WPEC volunteer party recognizes team players for commitment

Willow Park Ecology Centre is a wonderful community-based nature reserve located at the confluence of the Credit River and Silver-Creek in Norval.

WPEC is an amazing local resource, and a successful outdoor education and recreation centre within Halton Hills. It was established 17 years ago through a partnership of the Town, volunteer Board of Directors and Credit Valley Conservation.

The Board of Directors is grateful for all volunteers that partook in the 2015 Volunteers Grow with Willow Park Mentorship Program. Student Volunteer of the Year Mitchell Shorgan was a key player in the new

Active Use Area fence building. Anthony Barr was acknowledged for his regular park attendance to lead Drum Circles and Elise Houghton was thanked for her dedication to help deliver a meaningful Outdoor Education Program. Event sponsors: Domino's Pizza, Heather's Bakery Café, Norval Pancake Factory Restaurant, SilverCreek Café, Tim Horton's, Wastewise Community Resource Centre.

FALL VOLUNTEER EVENTS: Tuesdays and Thursdays in October, 4-6 p.m. and Sunday, Oct. 18. These feature the final volunteer-based Park Restoration and Enhancement projects. Consider helping and enjoy reconnecting with nature while immersed in the beautiful fall landscape. Register at <http://www.willowparkecology.ca/volunteerform.html>.
