REMINDERS.

THURSDAY

The Band on the wharf at 8 p.m.

THURSDAY EVENING, JUNE 14, 1883.

CITY AND VICINITY.

Prospects.—Westerly to Southerly winds, fine warmer weather.

A QUANTITY of damaged wheat for sale cheap at the wharf, foot of Princess street.

GENTLEMEN wanting good fitting, fashionable and well made garment should go to the new clothing store, Lambert & Walsh, 226 Princess Street.

GOING TO NAPANEE.—The Kingston Cricket Club have arranged to play a match in Napanee to-morrow. A team was to leave by the train this evening in order to be well rested and in condition for the contest.

VISITING A MINE.—Col. Churchill, President of the Zanesville Iron Company, and F. A. Folger went out yesterday and inspected the Glendower mine. The Colonel was pleased with the appearance of the mine. It will be extensively developed.

THE HORSE FOUND.—The horse and waggon owned by Harris & Empey, of Napanee, which was driven away from that town on Monday night was returned. The person who took it was evidently playing a joke, but it would not have been pleasant for him had he been captured.

DAVID CONVICTED.—Yesterday Isaac David was placed on trial at the County Court, charged with receiving stolen goods. The evidence was presented and the jury returned a verdict of "guilty." The sentence has not yet been pronounced. The jury held that junk shops encouraged thieving.

SALVATION ARMY BARRACKS.—The contracts for their erection have been let: Carpentry, $1,782, A. Cameron; masonry, W. McCartney, $2,100; painting, W. Robinson, $145. The total is $3,977. The ground is now being prepared for the building. The Council moves too slowly for the Army. How about the opening of Bagot Street now?

COTTON MILL MEETING.—The annual meeting of the Cotton Mill shareholders was held in the Council Chamber last evening. The Directors made their statements, which were discussed at length. The shareholders thought the Board had done well enough to be re-elected, and it was re-elected accordingly. A dividend was not declared.

A WEALTHY PARTY.—The Germans who went recently to Dunbigh Township are quite wealthy. One of them, worth $10,000, has purchased the property of ex-Reeve Lane. G. W. Dawson, the Crown Lands Agent, intends to locate the settlers shortly. The township will in time be largely German as the English settlers are being gradually bought out.

A GREAT BLOW OUT.—When the Ontario and Quebec Railway is open and ready for traffic the Perth people propose having a great blow out. They will have a civic holiday, an excursion over the road, and festivities in which they will ask the Council, the press and prominent citizens of Kingston to participate.

GOING TO BROCKVILLE.—We believe it is about decided that the 14th P. W. O. Rifles will go to Brockville on Dominion Day. Four or five Companies have, by vote, already come to this decision. The volunteers desire the trip for pleasure, to see the inspection of the troops in camp at our neighboring town, perhaps to take part in the review. A steamer will be chartered for the occasion.

ABOVE THE COMMON.

Great dissatisfaction is expressed among the engineers of the Richelieu & Ontario Navigation Company owing to a recently adopted regulation of the Company by which these officers are compelled to take their meals in the common mess room instead of the cabin as formerly. A number have left in consequence. The change was made in order to effect a saving to the Company in board.

THE BAND TO-NIGHT.

By the kind permission of the Commandant and officers the band of "B" Battery will play on the Queen's wharf this evening at 8 o'clock, weather permitting, the following programme:

Overture—Light Cavalry .....Suppé.
Valse—Gloria di Dijon.....Andreu.
Aria—Singe si Cornith.....Donizetti.
Valse—Je Taime.....Waldteufel.
Selection—Le Bijou Perdu.....Adam.
Galop—Fox Hunters .....Morton.
Vive La Gendarmes—God Save the Queen.

J. W. Traverse, Bandmaster.

SAVED ARMY.

A detachment from headquarters at Portsmouth, consisting of five soldiers under Lieut. Lindsay, visited Collinsby to assist in organizing a branch of the Army. The organization was effected under them officers:

Lieutenant—George Riley.
Sergeants—Wesley Dawson, Agnes Lyon and Emma Lowe.
Secretary—A. N. Gurney.
Treasurer—William Kenny.

