## Public Notice Milton Logistics Hub Project Information Sessions

**October 14, 2016** — The Canadian Environmental Assessment Agency and the Canadian Transportation Agency invite the public to attend information sessions on the joint process being established for the proposed Milton Logistics Hub Project.

The information sessions will give members of the public and Indigenous groups an opportunity to learn about the review panel process and the upcoming public participation opportunities, as well as to ask questions of federal representatives.

### Details of the information sessions

Date/Time	Location
<b>Wednesday, October 26, 2016 7 p.m. to 9 p.m.</b>	Milton Sports Centre - Banquet Room 605 Santa Maria Blvd. Milton, ON
<b>Thursday, October 27, 2016 7 p.m. to 9 p.m.</b>	Milton Sports Centre - Banquet Room 605 Santa Maria Blvd. Milton, ON

A presentation will be given at 7:30 p.m., followed by a question and answer session with representatives from both agencies. The proponent, the Canadian National Railway Company, will attend the sessions.

The Canadian National Railway Company is proposing the construction and operation of a logistics hub, designed to transfer containers between trucks and railcars. The project would include a railway yard with more than 20 km of track and be located in Milton, Ontario, about 50 km west of Toronto.

For more information visit the Canadian Environmental Assessment Registry, at [ceaa.gc.ca](http://ceaa.gc.ca), reference number 80100.

Information on requirements for the approval to construct a railway line under Section 98 of the *Canada Transportation Act* is available on the Canadian Transportation Agency website at [cta.gc.ca](http://cta.gc.ca) under Approval to construct a railway line.

## Home Stay senior care

## Providing Exceptional at home senior care.

ADVERTORIAL

### LIVING WELL, AGING WELL – WHY STAYING IN YOUR OWN HOME MATTERS.

Your family home, with all its treasured memories, is precious to you. This is the home you raised your children in, where your grandchildren come to visit. This is the place where you are surrounded by your possessions and everything that is familiar. This is where you want to stay. Your home is where your heart is and you want to keep it that way. Studies are now proving that healthy aging includes living independently and safely in familiar surroundings. But as we, or our loved ones age, everyday activities like shopping, cooking and taking care of ourselves or our homes start to become challenging. Planning ahead is the best thing you can do to address your future needs. Whether

for yourself or an aging parent, one of the most supportive decisions you can make is to provide professional, compassionate care that you can rely on to help with living independently and with dignity. There are at home senior care agencies committed to providing exceptional home services for their clients as well as peace of mind for their families. It is possible to receive any type of help you want from personal care to homemaking and companionship to shopping, driving and beyond. **Home2Stay Senior Care** is one of those agencies. Marion Healy, RNCP, a Registered Holistic Health Practitioner in Milton and co-founder Miles McIntosh have created a team of dedicated caregivers and support workers who are devoted to the well-being of their clients. They provide exceptional client care to enhance the quality of their seniors lives. By making physical, psychological and emotional well-being their focus, they deliver comprehensive care that nourishes the mind, body and spirit of their clients. **Home2Stay Senior Care** knows that your home is where you want to stay and they can make that happen.
