MORNING MISCELLANY.

Montreal, Aug. 3.—Charles Griffin, a member of a firm of stock brokers doing business on St. Francois Xavier street, was arrested yesterday afternoon by High Constable Bissonnette on a warrant charging him with having, on or about the 19th of August, 1876, in the capacity of a trustee to the Rev. James Webster, of Grenville, South Carolina, received the sum of $21,125.30, to be invested in shares of the Bank of Montreal for and in the name of Rev. James Webster, and did on or about the said last mentioned day, with intent to defraud, convert and appropriate to and for his own use and benefit the whole said sum of $21,124.30, instead of investing the same for and in the name of the Rev. James Webster in shares of the capital stock of the said Bank of Montreal, as he had been instructed to do. This warrant was issued on the information of Mr. J. W. Byers, of Grenville, Q. C., attorney to the Rev. J. P. Webster, who fyled therewith twelve letters received, by which the latter acknowledges the receipt of the amount stated that he has invested, the amount, as requested, acknowledges the receipt of the commission, and advises the enclosure of the dividends as they fell due. It further appears that the Rev. Mr. Webster, failing to receive the usual stock certificate with the dividends, communicated with an attorney, who investigated the matter and learned that the stock had never been purchased, and that the prisoner had appropriated the money to his own uses in certain stock transactions, which he believed would speedily return him a large profit, but on which he lost the entire amount and a considerable sum of his own money. The prisoner acknowledged having received the money, and asked to be admitted to bail, but up to late hour bail was forthcoming. Mr. W. H. Kerr, Q.C., is acting for the defence. The unfortunate young broker, Griffin, is a son of Mr. Griffin, a Post Office Inspector, in a western district.

A Letter from a Clergyman

Vernonville, Sept. 8th, 1876.

Messrs. Milburn, Bentley & Pearson.

GENTLEMEN,—Dr. Fowler's Extract of Wild Strawberry has cured the worst case of summer Complaint I ever knew. Our little child was, for one month, not expected to recover. We got medicine from our family physician, but, like everything else, it failed; until we tried Dr. Fowler's Great Cure, Extract of Wild Strawberry, which acted like a charm, and perfectly cured the infant in less than three days.

Yours faithfully,
Rev. S. R. KEARNS.

PETITT'S EYE SALVE.—An Infallible Remedy for all diseases of the Eye (acute or chronic), granulation of the lids, ulceration of the lachrymal glands, film and weakness of the vision from any cause. The *American Eye-Salve* is presented to the public with the assurance of its efficiency as a curative of most diseases of the eye, acute or chronic inflammation, whether induced by scrofulous origin or otherwise, weakness or defect of vision, diminished tone of the optic nerve, or a diseased state of the tissues constituting that organ. It is used successfully for Piles. Its soothing effect is immediate and a permanent cure requires but a few applications. North op & Lyman, Toronto, Agents for Canada. Sold by all druggists

Mitchell's Belladonna Improved India Rubber Porus Plaster.—There has never been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters. They are very soft and pliable, still very adhesive; and a sure cure for Weak Backs, Pains in the Side and Breast; and are invaluable to those who have a Cold of long standing, and often prevents Consumption. Some even tell us they believe they were entirely cured by the use of them or a long seated consumption. Prepared by GEORGE E. MITCHELL, Lowell, Mass, and sold by all Druggists.

Unscrupulous Dealers obtain them at very low prices and sell them to the public in Canada as my genuine Pills and Ointment.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache Meningitis, &c.

From Lord Francis Conyngham, Mount Charles, Donegal, 11th Dec., 1868.

"Lord Francis Conyngham, who this time last year bought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it a most wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the only remedy of any service was Chlorodyne.—See *Lancet*, 1st Dec., 1864.

CAUTION.—Beware of Piracy and Imitation.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr. J. Collis Browne was undoubtedly the inventor of Chlorodyne, that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 19th July, 1864.

Sold in Bottles at 1s 1½, 2s 9d., 4s 6d and 11s each. None is genuine without the word "Dr Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testimony accompanies each Bottle.
