CITY LEGISLATION.

(Continued from first page.)

tions of the law you would make a poor living. (Laughter.)

Ald. McIntyre said the report should not go abroad that the Council was disposed to wink at violations of the law. He had consulted the law, and found that, calculating the population at between 14,000 and 15,000, the licenses issued should number 42.

The Mayor said he thought the Act of 1877 admitted of more than that.

Ald. McIntyre said such provision was only for the one year. He had always advocated, as he now advocated, that the license money should be left with the municipalities entirely, that not a single cent should be contributed to the Treasury at Toronto.

The Chairman—Is the law not *ultra vires*.

Ald. McIntyre said the highest authority had stated that the Legislature had no power to pass a law regulating the liquor law, that the Dominion Parliament would probably pass an Act at no distant day assuming the management of this business. If the licenses merely remained in the hands of the city the taxation could be reduced. It might be said that the Province paid a portion of the cost of the Administration of Justice, but with the whole of the license funds they would have an abundance for all municipal purposes. The Ontario Government might as well take the revenue from circuses, butchers and auctioneers, as from the liquor dealers.

Ald. Downey mentioned the fact that the money collected from the breweries had to be refunded.

DISCUSSING VARIOUS ITEMS.

The communication of Mr. McCabe, for an increase of salary, was considered.

Ald. Dupuis moved that he be paid $25 out of the park appropriation. He was of opinion that too much money was being spent upon the parks.

Ald. Gildersleeve thought not.

The Council was not disposed to grant the increase.

When the Fire Department was reached the salaries of the mechanical engineer and his assistant were discussed. Ald. Wilson moved for the increase of Mr. Burke's pay to $550 per annum, exclusive of perquisites, and the Mayor moved in amendment for an advance of $50 per annum. The amendment was carried.

Ald. Smythe moved that the Assessor be given $800 per annum, being allowed a consideration for his service as City Commissioner. Ald. Carson pointed to his increase of the assessment as an evidence of merit. Ald. McIntyre acknowledged that Mr. Gordon had increased the assessment in his particular case, at any rate, and overlooked others, if that was any recommendation for more salary. Ald. Creegan dwelt upon the impropriety of making an increase in one case and not in another. He opposed discrimination. Ald. Dupuis commented upon the fact that the city had good officials, and that they were really underpaid, but the finances of the city were in such a condition that he hesitated about increasing the salaries. He felt, however, that there should be an addition to the Assessor's salary. Ald. Creegan said that it was understood that Mr. Gordon was anxious for the place at $700 per annum. Ald. McIntyre said the City Clerk should come under the category of an underpaid official. Ald. McGuire suggested an increase of 10 per cent. all round. The Mayor stated that another man could be got to act as Assessor for $700 if Mr. Gordon would not. Finally an increase of $100 was carried.

The Messenger was granted $50 per annum more without dissent, and the City Engineer $100 in addition to the amount stated in the budget, making $700 per annum. Later on $100 more to the Solicitor and $200 to the Clerk were entered in the budget, the Mayor explaining that he hoped to meet all the advances without increasing the taxation or causing a deficiency.

STREETS APPROPRIATION.

The budget figures were read, when Ald. Dupuis rose and submitted the following estimates of the Streets Committee:

Cataraqui Ward	$1,600
Frontenac Ward	1,600
Ontario Ward	950
Rideau Ward	1,600
St. Lawrence Ward	800
Sydenham Ward	1,200
Victoria Ward	1,400
Total	$9,150
General Streets	700
Princess Street	900
King Street	200
Division Street	350
Montreal Street	300
Barrie Street	100
Total	$2,600

The building of the plankwalks, crossings and furnishing of lumber, cedar sleepers and nails they beg to award to the parties named in the accompanying schedule, and at the prices therein named.

The recommendations in regard to plankwalks were as follows:

W. Hutton, Cataraqui, St. Lawrence and Victoria Wards.

Clayton & Cannem, Frontenac and Rideau Wards.

B. Nelligan, Ontario and Sydenham Wards.

W. Cannem, lumber at $18 per M.

S. Anglin, cedar sleepers, 2c. per ft., lineal ft.

W. M. Drennan, nails, $2.90 per 100 lbs

There was considerable discussion upon the report which was finally adopted, and the Council adjourned at 12:15 o'clock.

