

### NEW MOHAWK PADDOCK COMPLETE

Graham Paine/Torstar

Bill O'Donnell, President of the Central Ontario Standardbred Association and Woodbine-Mohawk Park President Jessica Buckley cut the official ribbon while joined by others from the horse racing community to mark the end of construction of the new 22,000 square foot paddock addition at Woodbine-Mohawk Park. The \$6-million project was completed in nine months and features 57 large box stalls, as well as a new women's driver-trainer locker room. The addition opens to horses tonight (Oct.17) and will be in full use when the local track plays host to the 2019 Breeders Crown on Oct. 25.
