## MEETINGS

- Friday, December 6th** - 8:00 p.m. at the Museum. The Toronto Historical Board will present "NED HANLAN Restoration Project - We're Getting Our Ship Together", dealing with the Board's efforts to restore the preserved steam tug NED HANLAN to active service on Toronto Bay. Plan to attend to find out more about the project.
- Friday, January 3rd** - 8:00 p.m. at the Museum. **Annual Theme Slide Night.** Our theme will be "Strange, Odd or Unusual Vessels"; we don't want to mention "ugly", but you get the idea! Get your imagination in gear and plan to bring up to 15 slides per person for this event.

## THE EDITOR'S LOGBOOK

Our October open slide night was a great success, as usual, and we were regaled by all sorts of unusual presentations. We trust that the members will get their thinking caps on to plan their presentations for the theme slide night coming up in January.

Did you renew your membership? If you receive this issue, you did, so not to worry. But if you hear a friend mentioning that he has not received a "Scanner" since October, perhaps you could suggest that a cheque or money order directed to our Chief Purser would solve the problem...! Our thanks go out to all who renewed promptly.

We have no new members to welcome to the Society at this time, but we would like to remind members that a membership in T.M.H.S. might be a suitable Christmas gift for shipwatching friends. Contact our Treasurer if you wish to make such arrangements.