Personal, To Men Only

THE VOLTAIC BELT CO., Marshall, Mich., will send DR. DYE'S CELEBRATED ELECTRO-VOLTAIC BELTS AND ELECTRIC APPLIANCES on trial for thirty days to men (young or old) who are afflicted with nervous debility, lost vitality and manhood, and kindred troubles, guaranteeing speedy and complete restoration of health and manly vigor. Address as above. N.B.—No risk is incurred, as thirty days' trial is allowed.

MEDICINES taken into the stomach in concentrated form, such as pills and powders, are most injurious. The great substitute for these nauseous little calomel pills is Dr. Carson's Stomach and Constipation Bitters. They cleanse the bowels, stimulate the liver and kidneys, and cure all stomach disorders, such as dyspepsia and indigestion. In large bottles at 50 cents. H. Wade, Agent.

The General Election.

The general election is now on the tapis. It may perhaps be a useful hint to intimate that an absolute lead at the polls may be obtained by the judicious distribution to the electors of PUTNAM'S CORN EXTRACTOR, the great remedy for corns. Every sufferer would be made happy, and could certainly vote for the person affording them relief. Safe, sure, painless. Beware of dangerous substitutes. Sold by N. C. Polson & Co., Kingston.

Useless Fright.

To worry about any liver, kidney or urinary trouble, especially Bright's disease or diabetes, as Hop Bitters never fails of a cure where a cure is possible. We know this.

Mandrake Bitters.

J. Werts & Son, Freedomville, Ohio, writes:—"This informs you that we have sold all those BAXTER'S MANDRAKE BITTERS you sent us. We sold the last three bottles to-day. Two of our customers disputed about which should have the last bottle, and we decided the matter by promising to send for more at once. The BITTERS give universal satisfaction to all who have tried them. We want you to send us twelve dozen forthwith."

BAXTER'S MANDRAKE BITTERS never fail to cure all diseases of the stomach, liver and bowels. 25 cents per bottle. Sold by all dealers in medicine.

A Word of Caution

As is usually the case where an article of true merit has attained a world-wide reputation by its wonderful results, as the celebrated Electric Bitters have done, certain unprincipled parties have endeavored to imitate them, and expect to induce an unsuspecting public to purchase their fraudulent wares. Ask your druggist for the genuine Electric Bitters, that are guaranteed to cure, and take no others. Sold by J. Geo. King, at 50 cts.

The Doctor's Secret.

Probably no new development will more surprise the public than to learn the secret of success of certain leading physicians. When they have a difficult case of throat or lung disease that baffles their scientific skill, they prescribe Dr. King's New Discovery for Consumption, Coughs and Colds, having it disguised in a prescription bottle, with their own directions and name attached. The patient is cured, and they get the credit.—*Tribune.*

Trial bottles free at King's Drug Store. Large size $1.00.

Not One of our Peculiarities.

So-called respectable people would hesitate considerably before pilfering your pockets in a crowded thoroughfare. That would be too too. The same discrimination is not indicated by the so-called respectable druggist when that wonderful corn cure, PUTNAM'S CORN EXTRACTOR, is asked for. He will pilfer your pockets in the most genteel manner by substituting cheap and dangerous substitutes for the genuine Putnam's Corn Extractor. Watch for these gentlemen, and take none other than Putnam's Corn Extractor. Sold by druggists everywhere and by N. C. Polson & Co., Kingston.

DR. WHEELER'S Elixir of Phosphates and Calisaya, supplies a much needed want among invalids of a safe combination of restorative agents that may be taken for a prolonged period in all forms of debility, without over stimulating or depressing the organism. It maintains a constant impulse on nutrition that secures the repair of wasted tissues, and creates a uniform supply of nerve force to tide the worn-out frame over attacks of extreme depression. Overworked men and women will find its sustaining power of great value.

BUCKLEN'S ARNICA SALVE.—The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores tetter, chapped hands, chilblains, corns, and all kinds of skin eruptions, and positively cures Piles. This salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King.

IN the spring of the year almost every one requires a good blood purifier, more especially in the month of May. We would earnestly advise our readers to try Dr. Carson's Stomach and Constipation Bitters. A few doses will soon convince you that it is the best remedy known for affections of the stomach, bowels, liver and kidneys. In large bottles at 50 cents. H. Wade, Agent.

To prevent fevers, bilious colds and ague, to tone up the system and purify the blood, try a course of Dr. Carson's Stomach and Constipation Bitters. In large bottles at 50 cents. H. Wade, Agent.

BRIGHT'S DISEASE of the kidneys, diabetes and other diseases of the kidneys and liver, which you are being so frightened about, Hop Bitters is the only thing that will surely and permanently prevent and cure. All other pretended cures only relieve for a time and then make you many times worse.

