

## New Food Outlet Now Open

There were smiles all around when Halton Healthcare celebrated the opening of the new food outlet at Georgetown Hospital.

**Fit for Life** offers a variety of affordable, healthy and nutritional choices including sandwiches, wraps, smoothies, hot meals and salads. Patients and visitors can also grab one of Tim Horton's famous coffees and beverages.

This innovative concept complements Halton Healthcare's vision of providing exemplary experiences, always.

## GOLD Quality Workplace Award

Halton Healthcare was recently awarded a GOLD Quality Workplace Award by the Ontario Hospital Association and the Ministry of Health and Long-Term Care. The award recognizes our ongoing commitment to improving the workplace in ways that contribute to the quality of work life, care and services delivered.

*"The award is a testament to our employees, professional staff and volunteers for their dedication and commitment to our patients, our community and each another. It's what makes Halton Healthcare a great place to work, a great place to volunteer and a great place to receive healthcare. It is the reason we have attained this GOLD recognition."*

Denise Hardenne, President & CEO,  
Halton Healthcare

## Contribute Your Voice, Leadership & Experience

Halton Healthcare's leadership team, staff, physicians and volunteers serve the healthcare needs of our diverse communities, under the stewardship of a strong board of directors.

**We are augmenting our board's capabilities and competency by seeking two individuals to join it.**

If you have commitment, a passion for healthcare, are a highly successful senior executive, reside in either Milton or Halton Hills

(and understand the specific needs and issues of those rapidly-growing communities), we invite you to submit an expression of interest. Please refer to **[haltonhealthcare.com](http://haltonhealthcare.com)** for additional information.

## Smoke-free

The Smoke-Free Ontario Act was amended on January 1, 2016 and now includes hospital properties. Smoking is prohibited on hospital property and individuals who contravene this section of the Act may be fined.
