

Club offers to teach bridge play

TOM GIBBS
Georgetown Bridge Club

Are you ready for a new challenge? Would you like to learn a new skill? Would you like to meet some new friends? Here is your opportunity to find out why bridge is the world's most popular card game.

The Georgetown Bridge Club is putting on a new program this fall to introduce new players to this fascinating game. It will be a combination of instructional sessions and game experience.

For real beginners we start with the basics and work along to the main techniques of bidding for the contract, play of hand, and the defence when the opponents are playing the hand.

If you have had some previous bridge experience we will progress you through to the modern concepts used today in the American Standard System.

The games will be held Wednesday evenings, 7 p.m. beginning Oct. 1. If you are interested in joining us call 905-877-7486 to get started.

A number of local merchants help sponsor our club by donating generous prizes to our annual tournaments. They include Swiss Chalet, Supreme Hairstyling, Timeless Treasures Gifts, Bergsma's Paint and Wallpaper. We greatly appreciate their support.
