Old bald-head? Why, you wretch that's father;
And here is Uncle Jonathan;
His ears are long? You need'nt bother
Your ears are too long for a man!

The girl with lovely hair? That's Rena
She isn't nice—that hair is red!
As pretty as a sweet verbena?
Oh, pshaw! Now, don't be foolish, Fred

Who is that dried-up looking creature?
Fred Smith, I think you are a brute!
You know 'tis I by every feature—
You know me by that summer suit!

Well, then, if you're repentant, sinner,
I'll pardon you—now please, please quit.
Miss Jones will notice us at dinner,
And say "They've had a kissin' fit!"

## CIVIC GOVERNMENT.

Last evening the regular session of the City Council occurred in the Council Chamber. The following were present: the Mayor, Alds. Allen, R. J. Carson, J. Carson, Clements, Craig, Creeggan, Downing, Dupuis, Gordon, C. F. Gildersleeve, J. P. Gildersleeve, Irving, Law, Little, McIntyre, McGuire, McCammon, Quigley, Redden, Smythe and Wilson.

The minutes of the last regular meeting was read and approved.

Those with the asterick before them will be the places of nomination. The house for nominating candidates in Frontenac Ward is different from where the voting occurs.

DISAGREEING COLLEAGUES.

Ald. Allen said, when the question of Returning Officers for Cataraqui Ward came up in Committee of the Whole, that he differed with his colleagues as to the selection of these officers. He had been asked to vote for John Maloney on the ground that the Catholics should have one man. He had nothing to say against Edward Garvin. He would vote for three Catholics but not for two.

A discussion occurred as to the course the Council should take in the matter.

Ald. McIntyre said that the Council should defer to the wishes of the majority of the Aldermen from Cataraqui Ward. He was surprised that any discussion should be provoked.

Ald. Allen said he only desired what was just and right. He was not afraid to vote if Ald. McIntyre was. He asked no favors. He voted for his friends on all occasions, a thing many in the Council had not always done. He declared that his two colleagues had put up a trick on him. He intended to nominate whom he liked.

Ald. McIntyre desired Ald. Allen to know that he was not afraid to vote, but it was not desirable to have this question brought up in Council. On only one occasion heretofore had such a thing been done.

Ald. Quigley nominated Edward Garvin for No. 8 Sub-division.

Ald. Allen nominated John Maloney. The former was elected.

Ald. Allen—"You're a beautiful pair." For No. 9 Sub-division Ald. Quigley nominated John Maloney.

Ald. Allen—I will vote "dead against him." I nominate John Holmes.

The former was elected.

A LIVELY CONTRETEMP.

When the Council resumed its sitting Ald. Allen moved the reconsideration of the report. When this was presented there was a scene. Ald. Quigley said the junior members for Cataraqui Ward had deferred long enough to the old horse. The Council should give the young horses a chance. "By ——," said Ald. Allen, "You may shove the old horse off the track but you can't drag him off. Maybe the old horse will beat the young 'uns yet." He had found his previous colleagues to be gentlemen, and they could not now scare him with the taunt. He would be —— if he'd vote for two Catholics; he would sooner vote for three. He forced the vote, saying that in a week or so the elections would be on and he intended to run against all opposition. He was not afraid nor ashamed of his vote.

The yeas and nays were then taken and resulted as follows:

Yeas—Alds. Allen, Downing, Law, McCammon, Wilson—4.

Nays—Alds. J. Carson, R. J. Carson, Clements, Craig, Creeggan, Dupuis, C. F. Gildersleeve, J. P. Gildersleeve, Gordon, Irving, Little, McGuire, Quigley, Redden, Smythe—16.

FINANCE REPORT.

