THE HEIRESS' WOOING.

A Jilted Swain Sues for Damages—The Price of His Affections—The Billet Doux.

Society in New York has been excited over the suit of Bernard Herman Gustav Adam Barwick against Miss Rosanna McLean, the Staten Island heiress, to recover $50,000 damages for breach of promise of marriage. The fair defendant appeared in court accompanied by a lady friend, and exhibited great self possession during the ordeal. Mr. Barwick gave the evidence. He met Miss McLean on Staten Island in June, 1882, and after seeing her several times became engaged in July. He bought his betrothed a ring valued at $125 and slipped it on her finger, and she rewarded him by a copious dose of kisses and well applied kisses. He could not name the number. November was the month named for the marriage, but the date had to be changed owing to the death of Miss McLean's mother. The witness said: "On January 12th I called unexpectedly, and found Miss McLean in company with Mr. Chisholm in the sitting room; afterwards she told me whispering together in the drawing room. I didn't say anything, but went down stairs and shortly came into the dining room. I took my coat and hat and wanted to go out, Miss McLean asked what was the trouble. "You are going away so early." I told her that if she kept a man boarding there more than a day and a night without letting me know, it was time for me to go; so I went home and wrote a letter asking for an explanation about the gentleman, she said she would leave her home and visit her aunt. I then went home to bed and was sick for two weeks."

THE FAIR "BILLET DOUX."

At the conclusion of plaintiff's evidence a number of letters written by Miss McLean were read, among the following:

Stapleton, Nov. 10, 1882.

MY DARLING BEN.—I was so awfully nervous this evening I thought I would give you a surprise, and indite you a short note, as I will not have the pleasure of seeing you dear until Sunday (just think of it!) It is no wonder I find the house so dull and lonely, for I miss you sweetheart more than words can express. Oh Ben why did you go to the city and leave your Baby alone. Be sure and come by the ten o'clock boat on my dearest Benny; for I will be anxiously watching for you beloved, so do not doom me to disappointment.

Hope you arrived home all safe. With oceans of love, and lots of kisses. Your own loving

"BABY" ROSANNA.

GOOD PEOPLE ASLEEP.

MY OWN DARLING BEN.—I suppose you will be very much surprised at receiving a letter from your baby so soon, but really I cannot. I am so lonely this evening without my darling Ben to pet me that I could not sleep if I did not send you a few lines. Oh, sweetheart, you do not realize how much I miss you. It seems as if I had not seen you for over a month. (Yes, yes, but here only last evening.) You can see how heavy the time passes when my beloved darling is absent from his Baby.

Good night, beloved. Send me a letter before Thursday. Perhaps I will send you another scrawl to-morrow evening.

With all my love and thousands of kisses from your own darling, good bye, love. BABY

AFTER A QUARREL.

Nov. 29, 1-82.

MY OWN DARLING BENNY.—I am in sitting these lines at eleven o'clock "P. M.," for oh, Ben, love cannot sleep. I am very sorry that I spoke in the manner I did to you this evening, but be loved you will know I did not mean it. Ben your Baby has cryed until her eyes can hardly see to write. "Forgive and forget, dearest darling. Oh, Ben, Ben, good night my only darling. Hope you will forgive your tease of a baby. All my love and oceans of kisses.—Your true and loving BABY.

Darling, answer this "letter" before Sunday. I love you more than words can tell. If I could put my arm's around your neck and kiss you I would feel much better.

You are very good and kind to me. Oh darling believe your Baby when she says, you, pet, are more than all the world to her.

"Please come down Sunday on the "Ten o'clock Boat" from New York; for your Baby will be watching for her darling boy. Do not disappoint her. Will you sweetheart?

Perhaps I can sleep easier now for I feel better since I wrote this note.

Do not fail to come on the T-e-n o'clock boat Sunday.

Your true BABY.

