REMINDERS.

FRIDAY.

St. Andrew's Day—Concert in Opera House at 8 p.m.

SATURDAY.

Last day of the County Fair in City Hall. Sale of Millinery at 1.30 p.m. Annual meeting of the [illegible] at 7.30 p.m. Genuine Colored Minstrels in Opera House at 8 p.m. Tenders received up to noon by W. Newland's for [illegible].

La Minerve editorially announces that "the real leaders of the Conservative party are at their posts and the ranks are numerous and quite strong enough to assure the continuation of the success which they have so nobly attained." The Montreal *Gazette* is not so sure of this; it already indicates that the Premier must go. Can there be any doubt as to the meaning of the following language?

"In the present position of affairs a Government which does not possess the full confidence of its party—even if it is conscious that it has done nothing to forfeit it—becomes a danger to the party itself, and what is of greater importance, it is too weak to deal energetically with the problems which present themselves for solution. If, therefore, Mr. Mousseau, looking at the position of affairs, at the divisions in the party, makes up his mind to hand over the reins to some one who may be able to bring about union and secure that spirit of discipline which is so important under our system of government, he will simply be doing what others have done in the past without a stain attaching to their character. It will simply be a case of sacrifice of one's self for the interest of the party, and, in securing its reunion, the interests of the Province."

Yes, Mousseau must go, and those hottest for the sacrifice are not Liberals, but Conservatives and Castors.

BOARD OF MISSIONS.

The Board of Missions, constituted by the Provincial Anglican Synod, at its last meeting, and having control of all foreign and domestic, but not Diocesan missions, has just concluded its first meeting in Montreal. It was largely attended, and by the full representation from the Diocese of Ontario, viz.: Ven. Archdeacon Jones, Rev. F. W. Kirkpatrick, Mr. R. T. Walkem, Q.C., and James Reynolds. The Board sat continuously for two days, and passed a number of important by-laws.

Under the new canon of the Provincial Synod the Board is to have the distribution of all moneys contributed for foreign missions and missions in the north-west. Specific appropriations by donors, however, will not be interfered with. One of the most important questions discussed was the appointment of a permanent Secretary. The members of the Board were unanimously of the opinion that their work would require the services of such an official. They felt, however, that their organization was not sufficiently complete to justify them in at once incurring the expense of an appointment, and a resolution was passed accepting the gratuitous services of the present missionary agent of the Diocese of Toronto and affirming the expediency of employing a paid agent in the future.

It was resolved to make two special appeals to the people each year, one at Epiphany in behalf of foreign missions, and one at Advent Day in behalf of domestic or north-west missions. Much other important business was transacted. The chair was occupied by the Lord Bishop of Ontario, and the Bishops of Nova Scotia, Montreal, Toronto, and Bishop-elect of Huron were present.

The proceedings of the Board terminated yesterday, when a resolution was passed providing that the next session should occur in Kingston. The Board will meet three times a year, in March, September and November.

JUSTIFYING ROE.

The Kingston *News* warmly defends the blasphemer Roe, and, in the course of a long-winded article, says: "Nine years of decent and becoming conversation surely entitle a man to be excused for one single evil act." Here we have an attempt to mitigate an offence by down right lying about it. Roe is not a convert to Christianity—we have yet to learn that he has repented of the language whose use has shocked every respectable man—and if he is less noisy than formerly, less anxious to force his irreligious opinions upon the people, it is only because the electors will not tolerate them.

Our contemporary leads its readers to believe that Roe's blasphemy is nine years' old, and that he ought to be excused for "a single evil act." It deliberately misrepresents the case. Its editor knows very well that Roe's evil acts have been many, and he ought to know, if he does not, that about the time of the election of 1879 Mr. A. Henry, ex-Mayor of Napanee, resigned the Presidency of the Liberal Conservative Association because of his disgust for the man now held up for hero-worship.

