Pair charged after rollover, police search

Two Hamilton residents are facing several charges following a single-vehicle rollover Sunday morning in the area of Trafalgar Rd. and Five Sideroad.

Halton Regional Police responded to a call at about 7 a.m. of a vehicle that had knocked a light pole down and upon arriving on scene found a female who had suffered minor injuries.

The male driver had fled the scene and it was revealed that the vehicle had been reported stolen several hours earlier in the Hamilton area.

A search involving the HRPS canine, unit, several officers and members of the Halton Hills Fire Department was unable to locate

the suspect until an alert citizen notified police about a suspicious male on his property and an arrest was made soon after.

Charged with dangerous operation of a motor vehicle, three counts of possession of stolen property obtained by crime, driving under suspension, possession of a weapon for dangerous purposes, fail to comply with recognizance and fail to comply with a probation order is Matthew Taylor, 37. He was held in custody for a bail hearing.
