Thank You!

MOLLY MAID has become a household name to many people all across Canada, especially in Georgetown. As a Franchise Owner, I am proud to represent the **MOLLY MAID** brand. I pride myself in providing a 100% satisfaction guarantee and putting each customer first, delivering a detailed clean at a reasonable price. My customer's satisfaction is top priority and I strive to add a personal touch to each in-home estimate and clean we do. I would be amiss if I did not give honour to my wonderful staff, as they are the link between myself and our customers. Our Home Service Professionals complete the assurance of a detailed clean that I promise and deliver to each customer. It is with pride and much appreciation that we, not I, accept this very humbling title of **"Favourite Cleaner"**.

Thank you, *Gina Cochrane*
