

PHOTO HISTORY TO 1939, WITH CAPTIONS

* indicates source of featured versions of this photograph

A person lies in a partially excavated area in Kharkiv with old factory buildings in the background (PD 142)

* Photocopy of a photo located and shared with researchers in the 1980s by the staff of the Diözesanarchiv der Erzdiözese, Vienna. The original appears to be missing at this time. This photocopy is held at the Ukrainian Canadian Research and Documentation Centre, Toronto, Ont., Canada.

The photocopy has been reproduced, with a reference to the Innitzer collection at the Diözesanarchiv in Vienna, here: *Famine-Genocide in Ukraine, 1932-1933: Western Archives, Testimonies and New Research*, edited by Wsevolod W. Isajiw, Toronto: Ukrainian Canadian Research and Documentation Centre, 2003, f.p. 97, and subsequently elsewhere in the last two decades.