Then our journalistic friend ought to know, if he does not, that in February, 1880, (not nine years ago) Mr. Henry went to the Secretary of the Conservative Association, Mr. Elliott, and said that Mr. Roe was not one whom they should support in consequence of the blasphemous language made use of subsequent to 1879. This is the testimony of Mr. Elliott:

Q.—From what date do you fix his (Roe's) conversion? A.—From 1879.

Q.—What took place between you and Henry? A.—Henry came to the Brush Factory, where I was employed, and his conversation was to the effect that I ought not to support him in the last contest.

Q.—You are speaking of the contest of 1882? A.—Yes. He intimated he didn't see how I could support Roe.

Q.—When was it Mr. Henry had said Mr. Roe had made use of the expression. A.—Subsequently to the 1879 election.

The fact is Roe's sins are numerous and his record so notoriously bad that the wonder grows how any newspaper, especially the organ of My Lord Bishop, can honestly undertake to justify them. As things now go we may expect to see the *News* say some of these days that His Satanic Majesty is a great and good man, and that many years of "decent and becoming conversation" surely entitles him to be excused for "one single evil act."

MASONIC PRESENTATION.

A Handsome Gift to Most Ex. Comp. Ross, by the Grand Chapter Royal Arch Masons Canada.

Yesterday Most Ex. Companion Ross, the late Grand Z., of the Royal Arch Masons of Canada was summoned to Kingston, and in the evening, in the rooms of Cataraqui Chapter, made the recipient of a handsome present—a gold watch and chain, the former suitably and ornamentally inscribed. The presentation was made by Rt. Ex. R. Hendry, G.J., on behalf of the Grand Chapter, and in the presence of a large company who admired the watch and complimented the firm (Smith Bros.) through whom it was procured. Mr. Hendry read an address which was beautifully illuminated by Mr. T. H. McGuirl.

IT READ AS FOLLOWS.

To Most Ex't Comp'n Donald Ross, P.G.Z. Grand Chapter of Canada:

The Committee to whom was intrusted the pleasing duty of procuring a testimonial, to mark in a suitable manner the appreciation by Grand Chapter, of your valuable services as Grand Z. for the years 1881-83, now beg your acceptance of the accompanying gold watch and chain and express the hope that this slight gift will meet with your approval, and daily and hourly remind you of the love and esteem of your fellow companions.

To the faithful and zealous discharge of the onerous duties of presiding officer of this Grand Chapter is due in a large measure its continued prosperity, and we are led to hope that you will, like your illustrious predecessors, continue to give the Grand Chapter the benefit of your ripened experience in the future.

We take this opportunity of conveying to you the loving regards and fraternal well wishes, not only of the officers and members of Grand Chapter, but of every Royal Arch Mason in this jurisdiction, for your continued welfare and prosperity and finally may the G.A.O.T.U. have us all in his kind care and keeping for ever more.

REPLY OF MR. ROSS.

To Rt. Excellent Companion R. Hendry, jr., Chairman Testimonial Committee.

I cannot find words to express to you what I feel this evening for the complimentary and fraternal address which you have been pleased to honour me with on behalf of the Grand Chapter.

In accepting the exalted position of Grand Z., to which you did me the honour to elect for two years, I did so with the determination to maintain the honour and prosperity of the Grand Chapter, and with the assistance of the several officers I am glad to say rendered my duties only a pleasure and am rejoiced to learn has been conducive to the welfare and prosperity of Grand Chapter also.

As in the past so in the future will I feel it my bounden duty to give Grand Chapter and subordinate Chapters my assistance when privileged so to do. I am pleased to know that my humble efforts have met with your approval. In accepting this handsome and valuable testimonial at your hands I shall always wear it with pleasure and when I look at it it will remind me of the many happy moments that I have spent with my Companions and brethren in the advancement of our noble Order, and I pray the Great Jehovah may be with us all.

DONALD ROSS,
P.G.Z.

MR. ROSS' MASONIC CAREER.

