Teen girl critically injured in Milton crash

By Tim Whitnell
METROLAND WEST MEDIA GROUP

A Milton teenager was sent to hospital with critical injuries following a car crash early Sunday morning.

Halton Regional Police says that around 2:20 a.m. a vehicle left the roadway in the vicinity of Britannia Road and Hwy. 25 (Bronte Road).

The Mazda was travelling eastbound on Britannia just west of Hwy. 25 when it left the road, entered a ditch on the south side, collided with several trees and ended up back on the road, say police.

Det.-Const. Oliver Caves of Halton police's Collision Reconstruction Unit said the seriously-injured female, who was in the backseat of the car, was attended to by the occupants of a vehicle that passed by the accident scene within minutes of the crash.

"There were some witnesses who came across the collision. They assisted in giving some CPR to the girl." The rear-seat passenger is a 17-year-old girl from Milton. She suffered critical injuries and was transported to Hamilton General Hospital. As of Monday afternoon, she was listed in critical but stable condition.

The driver of the Mazda, a 22-year-old man from Mississauga, sustained minor injuries, while the front-seat passenger, a 17-year-old girl from Milton, also suffered minor injuries.

They were sent to Milton hospital where they were treated, interviewed by police and released.

Caves said there are a few new homes in the area of the crash so investigators are hoping one of them might have an outdoor security camera that captured video footage of the crash.

The cause of the collision remains under investigation. Alcohol has been ruled out, say police. Any witnesses who haven't spoken to police should call 905-825-4747, ext. 5065.
