CHAMPION

MILTON, JULY 5, 1894.

THE Globe claims the following reults from last week's elections :-Government supporters returned 49, inservatives 27, Independent 4 Patrons 10, including 3 Liberals and 3 Conservatives, P. P. A. 2. Haldimand was not counted in because of the supposed disqualification of Mr. Lenu, nservative; but Dufferin, where Mr. Dynes, Liberal, is also alleged to be jualified, was included.

Last week the Georgetown Herald and Oakville Star both published ist of members of the Ontario Legisre elected since confederation with

nere is a mistake in this list, besides en the contest was between the late W. D. Lyon and William Barber, the atter being elected.

Brampton, July 2.—The new Rosalee Athletic grounds were officially opened here to-day with great eclat. At an early hour the great crowds began t arrive and by noon the streets wer ull of strangers. The new grounds which are owned by Mr. Jennings, are plete in every particular and acmmodate the cricket, lacrosse and ennis clubs. A fine one-quarter mile icycle track surrounds the whole There is a grand stand, club house an band stand conveniently located. the forenoon a lacrosse match between e Elms of Toronto and the second of the Excelsiors, was played esulting in a victory for the home team by four to one. At 1 o'clock a cycle parade, headed by the Bramp ton band, marched to the ground, when ames Golding, ex-mayor and chairman f the citizens' committee, made a few narks and declared the grounds ficially opened, the band playing 'The Maple Leaf For Ever." Th afternoon sports were then begun and sisted of bicycle races, foot races and a grand lacrosse match between the Excelsiors and a team of Indians, the Excelsiors winning. In the evening a promenade concert was held Every event passed off without a hitch. nd the immense crowd that witness ed the various events during the afternoon were highly delighted with the success of the day's sport. The music was supplied all day by the Mechanics' band of Brampton.

Wonderful Time at Hamilton

lamilton, July 3 .-- With a stiff breeze blowing along the back stretch, C. J. Hamlin's famous gelding, Robert J. 2.053, paced an exhibition mile in 2.07 flat at the Jockey Club track this afternoon. He was driven by Ed. ! Geers, and was accompanied by a run ning mate, and made the mile without a skip. It was a wonderful exhibition establishing a new record for the track, which will not be beaten for some time to come, and breaking all former Canadian records for either trot or pace. Robert J. is a bay gelding, 6 years old being by Hartford, dam Geraldine. The time by quarters was: 321 secs. 1.031, 1.34, 2.07. Shortly afterwards the 4-year-old mare Fantasy, 2.083, by imes, dam by Almonarch, went a mile, accompanied by a running mate, in 2.10. The fractional time was Quarter 333 secs., half 1.061, threequarters 1.38, mile 2.10. Driver Geers and the famous horses were loudly

WESTERN FAIR, LONDON

As usual at this time of the year the Western Fair Office staff are busils ngaged in mailing Prize Lists and other advertising matter throughout the Province, in connection with their reat Live Stock and Agricultural Exbition, which they hold in London september 13th to 22nd, this year.

The Secretary writes us that he will be pleased to mail Prize Lists to any who may have been overlooked, on more to follow. On examining them | Mundy, Annie McCowan, Cecil Earl, ou will find the Directorate have had Roy Fields, Alfred Bastedo, John ments: their eyes open to the continual ad. Durnan, Lisle Campbell, Clarence Tur. vancement of this Great Fair, and have ner, Norman Crozier, Edna Laing, made several additions, alterations, and Maggie Stephenson, Annie Stagg, Ed. amendments to the last year's List, Stagg. ome of them very important to breed. ers, and agriculturists, and others of a new sections, and an increase of Prizes. which will no doubt be received kindly by intending Exhibitors.

J. R. BASTEDO, Teacher. ----HEDGES.

MILTON, June 21, 1894.

We, the undersigned, at the invitation of the Brantford Hedge Co., at-Those present were Mr. Burns, Manager of the Whitby Hedge Co., Mr. Mc. Phearson, Manager of the Stratford Clark and J. W. Coleman, agent for the in the province is becoming tied up. to get our Patrons into social inter. members of the American Railway of heats will be rowed to-day. ourse with the head men of the differ. union, went out on strike Tuesday, and While Russian peasants are suffering la, especially the Co. that we were tied up. oing business with, that is the Branthere recorded. But the most important was to be held there this summer. The the peasants. With the exception of was whether the Hedge Fence was exhibition will, therefore, not take China, protection is brought nearer to the fence for the farmers of Halton and place this year. Ontario at large—a practical fence for At Morris, Man., S. J. Collom, Mayor any other country. n Halton this spring. It was moved the contents into his abdomen. W. J. Coleman (the agent), second d by Mr. Forrest, of the base line. that this meeting appoint a committee concluded its business in Montreal of three men that could be relied upon yesterday, after passing the usual reto represent them and go to Niagara solutions urging prohibitionists to split Falls and see some finished hedge and away from the political parties and eport as they find it. The committee vote for prohibition candidates. appointed were S. B. Alton, Appelby, T. S. Mason, Lisgar and Alex. L. Noble,

rived at Niagara. We examined a future be conducted," they must give hedge planted by George Law 14 years the Government rifle ranges on Mc. ago; found 40 rods plashed, 5 rods Nab's Island, near Halifax, a wide Edward Young and Phoebe Layery being done 2 years. This pleased the berth. The notice gives the extreme (equal), Grace Berry, Mabel Dalton, owner so well that he had the balance, Aggie Landsboro', Mary Holmes, Edw. 35 rods, done next year. We found the The Government is going into the Armstrong, Mary Armstrong, Norman 2 year old a complete fence, the one issue of new rifles on a very large scale, White, Maggie Core, Mildred Sproule, year old following on well according to and in a more systematic manner than Laura Wales, Bessie Waldie, Marion age. The stocks of this hedge would formerly. Under the old regime the average from 3 to 5 inches in diameter, Canadian force would be armed with and it was 12 to 14 feet high before the Martini, only to find the rifle being plashed. At the residence of Dr. supplanted by the Martini-Metford. Ferguson, M. P., in Niagara, we saw Now the Minister with commendable two hedges, one plashed and the other | zeal is striking out at once for the most well trimmed and cultivated but never modern weapon. He promises 8000 plashed. The former we found very stand of new rifles and 5,000 altered complete, light enough to turn a small Martinis. The Imperial Government pig. The latter, though well cared for, charges £3 3s (about \$15) for the new was incomplete as a fence. We find rifle with bayonet complete, and they that the plashing is the great secret of convert the old Martini for about \$10 making this hedge successful as a fence. each. After plashing the tendency of the After plashing the tendency of the plants is to grow much thicker and not so wide, and the trimming can be done as cheaply as the company claim, that is 1c. per rod. We then went to the banks of the Chippewa, where we exbanks of the Chippewa, where we examined a hedge five years old when plashed. It was about 40 rods long and was plashed two years ago. This also we found a complete fence. The soil was white clay with a red clay bottom, what we would call very interior land in Halton. We also examined hedges of the same plant which had never been plashed. These were very incomplete as a fence.

We heartily never to the ministration will win easily. Already four Ministerialists have been elected by acclamation, and the leader of the Opposition is in gaol. There can be no doubt that with their principal opponent under lock and key, the Government have a great advantage. But the Opposition leader is not in prison because he was a hungry advanturer, or anything like that. It was a case of contempt of court.

Our Job Department is replete with a large assortment of plain and contempt of court.
