THE BROTHER JONATHAN.

ON the first of January next, we shall pre-sent the readers who prefer that style of publication, with a Quarto Jonathan. In form and arrangement it will be original and unique, differing from any now before the public, and, un-less our labor in study and projection has been lost, an improvement upon any. Bound up, at the close of the year, the Quarto Jonathan will form a volume, or a couple of volumes of reading matter, unexceeded for variety and excellence by any collection in the world. Particulars will be shortly issued; and in the meantime, strangers who may be in the city and wish to subscribe can do so. The price will be like that of the folio $3,00 per annum in advance.

CALEDONIA WATER.

THE Subscriber has made arrangements, by which the Public may be furnished with the above, at a reduced price. Its valuable proper-ties have been very extensively tested by the numerous visitors at the Springs, many of whom have testified in the most grateful manner, their sense of benefit derived from a use of the Water. The analysis by Dr. Chilton, places beyond a doubt, its value in various Chronic Diseases. A very frequent cause of failure, is discontinuing the use of a remedy: this, so far as regards the Caledonia Spring Water, will, it is hoped, be abated by the reduction in price. The price will be, Boxes of three dozen, $5; of one dozen, 8s. 9d.; without the Box 8s. Parties sending their own Bottles, will be furnished at 6s. per dozen.

GEORGE H. HAINES & Co, Store Street, Kingston, invite the attention of the Pub-lic to their Immense Stock of DRY GOODS, consisting of an endless variety of Plain and Fancy Goods, suitable for the Fall and Winter Trade, which has been selected with great care: and owing to the depressed state of the British Markets, together with a thorough knowledge of the Business and command of Capital, their IM-PORTATIONS THIS SEASON have been laid in at such a reduction from the usual value, as to astonish every beholder.
