COMMUNITY

Hillview Active Living Centre-Georgetown to host Fashion Show on Oct. 26

Tickets for the Fashion Show on Monday, Oct. 26 are going fast. Please Note: Due to construction we have decided to move the Fashion Show to the Alcott Room at MoldMasters SportsPlex. Not to worry! There is an elevator if you choose not to use the steps and there will certainly be plenty of parking. There will be someone to direct you to the right spot. Always a new adventure! Drop into the Centre or the Alia store to pick up your ticket soon before they are all gone. Thank you for your patience but things will get back to normal one of these days.

Monday, Oct. 19 is Election Day. You are encouraged to get out and cast your ballot. Every vote counts. Your voice is important!

After you have voted drop by the Centre for your free flu shot. The clinic is sponsored by the Halton Region Health Department on Monday, Oct. 19, 1-8 p.m. Please note the new extended hours.

On Oct. 30 we are celebrating Halloween at the Centre with another fabulous potluck lunch. Dress up and bring your

HILLSVIEW
Active Living Centre

appetite and something to share for the potluck lunch before the Hallowe'en movie. Please Sign up at Reception If you plan to join us.

This year you are invited to send a card or write a letter to our troops overseas for Christmas. They enjoy being remembered by groups and organizations during the Christmas Season. Please bring your card or letter along with a blank envelope to Sherry and she will see that it is labeled properly and mailed out. The final date for these is Friday, Oct. 30 to ensure they receive them by Christmas.

Travel: Only a week left to add your name to the list of folks going to see *Mistletoe Magic* (November) and *The Gift of the Magi* (December).

Our team is growing....

WELCOME CHRISTINE!

Christine

Registered
Physiotherapist

Christine is a Registered Physiotherapist with the College of Physiotherapists of Ontario, and has experience treating a wide range of orthopedic, neurological, and vestibular conditions. Christine has received training in the assessment and treatment of post-concussion syndrome, vertigo, and general "dizziness" problems, and has also completed various post-graduate courses with a focus on treatment of the shoulder and upper limb. With over ten years of experience teaching recreational and competitive dance, Christine also has a special interest in treating young dancers and gymnasts. Christine is thrilled to bring her skills and experience to the Halton Hills community.
