MORMON WAYS.

The Investigations of a "World" Reporter—An Insight Into Strange Matrimonial Complicat ons.

A correspondent of the New York *World* writes from Lake City, where he was sent to picture the pleasures and conveniences of polygamy, that a Mormon friend enumerated at his request the following anomalies that he knew of in recent polygamous marriages: A young and very pretty girl, in "the upper ten" of Mormonism, married a young man of her own class, but stipulated before marriage that he should marry a second wife as soon as he could afford to do so. Against his will she has now kept him to his promise. A young couple were engaged, but quarrelled, and the lover, out of pique, married another lady. Two years later his first love, having refused other offers in the meantime, married him as a second wife. A man having married a second wife to please himself, married a third to please his first. A couple about to be married made an agreement between themselves that the husband's second wife should be one of the relatives of the first wife. The lady who was selected refused, and the husband remained true to his promise for ten years. At the end of this time his wife voluntarily chose another mate for him. The belle of the settlement, a Gentile, refused monogamist offers of marriage, and married a Mormon who had two wives already. A girl, distracted between her love for her suitor and her mother, compromised in her affections by stipulating that he should marry both her mother and herself, which he did. A girl, a Gentile, bitterly opposed at first to polygamy, married a polygamist at the solicitation of his first wife, her great friend. Two girls were good friends, and one of them getting engaged to a man who was by no means of prepossessing appearance, persuaded her friend to get engaged to him, too, and he married them both on the same day.

As a cure for all diseases of the lungs, Downs' Elixir has no equal.

The most wonderful curative remedies of the present day, are those that come from Germany or at least originate there. The most recent preparation placed upon the market in this country, is the GREAT GERMAN INVIGORATOR, which has never been known to fail in curing a single case of impotency, spermatorrhœa, weakness and all diseases resulting from self-abuse, as nervous debility, inability, mental anxiety, languor, lassitude, depression of spirits and functional derangements of the nervous system. For sale by druggists, or sent free by mail on receipt of the price, $1.00 per box, or six boxes for $5.00. Address J. G. King, Sole Agent for Kingston, Ont. Send for circular.

Glint of Prophecy

The following prophecy is found among the sacred writings of El Islam: "On the first month of Moharrem, in the year of the Hegira 1300 (1882), will appear the El Mehdi, or Messiah. He will be exactly forty years of age and of noble bearing. One arm will be longer than the other; his father's name will be Mohammed, his mother's Fatina, and he will be hidden for a time prior to his manifestation." The elder son of the famous Sidi Mohammed Es-Senoussi is said to fulfill all the requirements of his prophecy. He is now skirmishing around in Northern Africa preaching "the most austere principles of the faith" and endeavoring to organize a crusade against "the contamination of Islam by Christian contact." The signs are, therefore, that there is blood on the moon.

Mr. Wm. Ransom, of South Norwich, says For sixteen years I suffered from biliousness, never had any medicine do me any permanent good until recommended by our druggists, (J. Welsey Fish & Co., Otterville,) to try Dr. Carson's Stomach and Constipation Bitters, which have done me more good than any medicine I have ever taken. I would with the utmost confidence recommend them to all suffering from biliousness, &c. Sold by all druggists at 50c. a bottle. H. Wade, agent.

The prescription of a skilfull physician and composed of vegetable drugs of great remedial power, Dr. Carson's Stomach and Constipation Bitters purify the blood, give tone and vigor to the system, cures dyspepsia and indigestion when all other medicines fail. Have you tried it? Sold by druggists, 50 cents a bottle. H. Wade agent.

A Great Fire

Belleville, Sept. 7.—Two fires, incendiary, occurred this morning. The first broke out at 3 o'clock in a stable in the rear of Dr. Curlett, which was destroyed. No insurance. While the engines were busy with this fire, flames were discovered in Lake & Jenkins' livery stables, two blocks distant. On the premises were a house and barn, owned by Dr. Wilson, two stables and several large wooden sheds, in which were stored a large number of vehicles, blankets, etc. The flames spread so rapidly that three houses were burned, together with vehicles and the whole of the contents of the stables. The dwelling was also damaged considerably. Damage was also done to Maxon's wood piles. The losses and insurance are as follows: Dr. Wilson's house and barn, insured for $1,000, which will cover loss; Lake and Jenkins, loss $4,000, insured for $2,500; Edward Maxon, loss $2,000, supposed to be insured for $1,200. Both fires were started by the same person. Twice previously had Lake & Jenkins' premises been fired, about nine years ago and again last winter.

HALL'S Catarrh Cure is taken internally. It acts directly upon the blood and the mucous surface of the system. Price 75c. For sale by J. G. King

A BRIDE'S FREAK.

Shamming Death That She Might Elope with her Music Teacher—The Schemes Eventually Detected.