The official local numbers 62 soldiers. The Army will meet again on Sunday evening next at 7 o'clock.

There is general regret expressed that D. D. Calvin of Garden Island is unable to attend the County Council. The back men miss his presence.

Over $1,200 a year for five years have been promised towards the Women's Medical College. Friends, subscribe the balance and make the scheme a success.

The meetings of the Salvation Army have been attended by several clerical members of the Synod of Ontario. On Tuesday evening four of them spoke to a more or less extent endorsing the movement.

Those who were reported to have narrowly escaped drowning at Portsmouth wonder that such an exploit could occur without their knowing something about it. Our contemporary has been seriously imposed upon.

The sales for May in Ontario, Southern California, totalled $140,675. Most of the transactions were conducted by the Chaffey Bros. Mrs. Burgess sold 20 acres in Etiwanda for $3,000, and D. Nicol, 20 acres in Arlington, for $3,000.

POLICE COURT.

James and William Garrigan, having been previously arrested, were charged with committing an assault upon Douglass, bailiff. They were fined $2 and costs each, but would have suffered severer punishment had Douglass not desired leniency.

John Wilson, drunk, was lectured and dismissed.

A boy named Joyner was before the Magistrate. He is a little fellow, orphaned and lately residing with an aunt. He seems to have become very bad and to have got beyond her control. The case being urgent the Magistrate committed the boy to the Reformatory for five years. He wept fit to break his heart, said he had joined the Salvation Army, but that his companions sent him back to his old ways.

A hotel keeper and a saloonist were summoned for selling liquor on Sunday. The former was fined $20 and costs; the case of the latter was dismissed.

PERSONAL MENTION.

Sir John Macdonald has been confined to his room for several days. He is suffering from indigestion.

Mr. A. J. Mathieson, Mayor of Perth, is in the city. He is a delegate to the Synod of Ontario.

Dr. King, of Toronto, has been elected Moderator of the General Assembly of the Presbyterian Church.

Mr. W. Coe is developing a mine on the lot adjoining that on which the Cataloguin mine is located. He has 20 men at work.

Sir Alexander Campbell will leave on the 30th for British Columbia in company with Mr. Schreiber, Chief Engineer of Government Railways.

A HORSE'S DEMISE.

One of the fine horses belonging to the Stockton Company died this morning. The animal was all right when fed this morning, but when the driver went in to harness it life was extinct. The supposition is that it had eaten something poisonous.

CHORAL CONCERT, I

An Event Highly Creditable — Mr. Telgemann's Management Worthy of Compliment.

The Choral Concert, which for some time has been the chief topic of conversation in musical circles, was given last evening in the Opera House, and was successful in a very high degree. The audience was large and appreciative, the management perfect, in fact everything went off "without a hitch," as the expression is.

The programme opened with an overture, "Two Blind Men of Toledo," which was loudly applauded, as was also Remenyi's "Hymn to Liberty," which followed. Haydn's celebrated "Toy Symphony," in which most of the performers were children, was well executed, but in the opinion of most people the absence of a certain noisy, discordant instrument, called a "Schellenbaum," would have been a great improvement. Miss Wilson's song, "Love and Pride," was exceedingly well rendered and merited the applause it brought forth. "The Sands of Dee," by the full choir, was also encored.

In the interval between the parts Mr. Lingar, an old Kingstonian who has lately been identified with some theatrical troupe, appeared in the "guise of a young lady" and favoured the audience with a song, the words of which it was unfortunately impossible to distinguish. Mr. Lingar's friends in the gallery were unwilling to allow him to retire, and, as it was, recalled him twice.

A song by Mrs. Betts, an old time favourite with Kingston audiences, and an instrumental trio participated in by Miss Doretta Telgmann, Master O. E. Telgmann, and Master Hoppins, formed the opening pieces of the second part, and the two remaining numbers were probably the "gems." These were a selection from Il Trovatore, by Miss Wilson and Major Taschereau, which was enthusiastically and deservedly encored, and the soldiers' chorus, from "Faust," which shared the same fate. The programme was brought to a conclusion about ten o'clock in the usual way.

