PUBLIC SCHOOL BOARD TO CONDUCT FIVE BOUNDARY REVIEWS

Halton District School Board staff will be undertaking five school boundary reviews throughout the region with all expected to be completed before February and June of next year.

The boundary reviews include as follows:

- The new southwest Milton High School, projected to open for the 2021/2022 school year on Bronte Street between Britannia and Louis St. Laurent, to include Kilbride Public School in Burlington.

- The Samuel Curtis Estates subdivision which will include Frontenac, Mohawk Gardens, Pineland, Eastview, Gladys Speers, Pine Grove elementary schools and Nelson, Robert Bateman and T.A. Blakelock high schools.

- Two communities north of Upper Middle Road and west of Bronte Road (Village Common/Chateau Common, Deerview Common/ Trawden Way) currently attending Heritage Glen public school. Staff will be looking into the option of re-directing Heritage Glen students from the two Palermo communities back to Palermo Public School.

- Acton including McKenzie-Smith Bennett and Robert Little public schools and Acton District High School. Staff will be exploring the possibility of moving Grades 7/8 from MSB to Acton HS to increase student retention, offer more diversity in programming at the grades 7/8 level, provide fewer transitions for kids.

- Briarwood Development located at the southeast corner of Derry Road and Regional Road 25 to designate an elementary school or schools for this growing community.

Trustees voted to approve the boundary reviews at the Sept. 18 regular meeting of the board.
