GOD IS ALWAYS LOVE

A farmer once printed the words GOD IS LOVE on his weather vane. A critical neighbour came along and sarcastically opined: *Really? God love is not as fickle as the wind.*

The farmer smiled and answered his critic gently: *No, not at all. But God's love is consistent - it is always there no matter which way the wind blows. If the wind blows from the cold north, God is love. If the wind is blowing out of the east, God is love. If the wind blows from the south, God is love. If the wind blows from the west, God is still love. God is always love!*

Discover more about God's great love. Visit a local house of worship this week - meeting times and locations are published in the attached directory to help.