Donald Ross is a resident of Picton. He first joined Prince Edward Lodge, No. 18, in Picton in 1861. On 2nd July, 1867, he was made a Royal Arch Mason in Moira Chapter, No. 7, Belleville. Later on he connected himself with Hugh de Payn Preceptory in this city. He organized a lodge in Wellington in 1864, and was the first Master of it. In 1870 he was elected Master of his mother lodge in Picton. For two years he was D. D. G. M., of Prince Edward District and for two years more Grand Superintendent for the same District. For two years he acted as Provincial Grand Prior for Eastern Ontario in the Order of the Knights Templar, and for years was a member of the Board of General Purposes in the Grand Lodge of Canada. In 1881-82 he was Grand Z. of Canada.

AN ENTERTAINMENT AT THORNTON'S.

After the presentation the Masons adjourned to Bro. Thornton's where an excellent supper was laid and much enjoyed. The usual loyal toasts were proposed and many volunteer ones, there being a deal of hilarious speechifying. The proceedings terminated at a late hour with the singing of the National Anthem.

St. Paul's Temperance Society.

At a meeting of St. Paul's' Temperance Association the following officers were elected for the season of 1883-84:

President—Rev. W. B. Carey.
Vice-President—Rev. A. Spencer.
Sec.-Treas.—Chas. Mead.
Precentor—J. Rawnsley.
Organist—Miss Appleton.
Committee—Mrs. Stratton and Scwan; the Misses Bateson, Dean and Nellie Spencer; Messrs. Hersey, Power, McCann, Jas. Walsh, Randell and A. J. Goodearl.

The regular meeting will occur on the second Thursday in every month. There will be a special meeting next Thursday night, when addresses will be delivered by several clergymen from a distance.

A Disastrous Season.

To-day at noon the insurances on hulls expired, but special rates can be had for the next five days. The insurance on a cargo leaving port now, of course, continues until the cargo is delivered. If the craft should be compelled to put into any intermediate port and winter there the insurance on the cargo holds good until it is delivered at its destination in the spring. This has been a most disastrous season. The underwriters are heavy losers, and a great deal of tonnage has been swept out of existence—new, good tonnage as well as old worn-out vessels.

The Bazaar.

The bazaar was again last night crowded with visitors. To-morrow will be the last day and no doubt the hall will be crowded. There will be no auction of articles as in former years, as all goods left over will be kept by the ladies for a future occasion. The contest between Messrs. Gunn and Metcalfe seems to be getting warmer as the state of the poll indicates:

Sale at the mart to-morrow morning, at 10.30 o'clock, of children's fur sets, hats, caps, &c., by J. E. Hutcheson.

PATRICK O'DONNELL,
THE SLAYER OF CAREY, THE INFORMER.

Patrick O'Donnell, who killed James Carey on the 29th July last, while he was being conveyed to Port Elizabeth by the steamer Melrose, was born in 1835, in the town of Meenacladdy, County Donegal. He has been to America several times, took out naturalization papers in the United States on the 6th November, 1870, and has lived for brief periods in Toronto, Philadelphia, P., Cleveland, O., and Denver, Col. He is a powerful built man, six feet in height, eyes gray, hair dark.

TRIAL COMMENCED.

O'Donnell's Attitude in the Box—Counsel on Both Sides—The Jury Selected.

London, Nov. 30.—The trial of O'Donnell began this morning before Judge Denman in Old Bailey. Two Sheriffs and several Aldermen occupied seats upon the bench. The room was crowded. Several ladies were present. All awaited the opening of the trial amid suppressed excitement. The approaches to the Court were thronged. No person was admitted without a ticket. Chas. Russell, M. P., and A. M. Sullivan, Solicitors Guy and Roger Pryor were present as counsel for O'Donnell, and Sir Henry James, Attorney General, and Messrs. Poland and Wright appeared for the defence. O'Donnell was escorted to the dock by policemen. He seemed to be unconcerned, and posed very erect at first, then bent his head down on his clasped hands, and glanced at the counsel, and