Ald. McIntyre presented the Finance Report, which recommended the payment of the following accounts:

Pay List $41.75; J. C. Innes, $10; Henry Wilton, $7.20; James Sleith, $.75; New York *Herald*, $14.40; *Globe*, $12; Savage & Sons, $22.18; Robert Mowat, $68.34; F. C. Milo, 50c.; S. Self, $18.50; Wm. Hutton, $50 52; W. M. Drennan, $5.80; John Maloney, $5. With reference to the request of the Committee on Streets, to provide $100 for each Ward and $100 for general streets, the Committee felt that the season being so far advanced and a heavy snow having covered the roadways, and the Council in the early part of the year having passed a resolution that metal should not be put down so as to interfere with the sleighing, and no funds having been provided in the budget for this purpose, they could not recommend that the request be granted. On the communication of the Cochrane Manf'g. Co'y, of St. Thomas, Ont., they recommended that the city give them the same privileges as the Cotton and Knitting Mills and Car Works, instead of a bonus, and that the other information asked for be furnished the Company. Relative to the communication of W. Allen and 7 other Trustees of the School Board the Committee said that they had waited for information from the Board of Education before reporting. The increase made to the city officials in June, with $100 additional to the City Treasurer, was placed to their credit in the budget.

DISCUSSING MONEY MATTERS.

Ald. Allen said that in his ward $100 had been expended by resolution. He would compel the Council to pay the amount. It was their duty to provide funds.

The report of a former Streets Committee was read when it appeared that they only requested the provision of funds by the Finance Committee. Ald. Allen disputed the necessity of asking the Finance Committee for money before proceeding with work. He advised those who sit at the Board next year to nullify such a resolution.

Ald. Gildersleeve replied that Ald. Allen was so quick in expending money that it was advisable to keep him in bounds.

Ald. Dupuis, as Chairman of the Streets Committee, sustained the report and said that the wards should not be allowed to expend more money than was voted to them. He thought, however, that the debts of the various wards should be paid off before the Council retired. The report was carried.

ESPLANADE REPORT.

The Special Committee asked that a deputation consisting of the Mayor, G. A. Kirkpatrick, M.P., and Warden Creighton, proceed to Ottawa if necessary, in order to secure a grant of the water front for the proposed King Street esplanade.

Ald. Clements said it was probable that the Government would make the grant without any deputation going to Ottawa. If the city could not secure the property he would endeavour to get the water front opposite his property, as he did not want other parties to secure it and probably erect an eyesore there.

Ald. Allen opposed the esplanade grant and thought it more desirable to grant money for the improvement of streets so that the children's legs might not be broken.

Ald. Craig said the esplanade should be built for protective purposes. It would add to the attractiveness of the city and endure for ages.

A CHANGE ON WATER.

Ald. Dupuis thought that the sprinkling of the streets was more desirable in point of health than the construction of an esplanade. He declared that the most dangerous material to breathe was dust. ("Thank you;" "Much obliged," etc., were the replies of some Aldermen.) He said that people coming to town generally looked for the public places of the city. ("Tim Doolan's" or the "bar of some hotel" chimed the voices) not for an esplanade. He said the debris from the quarries should be used in filling up the places that were being worked out, that the subscriptions should be expended before the Council gave anything. He believed that not one person in ten would ever go along the esplanade when finished. He was a consistent man, (Cheers,) and he thought that if the city was so rich as to give a big grant to the esplanade, it should lay out money in making the business part of the city attractive and healthful instead of keeping it in the summer months enveloped in clouds of dust.

Ald. Downing said the road along the water front was dangerous, especially at night.

Ald. Gildersleeve showed what the report called for and said that afterwards it could be decided what should be done towards fixing up the dangerous condition of the water front on King street.

Ald. Allen expected to see instead of an esplanade on King street such business places as Rathbun & Sons alluded to. He advocated pure water, to wash down the dust.

The report passed.

COMMUNICATIONS, ETC.

A reply to a communication of the Minister of Interior respecting a grant of ordnance land. Received and filed.

Acknowledgment of the receipt of the carters' petition from the city by the Minister of Railways; also by J. Hickson, manager of the G. T. R.

From the young ladies of St. Mary's Cathedral and St. Andrew's and St. George's Societies, for remissions in the rent of the halls for charitable purposes. Granted.

