# Rockwood ends regular season with a 3-2 win

Rockwood Select U10 Girls are recovering from an extremely busy, but very successful, week.

Last weekend they played in a Niagara Falls tournament and the team from Rockwood held their own against teams from Barrie, Mississauga and Flamborough.

Tuesday night, Rockwood faced Cambridge in a hard fought game. Cambridge scored early in the first half and again early in the second half. Rockwood controlled play for most of the game with nineteen shots on net, playing a clean, strong passing, strategic game.

Christina Timmerman, Abbey Rimmer and Bridget Edwards all had multiple shots on goal and worked together to allow Timmerman to score for Rockwood in the second half. Katherine Azzopardi had eight excellent shots on net, and scored for Rockwood in the second half to tie the final score. Dana Godak, Caitlin Putman and Riley Patterson had very strong passing games. Rockwood's defensive lines showed their customary focus

and skill throughout the game.

Then, Thursday night the girls had a surprise game against Fergus and, due to the last minute scheduling mix-up, played their final game of the season with only a half hour notice.

In this final game of regular season play, Rockwood showed exactly how far they've come and dominated play for the entire game. Brooke Daamen made a number of amazing saves as keeper and blocked eight shots on net. Rockwood had an incredible 24 shots on net. Fergus scored twice in the first half and then Kiera Murison scored with an amazing free kick from centre field that had the opposition's parents jokingly asking for a birth certificate as proof of age.

Katherine Azzopardi played a game of skill and position with multiple shots on net. Azzopardi received a perfect pass from Abbey Rimmer, who brought the ball up the entire field on a breakaway, for her first goal of the night. Shortly

afterwards, Azzopardi tipped in a throw-in from Murison for her second goal of the night. Rimmer, Bridget Edwards, and Paige Peacock all showed fantastic passing and receiving skills moving the ball quickly and skillfully past opposition players. Julia Querques played a strong, aggressive offensive game with unending energy and pursuit of the next goal. Caitlin Putman showed off her kick and covering skills to great effect. Dania Drewery and Tiana Fellows provided a nearly impenetrable wall of defence with strong kicks, shielding and showed that strategy is as important as skill in this game.

The final score of 3-2 for Rockwood was met with jubilation from Rockwood's parents and coaches and with customary grace and good sportsmanship from the girls themselves.

With three weeks off now until the first playoff game, Rockwood girls are eagerly anticipating their next game, keen to practice and ready to win.
