Dr. J. Collis Browne's Chlorodyne

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS—If you want to obtain quiet, refreshing sleep, free from headache, unalloyed from pain and anguish, be nervous and energetic, free from nervous exhaustion, vigorous in body and mind, and regain the enjoyment of perfect health, you will provide yourself with that marvellous remedy, discovered by Dr. J. Collis Browne (late Army Medical Staff) to whom he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera.

CHLORODYNE effectually cuts short all attacks of Hysteria, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Lumbago, &c.

From Sworn & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 4, 1866. To J. T. Davenport, Esq., 33 Great Russell Street, Bloomsbury, London. Dear Sir—We embrace this opportunity of congratulating you upon the well-earned reputation this justly esteemed medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in Hindostan, but all over the East. As a remedy of general utility we would specially allude to its invaluable properties in Cholera, Diarrhœa, &c., &c. We have sold it for years, and have never heard a single case in which it did not prove the speedy and certain relief. We feel we can safely, and do, recommend it as a most valuable medicine, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The genuine article we are happy to say, are now supplied in the safety lozenges, and nothing from these lips, we hear that there are many imitations. We could wish all purchasers of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne to satisfy themselves that the genuine article is invariably obtained. Yours faithfully, Sworn & Co. Sworn, Chemists, Simla. Extract from a letter dated Madras, 1st September, 1866. Sir—We have been selling your Chlorodyne for some time, and have invariably received testimonials to its efficacy. Dr. Collis Browne's Chlorodyne is the most valuable medicine we have ever had recourse to, and we have no hesitation in saying that it is the most certain and speedy remedy we know of. We have been in the habit of recommending it to our friends, and we shall be happy to do so. Yours faithfully, Sworn & Co. Sworn, Chemists, Madras.
