

At dinner & dance

Trophies presented to winners

Last Saturday evening, nearly 100 Milton Tennis Club members took off their tennis sneakers and put on their dancin' shoes as the club held its annual dinner and dance at the Milton Optimist Club.

Following the dining segment of the evening, playing chairman John Edwards and tournament director Mike Frampton presented trophies to the finalists in the recent Open Tournament.

Winners included: Pauline Brand in ladies singles; Don Hunt in men's singles; Pauline Brand and Tony Schafer in mixed doubles; Pauline Brand and Anne Wollaston in ladies doubles and Carl and Jeff Smith in men's doubles.

Vice-president Jack McLean then took the stand to present the beautiful McLean trophy (donated by Alex and Bunty McLean of Florida) to its first winners in the Over 40s tournament Bill and Maureen Morgan.

Social convenor Pam Suzuki, who was complimented on organizing the evening, presented several worthwhile prizes to lucky ticket holders. Raffle tickets were also sold with proceeds going to the Milton Hospital Expansion Fund. Couples took to the dance floor throughout the remainder of the evening to the fast-tappin music of disc-jockey, Mike Vickery.

Members are encouraged to attend the Milton Tennis Club's annual general meeting which will be held Friday, Oct. 28 at 7:30 p.m. in the clubhouse. Any members wishing to run for an executive position or assist on a committee may submit their name to a present executive member.

The meeting is a vital part of any well-organized club's existence. It presents an opportunity for members to elect people they wish to represent their club in the coming year. It also provides members a chance to voice their opinion on pertinent matters pertaining to the club's functions.

All members should make a special effort to come out to the meeting Oct. 28.

Knox WMS

Natives discussed

The WMS Evening Department of Knox Church met Wed., Oct. 12 at the home of Joan Phillips with 11 members attending.

A Thanksgiving call to worship was given by the president, Billie Marshall, followed by the singing of "Let Us With A Gladsome Mind" and the saying of the Lord's Prayer.

Joan Phillips led the study session continuing with our Pacific Peoples theme. Adeline Mackay read a commentary by a native Pacific islander which illustrated the resentment felt for having forced our ways on people with different cultures and beliefs. The Pacific native people have suffered more than 100 years of foreign domination. The voice of the native islanders is not being heard because of systematic colonization by foreign people and at the same time, a reduction of the number of native people.

Bible readings were given to show that it is God's plan for us to become involved in problems such as these. Guidelines for stewardship, administering justice and acting as peace-makers are clearly defined in the Bible. These people's rights are being bought and sold.

During the Business portion of the meeting, we were told that sales of 1984 Presbyterian Calendars will continue this month with members selling them before and after Sunday morning worship. They will also be sold at the Craft Night to be held in conjunction with our Church's anniversary celebrations on Fri., Oct. 28 from 4 to 9 p.m.

The Fall Rally of the Brampton Presbyterial will be held at Knox Church, Oakville on Tues., Oct. 18 at 7:30 p.m. All members were encouraged to attend.

This ad is for all those who ever wonder why your company runs a United Way campaign.

When it comes right down to it, you're probably the best reason your company has for getting involved with the United Way. You see, they know almost all of the money given to the United Way goes back out into the community to help people. So if you, or the people you work with, should ever need any of our services, like day care, family counselling or health care, we'll be right there to help. In fact, there are tens of thousands of United Way-supported programs and services in cities and towns across the country. That means help is nearby wherever you are. And your company knows that could mean the difference between keeping or losing a valuable employee. That's why they give. And that's why they ask you to give. Because there may come a day when you need help yourself.
