## Learn how to create an income property

In Halton Hills, there is a severe shortage of affordable housing for individuals and families. At the same time many people are aware that they have “too much house” and too much maintenance. The solution? Creating a legal apartment within an existing home.

To talk about the solutions, there will be two presentations, Monday, Nov. 9 at 7 p.m., and Tuesday, Nov. 10 at 10 a.m. at the Acton Arena and Community Centre Hall, 415 Queen St. E., Acton.

Garth Brown of Equality.ca will provide solid and practical advice for homeowners on the various options that can generate income and raise home values while helping to reduce the wait times and wait lists for those seeking secure housing.

The Housing Task Force of Halton Hills is interested in championing effective home solutions where every person in the community can have a safe and affordable home. Join us at one of these free presentations. Let’s talk about housing in Halton Hills.
