Canada Pacific vs. G. T. Railway.

It is believed among local railway men that the Grand Trunk has secured a controlling interest in the new Canada Atlantic bridge, which will span the St Lawrence between Valleyfield and Coteau. This will give the road a new and shorter outlet to American ports in the south for its western traffic; a decided advantage over the Canadian Pacific. The Grand Trunk is already running trains from Montreal to Ottawa via the new Canada Atlantic Railroad, which connects with the Grand Trunk at Coteau, and it will establish a regular service between the two cities in November. Not only will the Grand Trunk have a shorter line to Ottawa than the Canadian Pacific, but its depots in both Montreal and Ottawa will be more central

Winnipeg has the electric light. Its street railway is approaching completion.

The Northern Pacific RR. is completed to Stillwater, and 953 miles from St. Paul.

ONE dose of Baxter's Mandrake Bitters will relieve sick headache. One bottle effects a cure. Price 25c. per bottle.

The sting of a bee is only one thirty second of an inch long. It is your imagination that makes it seem as long as a hoe handle.

BAXTER'S Mandrake Bitters never fail to cure costiveness and regulate the bowels.

For a wager of £60 on September 18, at London, England, John Hibbard walked twenty two miles in three hours.

Upon a modest gravestone in Vincennes, Ind., cemetery appears this plaintive legend: "His neighbor played the cornet."

Sarah Bernhardt is so jealous of her husband that she quit acting in the midst of the death scene of "Camille" to go off the stage and take him away from an actress at the wings.

A mock philanthropist has been sent to prison for a year from Englewood, Ill. He had run an Institution for Feeble Minded Children without any children, but with profit to himself.

Fashionable ladies are afflicted with a new style of walk, called the "Elberon limp." It is a cross between a hop and go-fetch-it and the progress of a bunion-tortured pilgrim.

Vennor's wife teases him every time he makes a miscue in his weather predictions. Wonder if it does her as much good as it does an editor's wife to tease her a sealskin sacque?

The British troops in Egypt are now homeward bound, happy that soon they will be reunited to their friends; saddened that many brave lads are buried beneath the sands scorched by the Egyptian sun.

The Police Magistrate of Toronto will meet with approval if he carries out his intention of giving the lash or cat to the brutal wife beaters who so frequently appear before him. The unfortunate wives of such scoundrels are generally the greatest sufferers from imprisonment and fines.

In New York an employee of the telegraph company was at the top of a telegraph pole changing a telegraph wire when he was instantly killed by an electric current. He fell over into the net work of wires and hung there. The flesh upon the palms of his hands was torn to shreds and his features were contracted in an expression of agony.

James Chambers, a tobacco dealer at Indianapolis, when he went to his rooms saw that his wife showed unusual symptoms of nervousness, and, hearing a noise in the closet, opened it, when Rufus Pearl, a well known insurance man, stepped out. Chambers was fatally shot by Pearl, who was afterward captured

DYE'S CELEBRATED ELECTRO-VOLTAIC BELTS AND ELECTRIC APPLIANCES on trial for thirty days to men (young or old) who are afflicted with nervous debility, lost vitality and manhood, and kindred troubles, guaranteeing speedy and complete restoration of health and manly vigor. Address as above. N B—No risk is incurred, as thirty days trial is allowed.

Dr J. Corlis, St. Thomas, writes: "During ten years' active practice I have had occasion to prescribe Cod Liver Oil and Hypophosphites. Since Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda came under my notice, I have tried it, and take great pleasure in saying that it has given great satisfaction, and is to be preferred to any I have ever used or recommended. I have used it in my own family almost as a beverage during heavy colds, and in every instance a happy result has followed. I cheerfully recommend its use in all cases of debility arising from weakness of the muscular or nervous system."

THE worst scrofulous sores, the most indolent tumor and the most foul ulcer known, may be cured by the combined use of Burdock Blood Bitters and Burdock Healing Ointment. Ask your druggist for these infallible remedies.

NURSING mothers find Wheeler's Elixir of Phosphates and Calisaya of great value in maintaining strength, preventing anæmia or poor blood, giddiness and prostration so common to delicate constitutions during the period of lactation. Being composed of food elements, it promotes the health of the mother, and the development of the child without the danger of depraved habits which may result from the use of stimulants so often judiciously prescribed.

MR George Tolen, Druggist, Gravenhurst, Ont., writes: "My customers who have used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure say that it has done them more good than anything they have ever used." It has indeed a wonderful influence in purifying the blood and curing diseases of the digestive organs, the liver, kidneys, and all disorders of the system.

Young and middle aged men suffering from nervous debility, premature old age, loss of memory, and kindred symptoms, should send three stamps for Part VII of pamphlets issued by World's Dispensary Medical Association, Buffalo N. Y.

IS THE MOST ECONOMICAL APPLIANCE KNOWN for feeding boilers or pumping purposes on account of the great range of capacities and the small expenditure of steam required for working it. It is intended to take the place of Pumps and Injectors and may be used instead to great advantage. It differs materially both in its

Construction & Working Qualities,

from the class of boiler feeders known as injectors—inasmuch as it has no set of tubes for lifting and another set of tubes for forcing water—a combination entirely new, reliable and efficient. They are simple to operate, always ready for use and altogether a very reliable feed for boilers.

PAMPHLETS OF INSTRUCTION furnished on application, also testimonials if required. We guarantee every Inspirator according to recommendation or no charge.
