A MISSING HEIRESS.

Romance of Real Life—Married out of Station—Long Lost, Found, and Made Wealthy.

The special correspondent in Dublin of the Press Association telegraphs the following particulars regarding the discovery of the missing heiress who has been the subject of so much public interest in Kingstown, where she was deserted, and throughout the kingdom. It appears that in 1839 a wealthy baronet in the Midland Counties of England had two sons, the elder of whom was a hard drinker. The son became enamoured of his father's cook and seduced her. He then wished to marry her, but his father refused to countenance such a proceeding. On the 14th November in that year, however, the young man married the woman quietly, and the pair went to Dublin, where the wife was confined of a daughter early in January of the following year. On the 24th of January she went to Kingstown, and having ascertained the name and address of a person who bore a reputation for kindheartedness, she returned to Dublin, and the same evening went again with the child to Kingstown, and left it on the doorstep of the house where the person lived. The child when deserted had on two suits of clothing, and a purse was placed in the wrappers with fifty sovereigns in it, and with it was a testament. The young man and his wife left Dublin and went to Liverpool in 1872, and remained there. In 1877 the old Baronet died, not knowing his son was married and left him everything. The newly-made Baronet then made an attempt to find his daughter, but although a detective was employed the endeavour proved fruitless. In October, 1877, both the young Baronet and his wife died sudden in their residence in Rome, singular to say, within an hour of each other, the cause of death being supposed to be heart disease. The deceased's younger brother would then have succeeded to the property, but hearing that his brother had a child, whose existence was unknown, he determined to try and find her. Until four months ago his efforts were unavailing; but he then found a diary of his brother's wife at Rome to which were detailed the circumstances of the child's desertion. The younger brother, who was Colonel in a crack cavalry regiment, immediately placed the matter in the hands of Mr. Attwood, of No. 6, Catherine Street, Strand, London, one of whose ablest assistants was entrusted with the case. The result was that after two and a half months' search the missing girl was found in service at a suburb of Dublin. She had been sent to Rathdown Union, after remaining at the house of her nurse for two and a half years, and on growing up she had been sent out to service. The estate she inherits is worth between £13,000 to £14,000 per annum, and her gratitude she has offered half her fortune to her father's brother, who has been so much the means of restoring her to her patrimony. It is under stood he has declined her offer, but great credit is due to that gentleman for his disinterested generous conduct. The newly found heiress and her uncle have left Dublin for England.

Mr. James J. Anslow, Newcastle, N.B., writes: "Mrs. Anslow was troubled with Lung Disease and until he took Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda had little or no appetite; but after taking a bottle or two she gained appetite and had a relish for her food, which was quite a help to her in keeping up against the disease. As we are out of yours, and cannot procure any here, she is taking another Emulsion, but as we prefer your preparation to any in the market, you will kindly ship me some at once and oblige."

A Passive or Atonic—Biliousness, Constipation, and Dyspepsia usually exist together. By invigorating the liver and toning the stomach simultaneously, they can be eradicated. The promptitude and thoroughness with which Northrop & Lyman's Vegetable Discovery and great blood purifier removes this trinity of physical evils is a fact widely appreciated throughout Canada.

Dr. Van Buren's Kidney Cure will at once ease your pain and positively prevent those unfortunate results. Take it at once. Any druggist will have it.

G. W. Mynay, Parkdale, Toronto, writes: "My wife had several very severe attacks of cramps in the stomach. Hearing of Dr. Austin's Panacratine and its phenomenon to take, I gave her two bottles, and she has not had an attack since, and her health is much improved." For sale by all druggists.

Now that there is a reliable remedy for kidney troubles half the terrors attached to these complaints have been removed. For this let all be thankful, and to Dr. Van Buren's Kidney Cure award all praise for having thus removed a hitherto constituted fatal disease from our path. It was never known to fail. Sold by all druggists.

Ten Most frightful scourge of humanity is Bright's Disease of the Kidneys. Unfortunate with a little pain in the back, it hurries the sufferer to a premature grave. Dr. Van Buren's Kidney Cure is the only known remedy that prevents the fatal result. Take it in time.

Nervousness.

Nervousness may be entirely cured in a short time by using one of Norman's Electric Belts, without any fear of injury. Try one and be convinced.

Amos Hodgin, Toronto, writes: "I have been a sufferer from Dyspepsia for the past six years. All the remedies I tried proved useless, until Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was brought under my notice. I have used two bottles with the best results, and can with confidence recommend it to those afflicted in like manner."

Moore, Parker & Laird, of Hillsdale, writes: Our Mr. Laird having occasion to visit Scotland, and knowing the excellent qualities of Dr. Thomas' Eclectric Oil, compounded to take some with him, and the result has been very astonishing. We may say that in several instances it has effected cures when ailments had been pronounced incurable by eminent practitioners.

THE PUREST AND BEST

Remedy Ever Made—It is Compounded From Hops, Malt, Herbs, Mandrake and Dandelion.

The oldest, best, most renowned and valuable medicine in the world, and in addition it contains all the best and most effective curative properties of all other remedies, being the greatest liver regulator, blood purifier and life and health restoring agent on earth.

It gives new life and vigour to the aged and infirm. To clergymen, lawyers, literary men, ladies and all whom sedentary employments cause irregularities of the blood, stomach, bowels or kidneys, or who require an appetizer, tonic and mild stimulant, it is invaluable, being a highly curative tonic, and stimulating without being intoxicating.

No matter what your feelings or symptoms are, or what the disease or ailment is, use Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable use the Bitters at once, it may save your life. Hundreds have been saved by so doing, at a moderate cost. Ask your druggist or physician. Do not suffer, but use and urge them to use Hop Bitters.

If you have lameness in the loins, with frequent pains and aches; numbness of the thigh; a voracious appetite and unquenchable thirst; harsh and dry skin; clammy tongue, often darkly furred; swollen and inflamed gums; dropsical swelling of the limbs; frequent attacks of hiccough;—you are suffering from some form of kidney or urinary complaint such as Bright's disease of the kidneys, stone or inflammation of the bladder, gravel and renal calculi, diabetes, and Hop Bitters is the only remedy that will permanently cure you.

Remember, Hop Bitters is no vile, drugged, drunken nostrum, but the purest and best medicine ever made, and no person or family should be without it.

Don't risk any of the highly lauded stuff with testimonials of great cures, but ask your neighbour, druggist, pastor or physicians, what Hop Bitters has and can do for you and test it!

PUTTNER'S EMULSION.

The medicinal properties of Cod Liver Oil have long been recognized as superior to any of the agents employed in the cure or arrest, in the incipient stages, of affections of the Throat, Lungs, &c. Modern science has taught that this valuable substance may be advantageously combined with Phosphorus, Lime Soda and other medicinal articles in such a way as to make each and all more thoroughly effective than if employed alone. The inventor of Puttner's Emulsion has made the matter of combining these elements a study, and has evolved from his studious experiments the combination which is denominated Puttner's Emulsion of Cod Liver Oil. In another column will be found the advertisement of the Puttner Emulsion Co., accompanied by certificates as to the merits of their preparation, which cannot be doubted. A careful perusal of these is invited. A trial of their emulsion can be made through any druggist in the Dominion. See that you get it, 'Puttner's' when you ask for it.
