

### Tea time

Above, staff member Caitlin Baker and resident Olive Lemanczyk enjoy a cup during the Seasons Milton Retirement Community second annual High Tea fundraiser in support of the Townsend-Smith Foundation, which is looking to establish a residential hospice in Milton. Inset, Townsend-Smith Foundation board members Janet Townsend (left) and Lin Baker have some tea.

## MILTON TIME CAPSULES

# Arena construction going well

Time Capsules are gems of information extracted from past issues of the Champion and other publications in order to provide a window into Milton's past.

**January 1922**

Good progress is being made in the building of the arena. The brick laying is nearly finished and work on the roof is well advanced. The floor is being leveled for ice-making and removing the cement floor (from the former stable) is giving trouble. Two blasts of dynamite were fired at noon on Tuesday with little effect. A larger one was tried in the evening. The results were better, but a large lump of cement fell in front of a little girl who was walking past on Brown Street, and who had a narrow escape. It is hoped that everything will be ready for the Feb. 1 opening ceremonies.

Christmas was celebrated at the Gordon Home on Monday. Promptly at ten o'clock Santa Claus appeared to distribute the gifts to the children from a tree laden with all sorts of wonderful things. Dinner was served at noon, after which the children spent the day playing with their new toys.

The first scheduled O.H.A. Intermediate match of the season will be played at the old rink tomorrow, Friday evening, between Bolton and Milton. The contractors are making a big effort to get the new arena ready for an early opening.

This material is assembled on behalf of the Milton Historical Society by Jim Dills, who can be reached through the society at (905) 875-4156.
