NEW MILTON PUBLIC MARKET OPENS THIS WEEKEND AT FAIRGROUNDS

Hundreds of vendors will descend on the fairgrounds starting this weekend, for the opening of the Milton Public Market.

The new venture - not affiliated with the Milton Farmers' Market - runs Saturdays and Sundays from noon to 6 p.m. until

Sept. 15.

Along with a wide variety of vendors, the market will include a myriad of indoor workshops, including cooking demos, seminars, exhibits, kids' programming and more.

"This public market is a blend of the food festival

and holiday market ... all rolled into one," said entrepreneur Philip Suos, who runs the holiday street market with the Downtown Milton Business Improvement Area and the Mac and Cheese Festival in various cities across the country.
