

AN ESTIMATED 40,000 PEOPLE either visited or took part in the Steam-Era reunion in Milton on Labor Day weekend. Here's a group of photos showing some of the people doing what they like most: watching the show in progress. At left, Gord Brown of Beamsville, Doug Springgay and his daughter from Little Long Rapids, and Donald McKee of St. Catharines watch a steam engine operator oiling up his rig for a day's work. Blacksmith Dave May of Cayuga attracted a lot of attention

for many people had never seen a blacksmith's shop operating. He's shown in the centre picture, explaining the process to Keith and Jim Wilson of R.R. 2, Cayuga. On the right is a view of the Saturday afternoon parade, when thousands watched 25 antique cars, 14 old gas tractors, four steam engines and other vehicles parade up the Main St. to the fair grounds. In the picture is a big Sawyer-Massey owned by Gordon Smith of Orillia.

Mr. and Mrs. W. Grange of Larne, Northern Ireland, were guests of Mr. and Mrs. L. Sampson recently. Mr. and Mrs. Sampson met them at the International Airport, Malton, and entertained them at dinner in their home between planes until their departure for their daughter's in Sarnia.

Mr. and Mrs. Fred Workman, Mr. and Mrs. John Hamilton, Mrs. G. Hamilton, Miss Dora McCarron, Mrs. Charles McCarron and Rose Marie motored to Sutton last Saturday to attend the wedding of Mr. and Mrs. David Boardman at St. Andrew's Presbyterian Church, Sutton.

Calvin Cordingly, son of Mr. and Mrs. J. D. Cordingly entertained the Drumquin Pee Wees and their coaches at a corn roast

on Friday evening, September 3, in the North Trafalgar Community Centre. About 16 players and guests attended and enjoyed a very pleasant evening. Ricky Gooding presented the coaches, Ray Fuller and Bruce Pickering with thank-you tokens. Both expressed their sincere appreciation.

Home Again

Welcome home to Mrs. Archie King from South Waterloo Hospital in Galt. We wish you well.

Congratulations to Rose Marie McCarron, who passed Grade 13 with honors, and has been awarded the Trent University Scholarship. Rose Marie will be attending Trent University, Peterborough, to further her education.

The annual corn roast held by the Hornby Base Ball Club took place Wednesday evening in the Hornby Community Park. There was an excellent crowd present and the weather was fairly good. Dave Leslie and the rest of the club looked after the cooking of the corn and did an excellent job. Needless to say, everyone in the vicinity appreciates this yearly event.

The Sidesmen of St. Stephen's Anglican Church once again took over a booth at the Milton Steam Show and did a stupendous job of barbecuing chickens, serving coffee, pie etc. All the ladies of the church responded to their call for pies and other extras and both groups are to be commended for a job well done.

Many from this area attended the Milton Steam Show during the past weekend. Local exhibitors from Hornby include Bill Bailey, Gordon Brigden, Spencer

Wilson and Len Buckler.

Eden United Church Junior and Senior choirs are busy practicing for the anniversary service which is to be held on Sunday, September 26.

We are grieved to hear of the death of Mrs. George Leonard, mother of Mrs. John Bradley. Mrs. Leonard passed suddenly at Sudbury and interment was in Welland on Saturday afternoon. Our sincere sympathy is extended to Mr. and Mrs. Bradley and family.

neighbors, every one of them in a luxurious trailer.

A plaque had informed us that we were camping right on an historic canoe route, used by early explorers and fur traders. It's still a popular route.

This occurred to me about 4 a.m. as I lay there staring starkly at the roof of the tent, my wife whimpering in the next cot. About every four minutes a transport truck thundered past on the highway sixty yards behind the tent. At one-hour intervals, a train hurtled clattering by, about 200 yards away. And every so often, a jet liner screamed past right overhead.

And I lay there, sick with envy of those hard-bitten fur traders, on their canoe route.

Not for them, the stumbling over tent pegs. Not for them the charcoal that refuses to light. Not for them the never-ending, muddling search for the egg flipper or the toilet paper.

And above all, not for them the endless recriminations. I can't quite imagine the following conversation taking place on the canoe route, on an August evening, say in 1742.

"Hey, Pierre, we're de heck did you put de kleenex?"

"Dat's all right for you, Jacques, but oo was de one oo said we didn't need no French dressing, and'ere I ave de salade ready, and no dressing?"

"By gar, Jacques, for two beaver 'ides I never go wit' you again on a petite camping trip. All de time you boeuf, boeuf, boeuf!"

No, it couldn't happen. Oh, well, that's progress. Guess I'll go in and give the old lady another tranquilizer, strike camp (it takes only three hours to "strike camp"), and get rolling for the next episode of unadulterated horror.

The Canada Pension Plan and its benefits

Here is what the Canada Pension Plan will do for people like Mary Todd, a 22-year-old nurse who earns \$310 a month (\$3,720 a year).

If Mary's earnings continue at this rate until she reaches age 65, she will receive a retirement pension of \$77.50 a month from the Plan plus \$75 a month Old Age Security.

Because Mary will have the opportunity of contributing for 43 years, she can have as many as 6½ years of lower or no earnings and still be entitled to the same pension.

Actually, Mary's retirement pension will undoubtedly be more. This is because as Mary advances in her profession and her earnings increase so will her pension. Furthermore, to ensure that all benefits under the Plan maintain their value, they will be adjusted to meet changes in living costs and wage levels before they are paid and changes in living costs after they become payable.

If Mary continues to work and becomes disabled at any time after 1970, she will be entitled to a disability pension of \$83.12 a month until she reaches age 65. From then on she will receive her retirement pension as well as \$75 a month from Old Age Security.

If Mary dies any time after 1967, having contributed until her death, a lump sum payment of \$465 will be paid to her estate.

What will the Plan cost you?

If, like Mary, you are employed and have earnings of \$3,720 spread evenly over the year, you will pay at the rate of \$4.68 a month. Your employer will pay the same amount.

This advertisement is one of a series which relates some of the important benefits of the Canada Pension Plan to individual circumstances.

Issued by authority of the Minister of National Health and Welfare, Canada, The Honourable Judy LaMarsh.
