COUNTY NEWS.

—Fall wheat is beginning to head. It promises to be ready to cut by the last of June.

—Farmers are happy; faces all bright and cheerful as though they have been taking a little something.

—There does not seem to be any bottom to the cheese market yet. The highest that American cheese is quoted in Liverpool is 55s.

—Messrs. Evans and Robinson, of Palmerston, having purchased farms in Dacotah Territory, will remove thither in the fall.

—The Maple Leafs of North Fredericksburg beat the Lilies of Hay Bay in a match played on the farm of Mr. W. B. Miller, by a score of 34 to 14.

—Mr. John Donovan, a farmer resident of Richmond, is back after an absence of twenty years. He has visited Australia, New Zealand and South Africa.

—Mrs. John Pearson, of Barrie, was summoned on the 19th, to the spirit land, after a severe illness of only seven days.

—The residence of John A. Williams, near the Addington Road, with nearly all his effects, was burned on the 17th; purely accidental. Mr. Williams lost all the provisions, bedding, wearing apparel, etc., of the family.

—The school corporation of Flinton met on the 15th, to open the tenders for the new school building. Of the many applicants, Mr. Fletcher Sexsmith, of Bridgewater, was the lowest, viz: $500, accepted.

—Mr. Richard Sedore lost a valuable horse last week, having every appearance of glanders. Several cases of swelling in the throat and running from the nose have taken place among the horses in the township.

—The building in course of erection by Daniel Sedgwick, proprietor of the grist and saw mill at Flinton, intended as a woolen factory, is nearly completed. It is intended to get the roll carder in operation soon. Mr. Richard Jones, of Tamworth, the rentee, is an upright workman of forty years experience.

Mr. Calvin Pringle, of Richmond, is fifty-six years of age, and is the proud progenitor of thirty-nine grand children, the last of which was born a few days ago—a girl, the daughter of Mr. George McBride, teacher. This last olive branch has the digital distinction of six developed fingers on each hand.

Travellers often wonder why their fellow travellers are so loud in their praise of the Colonnade Hotel, Philadelphia, but after a visit themselves, they are satisfied of its famous excellence.

Mitchell's Belladonna Improved India Rubber Porous Plaster.—There has never been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters. They are very soft and pliable, still very adhesive, and a sure cure for Weak Backs, Pains in the Side and Breast, and are invaluable to those who have a Cold of long standing, and often prevents Consumption. Some even tell us they believe they were entirely cured by the use of them of a long seated consumption. Prepared by GEORGE E. MITCHELL, Lowell, Mass. and sold by all Druggists.