From residents of Wolfe Island, asking that the slips at the ship yard and at the foot of William street be kept opened. Referred to the Mayor.

From H. C. Fowler, asking that the claim of T. L. Snook, for services in connection with the gaol investigation be settled. The bill called for $221.

Ald. McCammon pointed out that $100 was all the city was indebted to Mr. Snook; $75 had been already paid him. Referred to Finance Committee.

HIGH SCHOOL TRUSTEES.

Judge Price tendered his resignation as a trustee of the Collegiate Institute. He could not give the attention that the Institute and public interest required.

Ald. E. H. Smythe nominated Prof. Watson and Ald. Irving as succeeding Trustees.

Ald. R. J. Carson nominated Principal Grant and Ald. Irving.

Ald. Smythe could not see why the head of such a large corporation as Queen's should be placed in the position. Principal Grant would overshadow the Institute and allure the pupils to Queen's University. Many parents desired their children to be sent to other colleges. He felt that the amendment should be defeated, as a member of the High School Board had unduly canvassed the Aldermen in favor of Principal Grant.

Ald. Carson said Principal Grant stood head and shoulders above them all. He felt that his nominee would by no means attempt to influence any pupils from attending any college but Queen's.

Ald. Allen thought that from the citizens good enough men could be appointed to the position without taking the men of any college.

Ald. C. F. Gildersleeve delivered a speech which was frequently applauded. He held that the City Council should take a more active interest in the affairs of the Collegiate Institute. The Institute was once in a prosperous condition, but now, while the city was improving, the Institute was going down. Men should be put in office whose ability would help to keep up the Institution. There was no better man than Principal Grant for the purpose. This was a school where students were prepared for higher education, and he believed that all Kingstonians would prefer to see these young men prepared for Queen's University. Principal Grant would lift the Institution to that position it should occupy.

Ald. McCammon, as a Trustee, was excused from voting.

The yeas and nays on the amendment of Ald. Carson were:

Yeas—Messrs. Alds. R. J. Carson, Clements, Craig, Downing, C. F. Gildersleeve, Law, McGuire.—7.

Nays—Mayor Gaskin; Messrs. Alds. Allen, Creeggan, Dupuis, Gordon, Little, McIntyre, Quigley, Redden, Smythe, Wilson.—11.

The main motion was carried appointing Ald. Irving and Prof. Watson.

PETITIONS, &c.

Ald. McIntyre—Petition of Mr. Thos. Taylor and others relative to vessels—Referred to Court of Revision.

Ald. McIntyre—Capt. Samuel Fraser and others relative to the nuisance of coal tar in the harbour.—Referred to the Committee on Wharves and Harbours.

THE MAYOR'S SALARY.

Moved by Ald. McIntyre, seconded by Ald. Smythe, that the sum of $800 be placed at the credit of the Mayor.—Put by the Clerk and carried.

Ald. Allen asked if he could move now that in future no salary be granted to the Mayors. He had advocated this in years gone by and would do so again. He believed that the honour was sufficient. He would like to hear the opinion of the Council on the question.

Ald. Redden—No.

Ald. Allen—You were spoken of for the position I believe. (Cheers.)

Mayor Gaskin said that to be consistent with what he had always held the honor was a sufficient recompense, and would, now that the Council had granted him the amount, devote a portion of it to the following charities: House of Industry, $100; Orphans' Home, $100; Protestant Poor Relief Association, $100; House of Providence, $100, Hotel Dieu, $100. The balance, $300, he returned to the city. He would not pocket $1.

The question was asked why he did not grant the General Hospital something. In reply he said that the Hospital had considerable money invested and that it was not very hard up.

Ald. C. F. Gildersleeve thanked the Mayor for the handsome donations he had had made. He was glad they had a Mayor who was able to do without salary. Some, however, in the future might not be able to do this. He upheld the giving of a salary. The position was deserving of it as well as any other situation. He felt that the citizens would appreciate in the fullest extent the action of the Mayor.