The above letter enclosed several little chromos. A cornucopia was inscribed, "My heart is thine," and a lily bore the word "Affection."

One letter contained a beautiful chromo lithograph of roses and buds, bearing a card with the inscription, "Be faithful to one I bind dear." It said:

Be sure and write, sweetheart, and tell me when you pet intend to come and see your Baby.

Your own BABY.

A Beauty.

The secret of beauty lies in pure blood and good health. Burdock Blood Bitters is the grand key that unlocks all the secretions. It cures all Scrofulous Diseases, acts on the Blood, Liver, Kidneys, Skin and Bowels, and brings the bloom of health to the pallid cheek.

Nervousness.

Nervousness may be entirely cured in a short time by using one of Norman's Nervine Bulbs, without any fear of injury. Try it, and be convinced.

Would you avoid the biliary complaints incidental to spring and summer? Cleanse the system with Burdock Blood Bitters. It regulates the liver, bowels, kidneys and blood, and is the purest tonic in the world. Trial bottles 10 cents.

To make salad dressing in the ordinary way, good condiments, plenty of time and no little skill are essential. Durkee's Dressing supplies these ingredients. All grocers sell it.

Dyer & Clark, Druggists, Renfrew, date of June 3rd, 1878, write:—"Burdock Blood Bitters, though comparatively a new preparation, has taken the lead in this locality as a blood purifier, our sales of it being equal to that of all other medicines used for the purpose during the last year."

Be Artists in time, and do not allow what may appear to you as a simple rash now, to run into a disease of the kidneys, which invariably proves fatal in the end. Dr. Van Buren's Kidney Cure will at once ease your pain and positively prevent these unfortunate results. Take it at once. Any druggist will have it.

A LIVE CHURCH.

Dr. Talmage's Reflections on the Fourteenth Anniversary of his Ministry.

"On this fourteenth anniversary of my pastorate in this place," said Dr. Talmage in the Brooklyn Tabernacle yesterday, "and looking into the friendly faces of this audience, I propose to speak for the characteristics of a live church. First, I believe that a live church should be prompt in all its financial obligations. There are certain things that prayer won't do. Prayer won't paint a church. Prayer won't purchase your winter's coal. Prayer won't pay insurance. Prayer never goes heaven high unless it goes pocket deep. There are many Christian churches where the pastor is nearly half starved. The average salaries of ministers of the gospel is less than $800 a year, and when we consider that some of them are very large, you will see how very small some of the salaries must be.

Another characteristic of a live church is to have the services begin promptly and the congregation in their pews. A live church goes by railroad time. You don't see the people going at half past 10 to catch the 10 o'clock train. In every live church all the congregation take part in the exercises. A live church will have a flourishing Sabbath school. A live church will have commodious architecture. A church may be built around one man, but it will die when he dies. There is a church in Boston which was largely attended thirty years ago, but which died when the man died, who preached everything but Jesus Christ."

"The conductor of a train told me he was once waiting with his crowded train on a side track for the express train to pass. He heard the whistle of the approaching train and in the gleam of the locomotive headlight he perceived that the switch was wrong. He shouted, 'Set that switch!' and in an instant the calamity was averted, and the express train shot by. You are rushing to eternity swift as the years, the minutes, the seconds. Are you sure you are on the right track?"

New Life For Functions Weakened by Disease, Debility and Dissipation.

The Great German Invigorator is the only specific for impotency, nervous debility, universal lassitude, forgetfulness, pain in the back or sides, no matter how shattered the system may be from excesses of any kind, the Great German Remedy will restore the lost functions, and secure health and happiness. $1 per box, six boxes for $5. Sold by all druggists. Sent on receipt of price, postage paid, by F. J. Cheney, Toledo, Ohio, sole agent for United States. Circulars and testimonials sent free. J. G. King, agent, Kingston.