Mr. Telgmann, and, in a lesser degree, those who assisted him deserve the greatest credit for their effort, happily a successful one, to organize a concert such as that presented last evening and we trust that the encouragement and support which have been extended to them will result in a repetition shortly.

Subjoined are the names of those who took part: Mrs. Betts, O'Reilly, Galloway, Misses Wilson, Bamford, Bates, Allen, Burton, Morson, Strachan, Merham, Kane, M. Kane, Fralick, M. Fralick, Macdonald, Smith, Means, Davidson, Macarow, Savage, Wilmot, McKay, Ferguson, A. Ferguson, Cormack, Geraldi, B. Cormack, Mehlleton, A. Mehlleton, Herald, Anselstine, Davy, Galloway, Brophy, M. Brophy, Keys, N. Keys, Campbell, Walsh, Cunningham, A. Moore, Major Taschereau, Messrs. Sherlock, Galloway, Armstrong, Greenwood, Sharpe, Driver, Keeley, Savage, Benedict, Rockwell, Foxton, Jones, Hesketh, Jacobs, McMahon, Swain, Dr. Duval, Messrs. Crawford, W. Skinner, Craig, Clark, McRossie, Crumler, Anglin, Carnovsky, Shannon, Craig, Cooper, Joseph Smith, Mehlleton, Rajas, O'Shea, Smith, Oliver, Marchand, Gilmore.

The orchestra was composed of Mr. O. F. Telgmann, Misses Doretta, Louise, Julia Telgmann, Masters Henry, Bismarck and Fritz Telgmann, Messrs. Lockie, Neish, Fraser, Beggs, Montgomery, Thompson, Greenwood, Baker, Bosley, Johnston, N. T. Greenwood, Jackson, Jacobs, Genereux, Grant, Hansen, Lemon, Folen, O. E. Telgmann, Kennedy, Fourhier, Beale and Miss Hooper.

The steam barge Indian, with her consorts the B. Dunlop and Scotsman, arrived at Garden Island this morning, with timber from Georgian Bay. The Captain reports a very rough experience during the trip.

The Traveller cleared from Garden Island to-day with Calvin & Son's fourth raft. Captain Sullivan says that the men in the drams that broke at Victoria Bridge had a close call. Many of them would undoubtedly have been drowned had he not been on hand with the tug to rescue them.

The arrivals at the Montreal Transportation Company are schr. Hanlan, 6,880 bush. wheat; schr. Mystic Star, Chicago, 22,100 bush. corn; schr. Jamaica, Chicago, 20,350 bush. corn; schr. J. There was a collision last evening outside the harbour. The schooner Preston was sailing up the lake, heading for Nine Mile Point, and the tug Active and schooner-barges Gaskin and Gleaner bound down for the city. The Active cleared the Preston, but the jibboom of the vessel injured one of the Gaskin's shrouds; the Gleaner, behind the Gaskin, tore the Preston's main sail, but the latter on the second lap did some injury to the Gleaner. The whole damage, however, does not amount to $50.

COUNTY COUNCIL.

A Corporate Body that Moves by Easy Stages—Short Sessions and Light Business.

TUESDAY AFTERNOON.

The County Council resumed at 4 o'clock, two hours later than the hour appointed.

P. McKim, County Engineer, reported that the Kingston & Napanee Road was in good repair and required no special expenditure. The gate keepers had kept the road open during the unusual storms of last winter. He recommended that they be allowed for the work thus accomplished. He also suggested that the Council encourage the erection of wire or picket fences along the road.—Report adopted.

TAXING OF TIMBER LIMITS.