Ald. Clements moved, seconded by Ald. McIntyre, that in view of the Mayor having presented the city with $300 he be presented with his portrait, the cost not to be beyond that usually paid for the same. Carried.

A short discussion occurred relative to the paying of a debt to a poor man named Anderson, who had built a drain in Ontario Ward. It was left to the Mayor to settle.

The Council then adjourned. It will be the last regular meeting held this year.

Cure for Catarrh.

Cures at any stage of the disease. Has cured many cases so terrible that bones came from the nose. Dr. Avory's California Diamond Catarrh Remedy is mild and pleasant, affording immediate relief and prompt cure, and is believed to be the only real cure yet given to the public. The Diamond is a wonderful medicine. What it will do. It will cure Nasal Catarrh, no matter of how long standing. It cures a Cold in the Head or Throat by a few applications. It clears the Head and Throat and enables you to breathe free. It cures that dull, heavy headache. It strengthens the Eyes. It cures Deafness. It is used for Asthma with cheering results. It will strengthen your voice, enabling you to speak clear and distinct. It enables you to think, work and study with ease and pleasure.

It clears the mind and makes your perceptions clear, bright and active. It soothes the nerves and enables you to have refreshing slumbers. It is warranted not to contain anything injurious; it acts directly upon the organs of the Head and Throat, allaying inflammation of the mucous membrane linings, cleansing and healing the disease and inflamed parts. Its medicinal qualities are purifying, cleansing and healing. Sold by N.C. POLSON & CO., Princess Street. Sent to any address on receipt of 65c.

PROF. N. WATKINS BEEL, M.D., New York, says of Wheeler's Elixir:—"After having used your Compound, Elixir of Phosphates and Calisaya for over two year in my daily practice, I must give it my unqualified approbation. During a practice of over twenty years I have used many scientifically prepared compounds, made to fulfil the same therapeutical indications as your Elixir, but none of them proved with me as valuable as yours. To the medical profession I would especially recommend it as the best remedy with which I am acquainted for the successful treatment of that large and constantly increasing class of over-worked and nerve-exhausted women."

THE GREAT SOURCE of consumption and many wasting forms of disease, is scrofula lurking in the system. The true specific for this condition is found in Burdock Blood Bitters. That medicine purifies the blood and builds up the enfeebled frame.

AN OUNCE OF prevention is worth a pound of cure, and a few doses of Dr. Van Buren's Kidney Cure taken on the first sensation of pain in the region of the kidneys, will effectually ward off Bright's Disease and stone in the kidneys and bladder. All druggists keep it.

C. A. LIVINGSTONE, Plattsville, says: "I have much pleasure in recommending Dr. Thomas' Eclectric Oil, from having used it myself, and having sold it for some time. In my own case I will say for it that it is the best preparation I have ever tried for rheumatism."

MENTAL DEPRESSION and all nervous diseases of whatever nature or cause, in old or young, male or female, cured by Dr. E. C. West's Nerve and Brain Treatment. Sold by W. J. Wilson.

Jacob A. Empey, of Cannamore, states that he has taken Burdock Blood Bitters with great benefit in a lingering complaint and adds that he would recommend it to all.

MAYORALTY OF 1883.

TO THE ELECTORS OF THE CITY, GENTLEMEN—A large number of independent electors, remembering my long service in the City Council, have in the most generous way solicited me to become a Candidate at the approaching Mayoralty Election, and it has not been without due deliberation that I now place myself in your hands. I trust, should your choice fall upon me, that I will be able to give the same satisfaction in the high and honorable position that the electors of Frontenac Ward have borne testimony to repeatedly as having been my good fortune to preserve in the past in the Aldermanic chair.

I shall endeavor to give my whole time to the duties of the office, and at the same time to discharge them honestly, fairly and impartially.

As I cannot hope to call upon all of the electors within the three weeks at my disposal, I trust that they will accept the will for the deed.

Thanking the citizens for their cordial and unexpected offers of support,

I remain, Gentlemen,
Your Obedient Servant,

CHAS. LIVINGSTON.
