THE EDITOR'S LOGBOOK

Our November Meeting, held back at The Pier, featured a variety of marine videos and we thank David Bull for putting the programme together. We have a number of interesting possibilities for next autumn's video night, and members' suggestions are always welcome.

Our January, February and March Meetings will be held at The Inn on the Lake, our new "home" at which the October Meeting was convened. Those who attended then seemed to like the new venue and we hope that all will. Please note very carefully the date and time of each of these meetings.

In the **New Member Department**, a hearty welcome goes out to the Niagara Steamship Co. Inc., the operator of the excursion steamer PUMPER, and to John Kell, of Ward's Island, Toronto. We are pleased to have them as members of the Toronto Marine Historical Society.
