Ayer's Cathartic Pills.

For all the purposes of a Family Physic, Curing Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach and Breath, Headache, Rheumatism, Gout, Piles, Blotches, Eruptions and Skin Diseases, Bilious Fever, Liver Complaint, Dropsy, Tetter, Quotidian Chills, Fever and Ague, Neuralgia, as a Dinner Pill, and Purifying the Blood, are the most convenient and perfect cathartic yet produced. Their effect is almost magical upon those who have taken other pills. They are sugar and gilt coated, so that the most sensitive can take them, and they are the safest and pleasantest cathartic in use, even for children. They purge out the accumulations of the blood, which, stagnating in the veins, or circulating sluggishly through the organs, generate the germs of disease. Purge them out with Ayer's Pills, and prevent the accumulation of disease. They purify the blood, invigorate the system, and restore health and vigor. They cure not only sickness and suffering of everyday life, but formidable and dangerous diseases. Blood disease, pulmonary complaints, liver complaints, and our best citizens, and every class of curious sufferers, and of great benefits derived from these Pills, are also the most numerous and best proofs of their virtues. They are so mild and yet searching, so easy to take, and so sure to cure, that we need only to advertise the fact that there is a cathartic that we can recommend to be the best cathartic we know of, and that we know it to be such, and that we know it to be such, and that we know it to be such
