## CITY AND VICINITY.

REMEMBER the great discount sale of gents furnishing goods at Spence & Crumley's to-night.

PROB.—Light to moderate variable winds, fine warmer weather, continued fine warm weather to-morrow.

NEEDLES for all sewing machines 25c. per dozen, at the Singer Sewing Machine office, 248 Princess Street; warranted the best made.

FLOWERS, FLOWERS.—J. K. Henderson has received advice of a consignment of 1,500 plants, to arrive on Tuesday morning. They will be sold cheap.

DON'T FORGET the Queen Street Sabbath School Excursion to Thousand Island Park on Tuesday next leaving A. Gunn & Co's wharf at 10 o'clock sharp.

SECURED THE MAIL.—The str. Maud has been chartered for the excursion of the F. W. O. Rifles to Brockville on Dominion Day. The owners will be paid $125, for which they give the men not only their passage but their meals.

HOLDING MEETINGS.—The City Hall will not be occupied by the Salvationists to-morrow, as it is being prepared for the entrance and matriculation examinations to begin on Monday. The Army services will take place in the Victoria Barracks.

CADETS EXCURSION.—The cadets had an excursion on the steamer Pierrepont. It was attended by many of the Kingston friends. A delightful evening was spent, the cadets doing their utmost to entertain the company. The sail on the lake and river by the moonlight was really charming.

STEALING PLANTS.—There are some mean thieves in this city and they need attending to. Last night one of them entered the garden of a Wellington St. resident, dug up a handsome geranium and destroyed two other plants in trying to pull them. The thief is known, and unless he returns the flowers will be "courted" and "coiled."

AN ANNUAL FESTIVAL.—The annual pic-nic and strawberry festival of the Wesley Church, Pittsburg, is to be held at Graves' Point, Front Road, on Wednesday July 4, on which date also that energetic body, the St. Patrick's Total Abstinence Society of Westport, will give a pic-nic in O'Hearn's Grove, with an address by Father Barber.

INTERESTING WEDDINGS.—Dr. Cowan and Miss Ida Percy, of Napanee, were married yesterday. The couple are receiving hearty congratulations. Charles Thompson, of the Thompson Paper Mills, was married on Wednesday at Newburg to Miss Wells, a fair daughter of that village. We are pleased at the announcement and trust that happiness will be like Thompson paper—without a blot.

STRIKING FOR THE POOR.—Mr. Scantlion, agent for A. Caldwell & Son, has on hand large quantities of cheap building material, at from $3 per thousand upward, and he is determined to suit contractors and builders both in regard to price and material. The lumber comes direct from the mill. Call and inspect it, the shingles, etc., at Caldwell's lumber yard, near the K. & P. passenger station.

ABOARD ON THE MOVE.—F. X. Cousineau leaves for Montreal to-night to complete arrangements for his purchase of 50 bales of grey cotton from the cotton mill at Montreal. His purchase of 50 bales of Kingston cotton has been completed. The object of Mr. Cousineau's large purchase is not for personal profit, but for the benefit of the consumers, as the low prices at which he will sell cottons will testify. He will sustain his claim to the well deserved title of "The Great Benefactor of the Public."

AN ANGRY ANIMAL.—There was considerable excitement in the vicinity of the market this forenoon in consequence of the peculiar antics of a bull, led by a man. The angry animal made numerous charges towards the sidewalk, and the pedestrians rushed helter skelter in all directions. Some ladies fell in the rush; others found freedom by racing into the street. A dozen horses were frightened. The obstreperous bovine was finally hustled into the American Hotel yard.

A CURIOUS EGG.—John Carr, of Portworth has a very curious egg. One side of it is flat, the other the ordinary shape. On the flat side is a cross and an image of our Saviour, also the following: "Last year, 1882." The family are greatly exercised over it, regarding it as a warning that some of them are to shuffle off this mortal coil before the year is out. Not having seen the egg our correspondent does not vouch for the truth of the statement respecting it, but that the egg is not of ordinary shape cannot be doubted.

## WAR ON THE WICKET.

**THE KINGSTON CRICKET CLUBS AT HOME AND ABROAD—MAKING THINGS HOT FOR PICTONIANS.**

**The Cadets Astonish a Good Team of the Kingston Club—Bulbeyness Battering Picton Balls—Are Defeated But Have a Jolly Time.**

