

## Autumn splendor

At left, Michelle Rintjema tries her hand at rock climbing at Rattlesnake Point Conservation Area this past weekend during Conservation Halton's Fall into Nature event, which featured a variety of activities at five different local parks. Above, Wolfgang Sterr and 14-year-old son Mason relax and take in the scenic wonder of the escarpment. At right, hikers make their way along one of Rattlesnake Point's trails. *Graham Paine / Metroland West Media Group*