Holloway's Pills. Nervous Irritability.—No part of the human machine requires more constant supervision than the nervous system, for upon it our health and even life depends. These Pills strengthen the nerves, and are the safest general purifiers of the blood. Nausea, headache, giddiness, numbness, and mental apathy yield to them. They dispatch in a summary manner those distressing dyspeptic symptoms, stomachic pains, fullness at the pit of the stomach, abdominal distension, and regulate alike capricious appetites and confined bowels—the commonly accompanying signs of defective or of diminished nerve tone. Holloway's Pills are particularly recommended to persons of studious and sedentary habits, who gradually fall into a nervous and irritable state, unless some such restorative be occasionally taken.

Mr. J. R. Cuthbertson, Toronto, writes: "My wife had a very severe attack of pleurisy and inflammation of the lungs about three years ago, and ever since has been subject to severe colds on the slightest exposure, in fact they were so frequent that her system was quite reduced. She tried several remedies, but without any permanent effect, until she was induced to try Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda, and I am happy to say it has accomplished our anticipations. I have no hesitation in recommending it as a Royal Remedy for all affections of the Lungs and Chest, and for all classes of Wasting Diseases, and building up of Weak Constitutions."

A Purity of Lymph.—Biliousness, Constipation and Dyspepsia usually exist together. By disciplining the liver and toning the stomach simultaneously, they can be eradicated. The promptitude and thoroughness with which Northrop & Lyman's Vegetable Discovery and great blood purifier removes this trinity of physical evils is a fact widely appreciated throughout Canada.

Amos Hodgin, Toronto, writes: "I have been a sufferer from Dyspepsia for the past six years. All the remedies I tried proved useless, until Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was brought under my notice. I have used two bottles with the best results, and can with confidence recommend it to those afflicted in like manner."

Messrs. Parker & Laird, of Hillsdale, writes: Our Mr. Laird having occasion to visit Scotland, and knowing the excellent qualities of Dr. Thomas' Eclectric Oil, concluded to take some with him and the result has been very astonishing. We may say that in several instances it has effected cures when ailments had been pronounced incurable by eminent practitioners.

"Blood will tell." A face adorned with Pimples, Boils, Blotches, &c., is not a particularly pleasant sight, and invariably betokens an impure state of the Blood. Dr. Carson's Stomach Bitters free the system from all gross humours, render the Blood Pure and Cool, aid digestion and give a healthy appetite. For sale by all Druggists in large bottles at 50 cents.

No person can enjoy health while suffering Constipation of the Bowels. Harsh purgatives always harm. Burdock Blood Bitters is Nature's own Cathartic, it unlocks the secretions, regulates, purifies and strengthens the system.

The injurious effects of alcohol on the brain and nervous system relieved and cured by the use of Dr. E. C. West's Nerve and Brain Treatment. Sold by W. J. Wilson.

Do not scream from sick headache a moment longer. It is not necessary. Carter's Little Liver Pills will cure you. Don't one little pill. All druggists sell them.

A DELUSION.

A Child's Strange Delusion—A Suit to Recover $5,000 from Archbishop Williams.

Boston, April 3.—One of the most peculiar cases ever tried here was called this morning in the Supreme Court to recover $5,000 damages from the Rev. John H. Flemming and Archbishop Williams, of the Catholic Church, and is brought by the parents of Lorena Chatron. She was in 1879 a child of thirteen, and was attacked by a nervous disorder which had a peculiar effect upon her mental condition. She become greatly infatuated with cuts of images taken from a paper, which she said were angels sent by her brother, who was dead. Father Flemming was sent for, he finally took the images and kept them refusing to return them. The girl fell into such paroxysms that the physicians thought the images should be returned to her to enable her to remain alive. Both Father Flemming and Archbishop Williams, however, refused to return them, and this suit was therefore brought for damages.

The first real skin cure ever discovered was Dr. Benson's Skin Cure. Cures all rough and scaly skin diseases and makes the skin smooth and healthy. It is an ornament to any lady's toilet.