SOME DAY OF DAYS.

Some day, some day of days, threading the street,
With idle, heedless pace,
Unlooking for such grace,
I shall behold your face!
Some day, some day of days, thus may we meet.

Perchance the sun may shine from skies of May,
Or Winter's icy chill
Touch whitely vale and hill,
What matter? I shall thrill
Through every vein with summer on that day.

Once more life's perfect youth will all come back,
And for a moment there
I shall stand fresh and fair,
And drop the garment care;
Once more my perfect youth will nothing lack.

I shut my eyes, now thinking how 'twill be—
How, face to face, each soul
Will slip its long control,
Forget the dismal dole
Of dreary Fate's dark, separating sea!

And glance to glance, and hand in hand in greeting,
The past, with all its fears,
Its silences and fears,
Its lonely, yearning years,
Shall vanish in that place of meeting.

TONICS FOR SOULS.

Mrs. Van Cott, a Manufacturer of Lozenges—She is Using Both Remedial and Redemptorial Agencies.

Anything of note regarding Mrs. Van Cott will be read with interest by our citizens, who will remember her powerful revival efforts in this city. The other day an American paper said that the widow had dropped theology and had built up a trade in cough drops, the manufacture of which she carried on in New York city. Another paper, denying this, said that with her evangelism she has combined the sale of "Mrs. Maggie Van Cott's Excelsior Throat Lozenges," formerly known as "Pungent Throat Exhilerator," which she manufactures at Cairo, N.Y. The box in which they are put up carries a life-like picture of the robust widow as a trade mark. There seems to be no doubt about the efficacy of her lozenges. Rev. Mr. Crawford, of Cazenovia, N.Y., writes from Elmira, according to his certificate which appears in the printed circular:

"Mrs. Maggie Van Cott—I am most happy to hear of the glorious work of the Lord in Cazenovia, and trust you may have more wonderful success in your work. I have used the 'Excelsior Throat Lozenges,' and have great faith in them, for my voice has not been so good and clear in fifteen years."

The papers err in representing that Mrs. Van Cott has withdrawn from theology, when she has merely combined it with the "Excelsior Throat Lozenges" for coughs, colds, hoarseness, tickling in the throat, bronchitis, asthmatic oppression, sore throat, catarrh; and the "Camphorated Blackberry Lozenge" for the bowels, sea sickness, cramps, cholera morbus, diarrhoea, dysentery and bilious colic. These efficacious remedies appear in market about the time of her revival.

Political Meetings.

One of the most successful meetings of the campaign in Prince Edward county was held on Friday. Dr. Platt, the Reform candidate, addressed a most intelligent audience, which filled the Town Hall, for over two hours on the questions of the day. He was followed by Mr. Wm. Anderson on behalf of the Government, and Mr. Wm. Ross, ex-M. P., and Mr. J. J. Bell, editor of the *Times*, on the Liberal side. The latter dealt specially with the Gerrymandering Bill, and caused considerable amusement by exhibiting pasteboard diagrams of the gerrymandered constituencies. Mr. McCuaig held a meeting at Wellington the same night, at which he was effectively met by Mr. G. C. Curry on behalf of the Opposition. A large meeting was held in the Town Hall in Picton, on Saturday, which was addressed by Mr. G. E. Henderson, Q.C., of Belleville, and Dr. Platt. There is every prospect that the county will be won for the Liberals. Dr. Platt is developing unexpected strength and winning golden opinions wherever he goes.

Dr. J. Collis Browne's Chlorodyne.

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS—If you wish to obtain quiet refreshing sleep, free from headache, relief from pain and anguish, to calm and assuage the weary achings of protracted disease, invigorate the nervous media, and regulate the circulating systems of the body, you will provide yourself with that marvellous remedy discovered by Dr. J. Collis Browne (late Army Medical Staff) to which he gave the name of CHLORODYNE, and which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasm.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, &c.

From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 5, 1880. To J. T. Davenport, Esq., 33 Great Russell Street, Bloomsbury, London. Dear Sir,—We embrace this opportunity of congratulating you upon the wide spread reputation this justly esteemed medicine Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in this Province, but all over the East. As a remedy of general utility we must question whether a letter is imported into the country, and we shall be glad to hear of its finding a place in every Anglo Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and, judging from their sale, we fancy that their sojourn there will be but evanescent. We could multiply instances *ad infinitum*, of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœa, and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Cholera, Diarrhœa, and even in
