**Director of Care**

You will ensure the optimal delivery of quality care and related services to residents, adherence to all legislative and budgetary requirements, and superior communications and consultative processes with families, residents, government officials, and health care professionals. Additionally, you will maintain all reporting requirements, sustain an exceptional level of organization, provide interpretation of nursing philosophies, and establish and implement objectives and goals. Registered with the CNO as an RN, you ideally have a nursing degree to support demonstrated success in a managerial position within long-term care and strong working knowledge of applicable legislation, unionized settings, and labour contracts. Your strong human relations, teamwork, and communication skills are coupled with a comprehensive knowledge of nursing and health care practices and techniques.

When teamwork, peer support, ability to choose career paths, and desire to deliver the best possible care are your goals, consider joining the Extendicare Team!
