MATCHED DOLLAR FOR DOLLAR  
UP TO \$175,000.**

*Help Milton District Hospital  
Foundation's Holiday wishlist  
come true.*

When a health crisis happens, every minute counts. This is why urgent care provided by Milton District Hospital is so important. The equipment our hospital needs to provide exceptional care is not funded by the government. We rely on the generosity of our donors and community to help purchase new and replacement equipment needed to care for our patients and return them to their families.

*MDH Surgeon Dr. Dalal Aziz with Cancer Survivor, Sheila*
