* The Age at which Premium will cease becomes at each division.

EXAMPLES. 1. A Policy-holder entering 1869-70, at age 25, being now (1880) 40 years of age, would, on completing his 50th year, be free of all further ordinary payments of premium.

2. A Policy-holder entering at the same time, at age 35, and being now (1880) 50 years of age, would, upon completing his 55th year, be free of all further ordinary payments of premium.

When the profits have thus been ascertained, the profits will be paid in cash to the Policy holder, after each succeeding division. A Policy would thus become free from ordinary premiums in 10 years and upwards, according to age at entry, and thousands would be a source of income.

The 6th year of the Canada Life Company will shortly close, and those joining before then will share in three years' profits, at the division in 1883.

WANTED TO GO HOME.

How the Farmer Cured His Wife, and How They Lived Very Happy Ever After.

(*Boston Herald.*)

At a table in a Cornhill restaurant, at dinner recently, sat a man from Cambridge, who was a native of New Hampshire. Hooking an old acquaintance the conversation soon turned on family topics, and the pair began to talk about their neighbors in a most familiar way.

"Yes," remarked the Cambridge gentleman, "Sam was in many respects different from the rest of the boys. You remember who he married? Well, when the old man, his father, found that he was shinin' round with her he called him one day in the barn and said, 'Sam, d'ye intend to marry Hockie?' Sam never said a word, so the old man said, 'Me boy, you know all about them. I can't tell ye nothin'. Ye know how the sisters turned out, and not one of them is now even with their hands.' Sam was as mum as a panther, and, just as soon as he was ready, married Hockie and lived. They lived on a farm, and everything went on smooth for about a year, and it came to hog butchering time. Sam got all ready to have the usual party for the occasion, and just as he was sharpening up the knives Hockie came out and said: 'Sam, I'm going home.' Sam protested in his quiet way, but it was no use, so he said he'd send a man to row her across the pond. It was about a mile over. She said: 'No ye won't; ye'll row me over yourself.' Sam told her he couldn't, and Hockie fired up and said, 'Then I'll drown myself.' Sam said he'd go with her if she wanted to do that. So the boat was got ready, she got in, and they rowed out till the water was twenty feet deep. Then Sam stopped and said, 'Well, Hockie, this is a good place for ye to drown yourself.' She didn't open her mouth. He waited a while and then said, 'Come, Hockie, I'm in a hurry to get back.' She never looked up. Sam put down the oars, caught hold of her hand and patched her in. She grabbed for the boat, but he wouldn't let her get near it. When she was almost done out she said, 'Sam, let me in that boat and ye'll not hear anything more from me out o' the way.' So he pulled her in and they went back home. She changed her clothes and entertained the guests. They're now nearly eighty, and you never saw a happiers old couple—did ye?' I don't think they ever spoke of that ducktin since the day she was goin' to drown herself."

Test it and be convinced. Trial bottles of this elegant pain cure, 25 cents. A trial bottle may be purchased for 10 cents, a very small amount in any case, but the best expenditure you can make, if a sufferer from any kind of pain, is a 10 or 20 cent bottle of Nerveline at Polson's or King's Drug Stores.

Shiloh's Consumptive Cure.

This is beyond question the most successful cough medicine we have ever sold, a few doses invariably cure the worst cases of cough, croup, bronchitis, while its wonderful success in the cure of consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a cough, we confidently ask you to try it. Price 10 cts., 50 cts. and $1. If your lungs are sore, chest or back lame use Shiloh's Porous Plaster. J. G. King, wholesale and retail agent.

Personal, to Men Only.

The VOLTAIC BELT Co., Marshall, Mich., will send Dr. DYE'S CELEBRATED ELECTRO VOLTAIC BELTS AND ELECTRIC APPLIANCES on trial for thirty days to men (young or old) who are afflicted with nervous debility, lost vitality and manhood, and kindred troubles, guaranteeing speedy and complete restoration of health and manly vigor. Has proved that Puttner's Emulsion of Cod Liver Oil with Hypophosphites, &c., has produced more cures and given permanent relief in more cases of consumption than any other remedy. Nervousness.

Nervousness may be entirely cured in a short time by using one of Norman's Electric Belts, without any fear of injury. Try one and be convinced.