Yesterday's match between the Royal Military College and Kingston Cricket Clubs was a very closely contested one. Kingston having elected to go to the bat sent Jones and Dr. Betts to face the bowling of Macdonell and Hugel. By nice getting and steady play Jones bid fair to run up a score equal to that in his last match, while Betts did some pretty batting. Ones and twos were being scored quickly, and the prospect looked good for Kingston. A well directed ball, however, from Hugel shattered Betts stumps. He had secured 9 runs, making a total now of 18. Rogers followed Betts, only to drop out without a single run to his credit. Galloway joined Jones and Kingston's stock began to rise, both men being well settled. Macdonell, after trying hard for Jones wicket several times, succeeded in putting his leg stump down. The score stood 22, of which Jones made 11 by very careful play. Smith was the next to face the music, and after he had, by a splendid hit to leg, secured three runs, looked as if his old form had returned. He and Galloway added considerably ere he was cleverly caught at point by Carruthers. Ainsworth joined Galloway and bid fair to do effective work, but he, too, was neatly caught at cover point by Worsley. The total of runs was 41. Givens followed, but had to retire without scoring, leg before the wicket being the cause. Galloway had now seen four wickets go down. He had done good service for Kingston. Glidden lost his wicket without a run. R. W. Shannon went in and sent the second ball he got whizzing into the Park. He made the hit of the day, and with Galloway added largely to the score. Then Galloway's stump fell to Hugel's bowling, after he had made 21 runs. F. Betts followed Galloway, but was not long on the crease, Shannon being caught out when he had put together 11 runs. F. Betts was joined by Henderson, but before he had time to score the former was caught by McDonnell and Kingston's last wicket fell; total, 63.

For the Cadets Macdonell and M. Almon made good stands, the former securing 21 runs ere his wicket fell. He got, among others, a splendid drive into the Park. Almon run up 12 runs by steady play. Campbell also played excedingly well and obtained 8 runs. The total score of the Cadets was 72, and and they thus won the match by 7 runs.

**"B" BATTERY IN PICTON.**

"B" Battery had a great outing yesterday, one richly enjoyed. The steamer Hero was engaged and at 6 a.m., with about 120 officers and men, their wives and sweethearts, started for Picton. To the music of the band the steamer steamed out of the harbor. The trip up the Bay of Quinte was really delightful. The scenery is now quite grand, the sloping hills being covered with a mantle of green, while the trees and shrubbery adorn the shore on either hand. Picton was reached about 10 o'clock, and the excursionists were welcomed by a large number of people. The chief attraction of the day was the cricket match between a team from the Battery Club and the Picton Club. The wickets were pitched at 11 o'clock in the Agricultural Grounds. The crease was in fair condition. The result, as seen below, shews that the Battery Club was defeated. The playing on both sides was quite good, but the bowling of the Battery was not as good as it should have been. For the Battery Sergt.-Major Lavie scored 15 runs in the first innings, but unfortunately, in the second innings, went out without scoring. The playing of Major Short, Lieut. Hashett and Lieut. Raymond, in the second innings, redeemed the credit of the team and saved it from annihilation. The bowling of Schmidt and Gilbert, of Picton, was really excellent. The Picton team ran up excellent scores, Barker and Wilson doing their best.

During the game lunch was served by the Pictonians. In the afternoon crowds of ladies visited the grounds and watched the sport with keen interest. "B" Battery band enlivened the proceedings with frequent selections from the latest operas, and the people heartily applauded. When the game concluded the Batteryeen were escorted to the Hero by the Picton band, which played extremely well. The wharf was densely covered with the citizens of Picton who turned out to wish the visitors bon voyage and then the boat swung out into the harbor. The officers and men will not soon forget their visit to the little town and the kindnesses received from its people. Kingston was reached at 11.30 o'clock.

**LACROSSE AT GANANOQUE.**

A special telegram last night informed us that the Maple Leafs had defeated the Gananoque Club by three games to one. The *Reporter* says the Maple Leaf Lacrosse Club, consisted of Messrs. Charles Campion (Field Captain) J. Hunter, G. G. Robinson, T. Kilner, R. Agnew, W. Low, J. Polly, W. Reid, A. Macdonald, M. Elliott, F. Little, F. Fitz, H. Walker. Best 3 out of 5. The Gananoque team consisted of—J. McKeller (Field Captain) W. Dutchburn, R. J. Ferguson, G. Langdale, G. Studen, K. Wylie, Geo. Loyd, N. Nurse, R. Fitts, W. H. Byers, Alex. Ormiston, Wm. Pelow, W. Robinson.

The match was played on the grounds West of the Stone Street School House. Every available spot was occupied by spectators, and the greatest interest was manifested. The opening game was won by Gananoque in 40 minutes. The second game was disputed over for some time, but finally decided to have been won by Kingston. Two other games quickly followed in favour of Kingston, all being ended at 5 o'clock. Some fine play was made, but rough and dangerous. R. Ferguson, W. Dutchburn and R. Wylie got severe blows on the head and body, but no serious accident happened.

The Gananoque and Brockville Lacrosse Clubs cross sticks at Brockville on 2nd July.

**NEWSY ITEMS.**

The *Standard* is the name of the new paper started in Clayton.

