

Youth leadership program to begin this month

The GlenStar Leadership Program, for ages 10-15, is set to begin its third season in the Glen Williams Town Hall with a 12-week program on Saturday mornings.

It is designed to help participants reach their fullest potential through the values of communication, co-operation, and leadership, while promoting a healthy sense of self.

“We are thrilled with the response our program has received since its inaugu-

al session last fall,” says Program Director Amy Kelleher, who is a certified teacher at the Intermediate/Senior Level. “It is our hope that our Leadership Program will increase opportunities for young people in Halton Hills to be leaders in the community, volunteer in meaningful projects and truly make a difference in their world.”

Past highlights of the program have featured a fund-raising event for P.O.W.E.R. (Protect Our Water and Environmental Resources) of North Halton, a chat with Mayor Rick Bonnette and a workshop on goal-setting with Provincial

Cycling Coach Denise Kelly.

Programming is based on developing character, building leadership and encouraging teamwork. More specifically, it addresses such contemporary issues as handling peer pressure, caring for others, healthy eating, developing an appreciation for diversity and active living. Students are also encouraged to sharpen their presentation and speaking skills by engaging in public speaking and drama activities. More Blue & Green for a Better Planet

- GreenCart is collected every week (collects kitchen scraps and compostable papers)
- Blue Box collected every week (papers and containers can go in the same Blue Box)
- Garbage collected every other week with a six bag/can limit
- Yard waste collected every other week, on the same day as garbage (urban areas only)
- Bulk collected once every four weeks with a **three item limit**, on the same day as garbage (all urban areas and rural Burlington and Milton); seven collection dates per household in 2008. Note: September 24 is the final Bulk Collection in 2008 for Area 3.
- Metal and Appliance Call-in Service (all urban areas and rural Burlington and Milton)

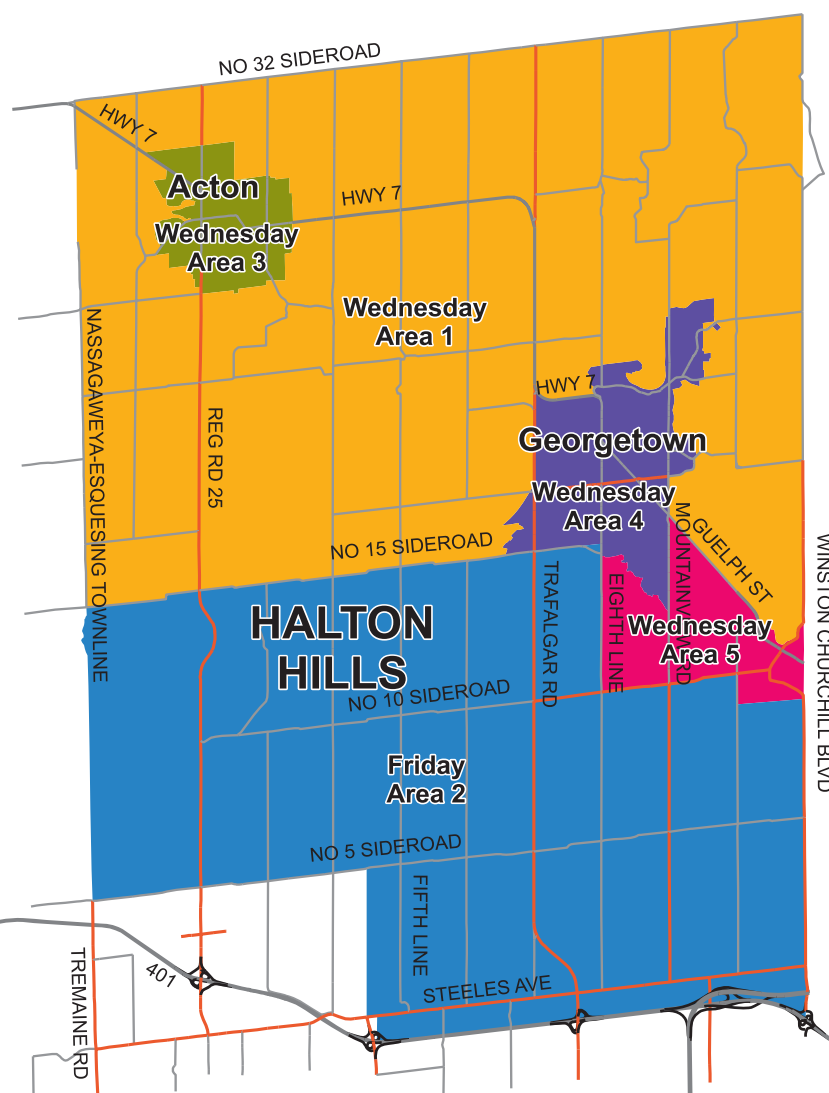

Search by Address

Visit www.halton.ca to find out your collection schedule! Input your Halton address and the search by address tool will display your waste collection details.

Collection Tips

- Don’t be late. Put waste at the curb by 7 a.m. the morning of your collection day, but no sooner than 5 p.m. the evening before.
- Keep the weight down. Containers and bags should weigh no more than 23 kg (50 lbs). Items that are too heavy will not be collected. Do not put material out in cardboard boxes.
- Avoid accidents. Wrap broken glass and sharp objects in a puncture-resistant package before putting them in your garbage.
- Stack your Blue Boxes on top of one another to prevent papers from blowing away. Place heavier items on top of loose paper, or tie and bundle them.
- Tie corrugated cardboard in bundles no larger than 90 cm x 90 cm x 30 cm (3 ft x 3 ft x 1 ft) and place beside your Blue Box.
- Put your GreenCart out at the curb every week, even if it is only partially full. Do not place your Kitchen Catcher at the curb; it is more likely to blow away in the wind.