CLOSELY WATCHED THE JURORS

as they were called. After the charge was read O'Donnell took his seat and whispered to Guy for a few moments. The jury is a very intelligent one, composed of men of middle and mature age. There was no excitement outside the Court House. A large police force guarded the court. Russell, one of O'Donnell's counsel, demanded that the witnesses be excluded from the court-room. The request was granted. Upon the jury being called the Clerk asked O'Donnell if he had objections to any of them? O'Donnell replied, "I trust to my Solicitor for this." While the jury was being completed

O'DONNELL LEANED AROUND

and exchanged greetings with Pryor. None of the jury were challenged. James opened for the Government. He described Carey's departure from England, his voyage to Cape Town, and said there was no evidence to show that the prisoner embarked on the Kinfauns Castle to kill Carey, but a new witness would testify that at Cape Town he gave the prisoner, at his urgent request, a rough sketch of Carey, and the prisoner remarked upon receiving it, "I'll shoot him."

SUMMARY OF THE EVIDENCE.

In the afternoon the evidence of the Steward of Melrose Castle was taken. It showed that Carey was shot while sitting down, and that Carey's son was not fired by.

IMPOSING CEREMONY.

Consecration of Bishop Baldwin—Bishop of Ontario Presides—Ceremony Outlined.

Montreal, Nov. 30.—The consecration of the Very Rev. Dean Baldwin, as Bishop of Ontario, took place in Christ Church Cathedral to-day. The Bishop of Ontario presided in place of the aged Metropolitan and was assisted by the Bishops of Quebec and Montreal.

The ceremony was inaugurated by a procession, headed by the presiding Bishop, who carried the pastoral staff of the Metropolitan. The other Bishops and nearly one hundred clergymen following in their robes, the choir singing the 289th hymn.

The Ante Communion was read by the Bishop of Ontario, the Epistle and Gospel by the Bishops of Quebec and Montreal respectively. A hymn followed, after which Rev. Canon Dumoulin, of Toronto, preached from Rev. i. 16, 17, a most eloquent sermon on the offices of the Episcopate. He concluded by a warm tribute to the zeal, labors and talents of the Bishop-elect.

The Dean was next presented by the Bishops of Quebec and Montreal, and his consecration took place according to the order in the book of Common Prayer. The services commenced at 11 o'clock and ended after 1 o'clock. The Cathedral was crowded.

Rev. Dean Baldwin, of Montreal, was yesterday presented with addresses from the Bishop and clergy of the diocese and the members of his congregation, the former being accompanied with a magnificent tea and coffee service. The Dean, in acknowledging the addresses, was almost overcome by his emotion.

ORANGE AND GREEN.

Stirring Times at Newry—Same Meeting and Roughness Already Commenced.

Newry, Nov. 29.—The National League yesterday passed resolutions condemning the action of the Government in prohibiting the meetings on Sunday, and declaring that the Nationalists will assemble on Sunday morning, when, after the constabulary has read the proclamation, they will proceed to Warren Point and hold a meeting. The Orangemen have decided that unless the torchlight procession of the Nationalists is forbidden they will march to Newry to protect the Protestant quarter of the city. There was rioting here last evening. Several participants were injured.

St. Andrew's Anniversary.

This is the anniversary of the birth of St. Andrew, the Patron Saint of Scotland. Hence the display of bunting despite the bad weather, the prominence given to the heather, bouquets of which came all the way from the hills of Annandale. To-night the Scotchmen, their wives and bairns, will meet in the Opera House and have pleasant memories revived by the music of their "native land." Miss Kerchoff and the local talent will sing the songs their mithers sang, and a highland corps will charm, with their bagpipes, and reels alone, in memory at least, to live the past all over again.

TELEGRAPHIC BRIEFS.

THE PARNELL FUND.

London, Nov. 30.—The Parnell fund aggregates £37,651, of which Ireland gave £30,500, America £3,541, England £1,043, and Scotland £576.

A MARKED CONCESSION.

Pesth, Nov. 30.—The Lower House of the Hungarian Diet has passed a bill permitting civil marriages between the Jews and Christians, and legalizing the civil marriages contracted in the foreign countries.

THE RENFREW CASE.

Toronto, Nov. 30.—The result of the position in the Renfrew Provincial election case is that the Judges disagree upon the question of disqualification. They have certified their disagreement to the Court of Appeal, and now either side has the right to bring the case before that Court.

A STABBING AFFRAY.

Toronto, Nov. 30.—During a dispute between a picket of striking plasterers and some of the men working on the new Arcade one of the strikers attempted to stab Peterson, foreman bricklayer, the blade passing between his arm and side and cutting his coat. The other stabber bolted and escaped.

DISTRIBUTING THE REVENUE.

New York, Nov. 30.—Governor Butler said yesterday that there was nothing in the constitution of the United States to warrant a distribution of the surplus revenues among the States as proposed by Blaine. A Washington despatch says Blaine's plan is severely criticised there, especially by members of Congress from the tobacco and whiskey producing States.

EXCITING FIRE.

A Great Blaze on the Bowery and What it Led To—Several Hotels Destroyed.

New York, Nov. 30.—The loss by a fire on the Bowery last night is estimated at $400,000. The buildings burned were the Windsor Hotel, Hartman Hotel, Rabisher's restaurant, Eden Concert Garden, Soho Hotel, Sherwan's Hotel, Schreiber Israel & Co.'s furniture warehouse and Morris & Lehrwig's liquor store. The fire started in the cellar of the theatre. The escape of a number of guests of the Hartman Hotel was cut off for a time by the fire and smoke but all finally reached the street in safety. Several were rescued through windows. The fire caused the greatest excitement. Great crowds gathered and forced their way past the police. The people living in adjoining buildings ran wildly hither and thither removing goods. The "My Partner" Co. lost its scenery and wardrobe, valued at $5,000. The building was heated by furnaces which sent up hot air through the registers in the floor of the auditorium. The fire may have been caused by them.

CONDENSED TELEGRAMS.

Last Night's and To-Day's Reports Condensed down for Our Busy Readers.

No work has been done on the North River Tunnel since last July. There is a great deal of water in the tunnel.

A letter from Yakutsk says the Czar has promoted and rewarded all those who assisted the Jeannette survivors.

Mr. Matthews, editor of the Tyrone Courier, has been arrested on a charge of inciting Orangemen against the Nationalists.

A petition has been forwarded to the Governor General praying for a commutation of the sentence of Hardinge, now awaiting execution in Sandwich gaol for the murder of Mader.

The missionary alliance now consists of five Canadian Colleges, Knox, Trinity, Wycliffe and McMaster Hall, of Toronto, and Queen's College, of Kingston. An effort will be made at once to draw in all the other colleges in Canada.

NATIONAL FINANCES.

The Statement of U.S. Secretary of the Treasury, Folger—Dealing in Large Figures.

New York, Nov. 30.—The *Sun's* Washington says Folger's report will show that the revenues of the Government for the last fiscal year were $398,287,000; expenses, $265,408,000; surplus $132,879,000 or $7,300,000 more than estimated. Compared with the previous fiscal year the customs receipts decreased $5,304,000; the internal revenue, $1,777,000; the direct taxes, $31,000; the miscellaneous $900,000. There was an increase of $2,300,000 in the sales of public lands. The expenditures of the Government show an increase over the year before of $7,330,000. It is probable that the receipts will be about $333,000,000 for the fiscal year 1884, and the expenditures $265,000,000. During the fiscal year the bonds retired amounted to $134,000. The Secretary will oppose the abolition of the internal revenue tax, but will recommend a still further reduction of Customs duties.

A BRILLIANT METEOR.

The Bright View it Presented in New York—Lighting Up the Heavens.

New York, Nov. 30.—A brilliant meteor was seen here last night, apparently ten degrees north of the zenith. It became visible at 11.50 p.m. and attained its greatest brilliancy at 12.12 p.m., when it lighted a large part of the heavens with a rosy light. The visitor's tail, 2 or 3 degrees long, moved northward. Its head was round, of about half the apparent diameter of the moon. Its edges were surrounded with nebulae. At 1 a.m. the meteor had disappeared.