E. Botterel and Miss Botterel, of Ottawa, are in the city.

W. H. Warden, advance agent for Drs. K. & K., Detroit, is at the Burnett House.

## NEW TIME TABLE.

**Arrival and Departure of Trains from Kingston—Making Bad American Connections.**

The new time table on the Grand Trunk Railway has been published, and we herewith give a summary of it in the interest not only of the travelling public but of the business men of the city.

From the West the passenger trains will be three in number:

No 1, leaving Toronto at 7:15 a.m., arriving here at 1:20 p.m., and departing at 1:30 p.m.

No. 3, Lightning Express, leaving Toronto at 8:30 a.m., arriving here at 1:30 p.m., and departing at 1:35 p.m., taking precedence of the regular train.

No. 5, leaving Toronto at 7:30 p.m., arriving here at 1:45 a.m. and departing at 1:50 a.m.

From the East there will be three trains, the movements of which will be as follows:

No. 2, leaving Montreal at 7:40 a.m. arriving here at 2:10, and departing at 2:30 p.m.

No. 6, Lightning Express, leaving Montreal at 10:40 a.m. arriving here at 4:30 p.m. and departing at 4:35 p.m.

No. 4, leaving Montreal at 10 p.m. arriving here at 4:37 a.m. and departing at 4:47 a.m.

A CONVENIENT ARRANGEMENT.

By this arrangement the mails will arrive earlier, the people of the city will be better accommodated, and between the trains time will be given to commercial men to do a great deal of business which under the old system required them to remain in the city over night. We cannot say that over this fact the hotel men can indulge in much rejoicing.

THE AMERICAN CONNECTIONS.

The running of trains on the Rome, Watertown & Ogdensburg RR. has also been changed. They now arrive at Cape Vincent daily, Sundays included, at 10:35 o'clock a.m., and 3:35 p.m., and depart at 8:35 o'clock a.m., and 6 o'clock p.m. It is highly desirable that the boats connecting the Canadian with the American railways should be run to suit the changes, and the Ferry Company have such a matter under consideration.

**ASSESSMENT OF INCOMES.**

A taxpayer writes us:

"The decision of the Counties Judges in the matter of assessing Insurance Co's. incomes makes them liable to contribute their share of the taxes is a just one, as they receive the full benefit of the Fire Department, which costs the city a large sum of money. The fact that the city has expended some $16,000 for a fire station, engines and plant, and pays out yearly about $4,200 in keeping the Department in its present state of efficiency, thereby reducing the losses by fire to the lowest point, should be sufficient to show that the Co's. ought, in all justice to the other taxpayers, to contribute their quota. When the amount of taxes they are liable to pay is considered with the great advantages they reap through the Fire Department we cannot help thinking the Fire Insurance Companies should be the last to object to an assessment on the amount of business they do here instead of contending for the assessment at the head offices in Montreal, Toronto and Hamilton, in other words the Companies should assist in relieving the burthens of those who pay their premiums in this municipality."

EXISTING PATRONAGE.

The civic authorities have been notified that the agents of the insurance companies will resist the payment of taxes upon their incomes derived by them from the premiums on legal policies. They claim that often their receipts are wiped out by losses.

Mr. Britton, Q.C., has been retained by nine or ten of the leading Companies, and has received instructions to fight the appeal to the very last gasp. A writ of prohibition will be applied for at once, and if the decision of the Court of Queen's Bench is adverse the case will be carried to the Court of Appeal, and thence to the Supreme Court if necessary.

**Consumption.**

From R. R. Sarra, Esq., a prominent Merchant of Bonetsouche, Kent county, N. B., under date June 8th, 1877.

Dear Sir,—I have suffered for some years past with Cough from Affection of the Lungs, Spitting of Blood, Weakness of the Chest, and Want of Appetite, and have tried many so called remedies but without any effect whatever until I commenced using Renwick's Pyrophosphate Emulsion. I have now taken 8 bottles, and find this quite equal to what it is represented to be, for it has wrought like a charm, and I can cordially recommend it to all who are affected as I have been, as I feel it is going to make a perfect cure of me. I still continue it, and I must say I never took anything equal to it. If you wish to make any use of this for the benefit of yourself and the world at large you can do so, for I think it should be known. I remain, yours truly.

(Signed) H. R. SMITH

**Thousands Say So.**

Mr. T. W. Atkins, Gerard, Kan., writes: "I never hesitate to recommend your Electric Bitters to my customers, they give entire satisfaction and are rapid sellers." Electric Bitters are the purest and best medicine known and will positively cure Kidney and Liver complaints. Purify the blood and regulate the bowels. No family can afford to be without them. They will save hundreds of dollars in doctor's bills every year. Sold at fifty cents a bottle by J. George King.

**Life Saving Present.**

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at 50c. a bottle by J. George King.