HOLLOWAY'S PILLS.—Nervous Irritability—No part of the human machine requires more constant supervision than the nervous system—for upon it our health—and even life—depends. These Pills strengthen the nerves, and are the safest general purifiers of the blood. Nausea, headache, giddiness, weakness and mental apathy yield to them. They dispatch in a summary manner those distressing dyspeptic symptoms—stomachic pains, fulness at the pit of the stomach, abdominal distension, and regulate alike capricious appetites and confined bowels—the commonly accompanying signs of defective or of diminished nerve tone. Holloway's Pills are particularly recommended to persons of studious and sedentary habits, who gradually fall into a nervous and irritable state, unless some such restorative be occasionally taken.

THE MARVELOUS effects of a healthy state of the system in the surest protection against disease, experience has shown that by the use of Dr. Carson's Stomach and constipation Bitters, a perfect state of health can be assured. They free the system from all impurities, cleanse and purify the Blood. For sale by all Druggists at 50 cents a bottle.

SUTTON'S CATARRH REMEDY.—A marvellous cure for catarrh, diphtheria, canker mouth and headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge. Price 50 cts. J. Gee. King, wholesale and retail agent.

Davy & Clark, Druggists, Brooke, date of June 3rd, write: "Burdock Blood Bitters, though comparatively a new preparation, has taken the lead in this locality as a blood purifier, our sales of it being equal to that of all other medicines used for the purpose during the last year."

THE MOST frightful scourge of humanity is Bright's Disease of the Kidneys. Unmenacing with a little pain in the back, it buries the sufferer to a premature grave. Dr. Van Buren's Kidney Cure is the only known remedy that prevents the fatal result. Take it in time.

No person can enjoy health while suffering Constipation of the Bowels. Harsh purgatives always do harm. Burdock Blood Bitters is Nature's own Cathartic; invigorates the secretions, regulates, purifies and strengthens the system.

The injurious effects of alcohol on the brain and nervous system relieved and cured by the use of Dr. E. C. West's Nerve and Brain Treatment. Sold by W. J. Wilson.

FAITH CURE.

What a Disciple Says of the Faith Cure—He is Attending to Cases in Montreal.

There has recently been a movement among certain religious people who have departed from what the Church considers the Faith towards reviving a belief and an interest in the old doctrine of primitive Christianity, which took recognition of practical cures through faith and prayer. A well known disciple of this doctrine, Mr. L. B. Holler, of Newark, N.J., was at the Windsor Hotel. A *Star* reporter interviewed Mr. Holler and found him to be a man a little over the average height, of pleasing address, with dark hair and a flowing beard. He has regular features and piercing black eyes with a high and broad intellectual looking forehead. The following conversation took place:

Reporter—"Do you really believe in the Faith cure?"

Mr. Holler—"Most assuredly I do. I claim that God has given to certain men the power to cure their fellow beings by placing their hands on the afflicted, and by praying fervently a cure is effected in many cases."

"And do you claim this power?"

"I do, and can show you facts that can prove what I say is true."

At this point in the conversation Mr. Holler produced a copy of the New York *Star* which gave a list of cures effected through his agency, many of them most remarkable.

"How long have you been exercising this wonderful power?"

"Over eight years, during which period many remarkable cures have been performed through my agency."

"And do you think that whatever is asked in Christ's name, believing, the same shall be granted?"

"Yes, according to His will. But man has no power from God outside of the will of God. Man has power only when he is in harmony with the will of God. Then he has all power over life and it makes him the most powerful being on earth."

"Then, according to this philosophy, all one can really do through prayer is to find out what is the will of God or what it is not, as the case may be."

"Yes."

"To what religious denomination do you belong?"

"To none, but I belong to the religion of the Lord Jesus Christ and to humanity."

In conclusion, Mr. Holler remarked that his visit was merely of a business nature, but being actuated by a sense of duty, he had resolved to attempt to perform a cure on any afflicted person who might visit him during his stay here, which will not extend over a few days. "But," added Mr. Holler, "I wish it to be distinctly understood that my charges are given gratuitously in every case." Mr Holler is a member of the firm of Holler Bros., hardware merchants and manufacturers of files, &c., Newark, N.J.