It was moved by Mr. G. W. Dawson, seconded by Mr. J. Williams, "Whereas it appears unreasonable to this Council that limit holders and others should be allowed annually to deplete our forests of the most valuable timber without making some more adequate return to the municipality than the comparatively small amount paid for dues. Be it resolved that the Clerk be authorized to procure the written opinion of Christopher Robinson, Q.C., or other competent authority, as to the legality of assessing square timber and saw logs, and if liable under what conditions they should be assessed, should such opinion be unfavourable then, that the Clerk prepare a memorial (for the approval of this Council at its next session) to the Ontario Legislature for relief in the premises."

The resolution was passed on the following division:

Yeas—Adams, Bourk, Dawson, Denison, Flynn, McKenzie, McKeever, Quinn, Rutledge, Shannon, Tapping, Williams.—12.

Nays—Buck, Grant, Vanluven, Hogan, Morton, Patterson, Tott, Walker, Whitney, Woodruff.—10.

THE FINANCE REPORT.

The Committee on Finance recommended that no action be taken on the petitions of W. H. Irwin & Co., and Prisoners Aid Society, Toronto; that the expenditure of the Clerk and School Inspector for contingent expenses be accepted, and $10 and $20 respectively be granted for further expenses; that the rate for county purposes be one mill on the dollar, and for the consolidated loan rate three and one-third mills on the dollar; that the Auditors' report be received and adopted.—Report adopted.

COUNTY PROPERTY REPORT.

The Committee on County Property recommended the payment of the following accounts: W. Robinson, $1.20; John McMahon, $2; H. R. Rathbun & Son, $12.75; McKelvey & Birch, $404.39; Shore Laynes & Co. $12.40; A. Ross, $12.40; Mucklestone & Co., $4.25; J. Crawford, $13.30; McMahon Bros., $8.10; C. Wright, $6; Gas Co., $2.73; L. W. Shannon, $41.30; G. Newlands & Son, $8.60. That R. Bollard's petition be referred back to the Council to consider; that R. Crawford's tender for coal at $6.65 per 2,240 lbs. be accepted; that the Court House hot water apparatus requires to be overhauled, that McKelvey & Birch be employed to do the work. It is estimated that 20 tons of coal will be saved in one season; that the petition of Hugh Wallace be referred back to the Council to act.—Report adopted.

PROPOSED SCHOOL GRANTS.

Moved by Mr. Dawson, seconded by J. Williams, that $600 be granted to the poor schools of the county, to be distributed under the applicable action of the Municipal Act, and that a by-law be drawn up confirming the same. The mover made an interesting address on the condition of the poor schools of the county. He said that owing to the burden of taxation the teachers of the poorest standing are secured to instruct the youths in these poor sections. This grant would be in lieu of road grants.

Mr. A. P. Vanluven thought the members of the front townships had better give up everything to the back men. The back township could not otherwise be satisfied. He made an address on education and the position of the township in relation to their poor schools.

Mr. T. Tapping advised the Council to take no notice of Mr. Vanluven's speech. In his township 2 cents on the dollar on the valuation of one section would not pay the teacher $14 a month for three months. Assistance was asked for, and the Government would supplement the amount by a similar grant.

Mr. G. W. Dawson thought the back men were not so powerful. He held that the back township men only asked for what was right and just. He made a stirring address and pointed out that the revenue derived from the forests of the back townships was largely utilized in the front townships. He discussed the road questions and showed that the county were only doing simple justice. The lumberman did the damage to the roads, but the revenue derived was used for public purposes, and part of the money received should be returned to the municipalities in order that they may keep up the roads.

Mr. Dominion asked what schools would be assisted.

Mr. Dawson said all the poor schools in the county.

Mr. Hagan was surprised at the resolution. He was unprepared to support it. Barrie had all poor schools apparently, although the county had substantially helped one section there this year.

Mr. Tapping pointed out that every section in Barrie was on the poor grant list.

There was a further discussion and the resolution was then put and carried on the following division:

Yeas—Adams, Bourk, Dawson, Flynn, McKenzie, McKeever, Tapping, Tott, Walker, Williams.—10.

Nays—Buck, Dennison, Grant, Vanluven, Hogan, Morton, Quinn, Patterson, Rutledge, Whitney, Woodruff.—11.

ROADS AND BRIDGES.

