AL, RABBIT, NEUTERED MALE, ADULT

Hi, I'm Al! I'm a friendly bunny who's always the first to say hello. I love people and beg for attention; often by standing on my back legs just like a dog. I'm active and love to hop around and play. I can't wait to run around and play in my forever home. Do you think I could be the right fit for you?

CADBURY, RABBIT, NEUTERED MALE, ADULT

Hello, I'm Cadbury! I am a lovely boy who enjoys the company of people. My very favourite thing is being brushed and munching on a yummy bowl of greens. I'm quite attentive and am always the first to greet new people. If you are looking for an outgoing and social bunny to add to your family, I may just be just the rabbit you are looking for!

FLORA, AMERICAN BULLDOG X LAB, SPAYED FEMALE, 1 YEAR OLD

Hi! I'm Flora! I'm a rambunctious girl with a ton of energy. I love to run and play. Going on long walks is one of my favourite things. I think I would make a great companion for someone with experience owning dogs and walking ones like me who are so eager to run, jump and play. Do you have room in your home for a lively pup like me? Please come meet me today!

MAX, PORTUGUESE PODENGO CROSS, NEUTERED MALE, 8 MONTHS OLD

I'm Max! I love walks and people and smelling stuff and playing fetch and whatever that is over there! Did someone say walk?! Sorry! I can get a little distracted by all the things around me. There is so much to see and sniff that it can be a little hard to focus on one thing, even treats! I'm a friendly and energetic pup that is searching for my forever home! I love to be around my people and am very animated around those I know. If you are looking to add an active companion to your home, I could be the right fit for you!

AMOS, DOMESTIC SHORT HAIR, NEUTERED MALE, 7 YEARS OLD

Hi, I'm Amos! I'm super duper friendly. Seriously, I'm the friendliest cat you'll ever meet. I don't care who you are, you're my best friend. Immediately. As soon as we're first introduced. If you're looking for a shadow, someone to follow you around and roll over for pets, I'm your man. I'll keep your legs warm by rubbing up on them constantly, and if I get distracted and turn away - you can get my attention again by making kissy noises. I always come running for kisses. If you think I am the right fit for you, please come and visit me at the shelter today!