(*Pioneer Press.*)

A very peculiar proceeding was related to me to-night affecting a gallant officer of the army, brother of a Lieutenant at Fort Meade, and out of which an interesting romance might be woven. I do not care to give the gentleman's name, but will state that he is the nephew of a prominent Union General of the rebellion period and ex-Member of Congress. A year or so ago he became enamored with a handsome and accomplished Eastern lady, wooed and won her.

Their honeymoon was all that loving hearts could make it, and their future gave promise of great and continued happiness. The lady was blessed with more than ordinary musical talent, but uncultivated, and, to perfect the divine art, she was sent abroad by her husband. She visited the various conservatories of the continent and finally located in Paris for two years' instruction. While there she was reported as being very sick, and soon afterward the terrible announcement of her death reached the Lieutenant by cable.

He at once directed that the remains be embalmed and sent to America for burial, which order was complied with; but as the grief stricken husband was unable to go east he requested a friend in New York to receive the casket and cause its interment in Greenwood. This was done. Subsequently certain intelligence reached the widower of a character that aroused his suspicions, and caused him to hasten to the beautiful cemetery overlooking the harbor of New York, where the remains were exhumed, the casket opened and found to contain the decaying body of a man.

An investigation was at once instituted and resulted in establishing the fact that the wife had eloped with her music teacher, first causing a report of her sickness and death to be sent to her far away home, and in corroboration of it had secured a corpse from the morgue, which was sent as her own, with the result above stated.

SURE, safe and effectual, that old remedy, Downs' Elixir, for the cure of coughs and colds.

PROCLAIM it far and wide that Dr. Van Buren's Kidney Cure not only immediately relieves all kidney diseases, but what is more important to the unfortunate sufferer, will ultimately cure him effectually.

ONE dose of Baxter's Mankrake Bitters will relieve sick headache. One bottle effects a cure. Price 25c. per bottle.

PEARLS.—Get your mouth full by using "TEABERRY," the new wonder for the teeth and breath. Brush vigorously. See directions. 5 cent samples.

Personal, To Men Only.

The VOLTAIC BELT CO., Marshall, Mich., will send Dr. DYE'S CELEBRATED ELECTRO-VOLTAIC BELTS AND ELECTRIC APPLIANCES on trial for thirty days to men (young or old) who are afflicted with nervous debility, lost vitality and manhood, and kindred troubles, guaranteeing speedy and complete restoration of health and manly vigor. Address as above. N.B.—No risk is incurred, as thirty days' trial is allowed.

It has now been determined that a dislocated neck can be adjusted, and what was supposed to be a fatal injury may be cured by proper and instantaneous treatment. Therefore when a man falls down and breaks his neck, instead of lying stiff and cold upon the pavement with a horror stricken crowd around him, he should scamper around and find a doctor to set it.

CALISAYA, the Peruvian or Jesuits' Bark is the best bitter tonic we have in all febrile conditions, and in neuralgic and rheumatic pains, from weak digestion and assimilation, and as combined in Dr. Wheeler's Elixir of Phosphates and Calisaya forms a permanent strengthening nutritive in all used up conditions of the system from the various causes which lead to nerve prostration. This combination is made by a process peculiar to the inventor, and there is no substitute that will do its work.

NOT DISCOURAGED

Why an Aged Negro Wanted to Marry a Second Wife—A Business Call.

At Dalton, Ga., they pointed out an old darkey who was to be married that evening, and I took a seat beside him on the depot platform and said:

"Uncle Reuben, is it true that you are to be married to-night?"

"Yes, sah—yes, sah, you's hit it zactly right, sah."

"Were you ever married before?"

"Why, bress your soul, boy, dis will be my fe'th wife."

"How long since your first one died?"

"Jist free weeks nex' week Saturday."

"Isn't it pretty sudden, when you have been a widdower only two weeks?"

"I reckon not, sah. I doan' see how I kin help de ole woman any by trablin' round alone."

"And they tell me that you are over 70 years old?"

"Yes, sah—I'ze risin' of 73."

"And yo don't even own a chicken?"

"No, sah."

"Don't the future look a little dark to you?"

"See heah, white man," replied the old chap as he slid to the ground and brushed the dust off his coat tails, "I doan like dat sort 'o argyment! Ize ole an' poo' an' doan know much, but I ain't de sort of a mule to take a fe'th wife widout making all 'rangements to board wid her fadder an' gin him my note wheneber anythin' am due! 'Spose Ize gwine to be sleepin' in fence co'ners an' libin' on green apples case my las' ole woman tuk a noshun to die? No, sah! I isn't dat sort of a mourner! Ize got to dat aige whar Ize got to be tooken car' of if I has to mar'y free wives to do it."—Detroit *Free Press.*
