

## Local singer releases debut EP

Local native Matteo De Stefano is set to launch his debut EP titled "All Ghosts Are Home" with an exclusive release show this coming Saturday night in Georgetown.

The 25-year-old has played guitar since his youth but has only recently begun performing original songs over the past two years and the EP was recorded at his family's cabin overlooking Lake Huron last summer.

A graduate of Queen's University's civil engineering program, De Stefano is now pursuing a Master's Degree in engineering at the University of Guelph, but continues to juggle his studies and budding performing career.

"I am finally making my greatest effort to chase my true passion; that is writing and performing music," said the Christ the King Secondary School grad.

Aside from his solo efforts as a singer-songwriter, De Stefano is a founding/current member of the local band "Jack Pine" alongside one of his oldest friends, Kevin Misner of Georgetown.

This past August the pair travelled west across Canada to B.C. and down the West Coast to California playing open mic nights along the way.

Recently securing both a bassist and drummer, Jack Pine will continue playing at
