Canadian Business Machines Ltd. was founded in 1927 and is a design driven metal fabricating company. CBM is ISO 9001: 2000 Certified for both design and manufacturing.

Steel Bay Material Handler - Day Shift
We are currently looking for a skilled, licensed and competent Forklift & Crane Operator who has good communication skills and is focused on safety and quality. This position requires 3-5 years' experience operating an overhead crane and material handling in a manufacturing environment.

Machine Operators - Day & Afternoon Shift
Experienced Machine Operators who are flexible to work the day or afternoon shift are required. These positions include operating/setting up single/multi head spot welding machines and pemming machines; brake press & punch presses, turret punches & a Trumpf laser machine.

Custodian - Day Shift
We have a vacancy for a candidate who has a minimum of 2 years experience in performing custodial duties in a large manufacturing environment, and has good knowledge of industrial cleaning supplies and proper use. Mechanical aptitude is an asset. Responsibilities include maintaining sanitary conditions of the plant and office areas and assisting in the general up keep of machinery and equipment.

All positions require moderate to heavy lifting; the ability to read drawings; follow written and verbal instructions; complete paperwork and accurately read measurement tools. Good communication skills are essential. The successful candidates will be team players who are willing to assist in other departments as required.

CBM is an Equal Opportunity Employer. We offer a competitive compensation and benefits package. For more information on CBM, please see our website at www.cbmmetal.com.

If interested, please email, fax or mail your resume to:
