Rethink Christmas

It's officially Christmastime and it can be the most wonderful time of the year, or the most stressful one. Often, we'll fight traffic congestion to get to the store and frantic shoppers when we get there. December calendars fill up with extra events and we can keep busy organizing schedules, trying to keep all of our family members happy. There are decoration to be put up and lights to be hung. In all of the busyness, joy can be elusive.
Perhaps, we need to rethink Christmas. What is the real reason for the season?
Find it. Learn what it is all about by visiting a local church this week. You'll be glad you did! Meeting times and locations are located in the attached Religious Directory to help you.
