detained, brutally kicked by the keeper, fell insensible, and in falling received a terrible gash on the head. In a few days he died, and the superintendent of the hospital, Dr. Reed, received a report that Thumb had died from a fit of epilepsy. Neanstiel, an accomplished scholar, and as sane as any living man, is the prisoner of his wife's paramour, who regularly pays for the husband's support in the asylum. He was sent to Dixmont a few years ago on the petition of the wife. "Over sixty patients," says Dr. Savin, "who are sane are confined in Dixmont to-day with no hopes of release. I could mention instance of men who are imprisoned there, the victims of outrageous plots. What I have said is not half what I know."

"Dr. Benson's Celery and Chamomile Pills are worth their weight in gold in nervous and sick headache."

New Life For Functions Weakened by Disease, Debility and Dissipation.

The Great German Invigorator is the only specific for impotency, nervous debility, universal lassitude, forgetfulness, pain in the back or sides, no matter how shattered the system may be from excesses of any kind, the Great German Remedy will restore the lost functions and secure health and happiness. $1 per box, six boxes for $5. Sold by all druggists. Sent on receipt of price, postage paid, by F. J. Cheney, Toledo, Ohio, sole agent for United States. Circulars and testimonials sent free. J. G. King, agent, Kingston.

Do Not be Deceived.

In these times of quack medicine advertisements everywhere it is truly gratifying to find one remedy that is worthy of praise, and which really does as recommended. Eclectric Bitters we can vouch for as being a true and reliable remedy and one that will do as recommended. They invariably cure stomach and liver complaints, diseases of the kidneys and urinary difficulties. We know whereof we speak, and can readily say, give them a trial. Sold at fifty cents a bottle by J. Geo. King.

Extremes of Temperature

Is a never failing cause of disease. At this season of the year Neuralgia, Tooth ache, and a host of similar diseases are rampant. The great question, then, to find the quickest surest and most economical remedy. Nervoline exactly fills these requirements. It is prompt, efficient, and most economical, for it exceeds in power every known remedy, and as cheap as inferior articles. A 10c sample bottle will give every person a chance to test it. Large bottles only 25c. Both at Polson's Drug Store

OUR YOUTHFUL DAYS.

Let us pause and look around us,
Before dreary age hath found us
For we're growing old and older every day.
While the hand Time is stealing
All that fresh and youthful feeling
Which has filled our hearts thus far upon life's way.

But while hope is bright before us,
And no cloud has yet come o'er us,
Let us store our minds with wisdom and with truth,
That when age shall overtake us,
And our friends purchance forsake us,
We may feel no bitter mournings for our youth.

We know that youth is tempted,
And that no one is exempted
From trials and troubles here below.
But a rich reward is given,
There is promise, too, of heaven,
For those who live and conquer as they go.

FITS A Leading London Physician establishes an office in New York for the cure of EPILEPTIC FITS.

From Am. Journal of Medicine. Mr. Kennedy, late of London, who enjoyed a world-wide reputation for the cure of epilepsy, has established himself in New York, where he will be pleased to receive all who may be afflicted with this terrible affliction. He has so far succeeded in curing all who have placed themselves under his care, that he feels justified in making the bold assertion that no matter how long or how bad a case may be, he will cure it. He does not mean by this to say that he will do what others have promised to do, but he means what he says, and he will prove it to the satisfaction of any sufferer who may call upon him. He has a large number of the worst cases on his books, which he will be pleased to show to any person who may call upon him. He does not ask for fees in advance, nor does he ask any one to take his word for anything he may say in this paper, but he does ask that any sufferer from epilepsy may address him at his office, 97 Pearl St., New York, and he will prove to the satisfaction of any sufferer that he has the power to cure what he claims to cure. He also invites the most critical investigation into his antecedents, and will not ask any fee from any person until he shall have cured the patient consulting him. Those who have tried many physicians without benefit may well hesitate before they place themselves under the care of any one who does not give the most undoubted evidence of his ability to do what he promises to do. The fact that Mr. Kennedy has been for many years the physician to the Hospital for the Epileptic in London, and that he has now in his possession the testimonials of the most eminent men in the medical profession in Europe, is the best guarantee he can give of his ability to cure epilepsy. He has so much faith in his remedy that he will send a large bottle of it to any sufferer who will send his address