The Committee on Roads and Bridges reported recommending no road grants except to Howe Island—a grant of $40. The municipalities asking for grants were Portsmouth, Barrie and Palmerston. The report was adopted.

The gate keepers of the Kingston and Napanee road presented their grievances relative to the tolls. One asked for a reduction of $250 the other of some $70.

THURSDAY MORNING.

The Council resumed at 10.30 o'clock; the Warden in the chair.

A deputation from the Midland Fair Association, consisting of Messrs. Sheriff Ferguson, H. Wilmot, M.P.P., John Simpson, Dr. Bigham, R. J. Dunlop, and Isaac Simpson, solicited a grant to the Fall Exhibition.

Sheriff Ferguson pointed out the advantages of a good show. He thought the Council should grant $1,000.

R. J. Dunlop asked for a liberal grant. He held that shows were good schools for agriculturists. In them they could secure a knowledge of the advancement made in the cultivating of farms and in the saving of labor.

H. Wilmot, M.P.P., said a show could not be held without means. He asked for a liberal grant. He pointed out the necessity of the show being well sustained.

J. Simpson made a few remarks, and I. Simpson said that the only funds on hand were some $200.

There was a question as to the amount the city would give when H. Wilmot said that the city would give a similar grant to that of the county. He would be prepared to accept from the county the amount given by the city. The deputation withdrew.

FUNDS IN THE BANK.

The County Treasurer reported that there were funds in the bank belonging to the County amounting to $20,613; also that the rate of interest had been increased from 3½ to 4 per cent. on deposits.

Several by-laws were passed.

GRANTS FOR THE TOWNSHIPS.

A resolution was introduced granting $40 each to the nine back townships. The motion was lost on the following division:

Yeas—Adams, Bourk, Dawson, Flynn, McKenzie, McKeever, Shannon, Tapping, Tott, Walker, Williams.—11.

Nays—Buck, Dennison, Grant, Vanluven, Hogan, Morton, Quinn, Patterson, Rutledge, Whitney, Woodruff.—11.

GRANT TO THE SHOW.

Moved by Geo. Dawson, seconded by J. Williams, that $700 be granted to the County Show, on condition that $500 be donated to prizes for exhibits from free grant lands.

Moved in amendment by Mr. Patterson that $700 be granted to the County Show, of which $50 be used as prizes for the products of free grant land.

Moved in amendment to the amendment by Mr. Morton, that $500 be granted to the Midland Fair Association.

The amendment of Mr. Morton passed on the following division:

Yeas—Messrs. Buck, Dennison, Grant, Vanluven, Hogan, Morton, Quinn, Patterson, Rutledge, Shannon, Whitney and Woodruff.—12.

Nays—Messrs. Adams, Bourk, Dawson, Flynn, McKenzie, McKeever, Tapping, Tott, Walker and Williams.—10.

ADMINISTERING A VOTE.

Yesterday $30 was voted to Howe Island as a road grant. To-day a by-law was introduced confirming the grant. The Warden held that the by-law was illegal as the petition asking for the grant did not state that the money was for a new road. A resolution was introduced, however, making the by-law conform with the statutes and the by-law passed.

The Council then adjourned.

TESTIMONY.

MR. GEORGE DAWSON, of Memramcook N.B., writing from Moncton N.B., under date of May 7th, 1878, says:

"In January last I came to Moncton from Memramcook to consult a physician, as I was in the last stages of consumption. When I arrived here I had at once to go to my bed, and was so low I never expected to leave it. A physician was called who pronounced my case as hopeless that I might live a week or two, but not certainly more. As a last resort he recommended 'Robinson's Cod Liver Oil with Lacto-Phosphate of Lime.' I purchased a bottle and after taking the first dose commenced to improve. It seemed after taking a dose, as if I had eaten a good, hearty meal. I have continued taking it ever since and am rapidly improving. I am confident that had it not been for your Oil I would have been in my grave to-day. You are at liberty to use this in any way you wish, as I am anxious to let others, who are afflicted in the same way, know, in the hope that they too may receive the same benefit."
