Boyne Public School puts on Fun Fair

A Milton public school is opening its doors for a day of food and fun. Boyne Public School is hosting its Fun Fair Saturday (May 20) from 11 a.m. until 4 p.m., when community residents are invited to enjoy games and prizes, raffles for gift baskets, bouncy castles, a tour of a Milton fire truck and lots of fair fare, including popcorn and cotton candy. Food trucks will also be dishing out cool eats, including Paramount Fine Food, 50 Pesos and B's Truly Couture Cupcakes. Superheroes — Spiderman, Batman and Superman — are also expected to make guest appearances. Attendance to the Fun Fair is free, however, there is a cost of games and food. Boyne Public School is located at 1110 Farmstead Dr.

Balancing urban, rural interests could prove challenging: Lunau

perhaps there's a better chance of convincing (the 2018) council that this is a good idea," she said. With the ward boundaries being re-drawn for the 2018 election — and the number of wards being reduced from eight to four — Lunau said the councillor elected in the new Ward 1 "is going to have an enormous challenge" representing both the rural area and a portion of urban Milton, which continues to grow. "I honestly believe that the representative for that new Ward 1 would welcome whatever information can be shared by an advisory committee," she said, noting that part of her role as a councillor is to receive suggestions from local residents. Lunau emphasized the committee concept isn't meant to imply that Town staff hasn't been receptive to addressing rural concerns. "They have been very receptive," she said, adding that such a group would help both staff and councillors have a better understanding of rural-based issues. Anyone interested in joining the committee effort can contact Lunau at cindy@in.on.ca or 519-853-3772.
