#### GEORGE AYOUB

It is with sincere regret that we report that longtime T.M.H.S. member George Ayoub passed away at Ottawa, Ontario, on January 24th. He had been in a nursing home for several months after suffering a serious illness during 2002. Funeral services were held on January 27th.

George, who held T.M.H.S. membership number 111, was known for his intense research into the history of Canadian vessels, and for his devotion to accuracy. Much of his research work was done to try to correct inaccuracies on early Canadian shipping registries. We are grateful for his kind assistance over the years in providing information for "Scanner". We shall miss him and we extend our sympathy to the family.