Rheumatism vs. Rheumatism.

Charlottetown, P.E.I., Nov. 11, 1879.

Mr. J. H. Robinson, St. John, N.B.

Dear Sir,—Sir, I may say, almost an accident, early this spring, being confined to my room for nearly five months, and during that time I was under the constant care of three of the most noted physicians of Charlottetown, and by them and my friends given up as beyond all power to help me. Dr. Baxter, of Montreal, having occasion to call upon me on business, very casually observed my state of health, and after fully describing my trouble, which by the doctors was pronounced as rheumatism, Dyspepsia or Indigestion, in fact I was so bad I could only eat brown bread, and that after being toasted at least three days, while tea, coffee or milk I dare not touch, and a slice of dry toast would invariably give me the utmost distress. Dr. Baxter recommended "Robinson's Phosphorized Emulsion," and I feel that I owe the public a debt which can only be paid by saying to all similarly afflicted, "go thou and do likewise"—try "Robinson's Phosphorized Emulsion." To-day I am hearty and strong and can, without pain, indulge in all the luxuries of a first-class hotel.

Yours, etc.,
(Signed) J. McKECHNIE.

WORDS IN SEASON.

NO. 1.—We cannot expect this mild weather to continue but a few days more at the farthest. While it does last, however, it behooves us to make ample preparation for a long, cold winter, filling up the coal bins, putting on double windows, and, in short, making every arrangement for warmth and comfort. For whom do you wear? and, what is fully as important as either, overhauling Furs and Fur Garments, needing such as need repairing or remodelling to some reliable Furrier to be put in shape for immediate use. This is also the best time of the year to purchase new Furs. Stocks are full and the assortment much better, especially Persian Lamb goods and Astrachan Jackets, than can be expected later on. BUFFALO ROBES will be found cheaper this season than they have been in years, the price ranging from $6.50 to $25 for extra large robes. Japanese Wolf Robes are also very cheap—if you know just where to buy them, and very many people believe that in all Canada there is no better or cheaper place to buy ROBES, FUR COATS, JACKETS or FURS of any kind than at the

Boston Hat and Fur Store,

Wellington Street, Kingston. This firm manufactures furs of every description and pays careful attention to the remodelling and repairing of old Furs, and last, but not least, they have the reputation not only of keeping the finest Stock but also of selling their goods cheaper than any other house in Kingston. Nov. 21.

Groceries.

IT'S SO! ASK JOHN?

WE HAVE ALWAYS BEEN GOVerned by the old adage better to lead than follow. The reason we do the leading Ale and Porter business is that we have the largest stock of bottled Ale and Porter in Canada and we bottle nothing but Labatt's London Ale and Stout, and it is beyond a doubt the finest Ale that is made (we do not take exception to Bass' Ale for we think we can discount that) having received honors in Paris, Australia, Philadelphia and we have it to go away from home to receive honors. We received the Gold Medal that was awarded in Canada, 1878, and the great Montreal analist says: Labatt's London Ale is the purest that I have ever tested; it is made from the finest Canadian barley and English Kent hops, the water used being taken from the rock on the premises and is far superior to lake or river water for brewing purposes. It is sold in bottles by all first-class hotels and restaurants and when you ask for ale be sure it is Labatt's London you get.

Great has been the sale of our Patent Flour; it always gives satisfaction and that alone accounts for our great sale. We have now something new, "Gold Dust"—the name sounds well, but the article tastes better. Gold Dust is Ohio celebrated Corn Meal and people who use it say it is the finest article they have ever used. We have also Pure fine Corn Meal made from the finest Kansas White Corn when this is baked it is whiter than any kind of cake and and is much healthier and cheaper. People who use the ordinary Corn came and got some of our American meal, and when you use it once you will never go back to the old again. This fact has been fully demonstrated last week. We had no American meal, and our customers preferred waiting rather than take the ordinary meal again. Always come to CRAWFORD'S when you want fine Groceries and you will get the best assortment of goods in the Dominion of Canada.

JAMES CRAWFORD.
