In Memoriam

COX, Phillis

December 13, 2009

Every time that I smile,
Every time that I sigh,
I think of your face,
And a tear escapes my eye.
You were my world,
My inspiration and my heart,
But when you left me,
I thought I would fall apart.
You were my best friend,
My one true 'confidante',
And that's not all you were,
You were also my mum.
I didn't want to live without you,
But you would have wanted me to,
And if there's anyone
I want to make happy,
That anyone is you.
I would have given anything
to have you back,
But I know now that it was
meant to be,
For you are still watching
from up there,
And I know you're watching me.
I'll make you proud mum,
I'm going to fulfill your wish,
You're going to see me and smile,
That's a daughter's promise.

~Love Janet and Keith

In Memoriam

HORVATH, Mary and George

Little did we know that Day
That God would call your names
And from that point we truly knew
Our lives would never be the same

In life we loved you dearly
In Death we do the same
It broke our Hearts to lose you
And life will never be the same

And know that when you left us
You never went alone
As part of Us went with you
To the place you now call Home

You left us peaceful memories
Your love is still our Guide
And though we cannot see you
you're always by our side

And there will come a day
When we will re-unite
In that glorious place called Heaven
We send our love....Goodnight!
