

Milton Fire Department launches safe home campaign

Coming to a doorstep near you — the Milton Fire Department. It's time once again for MFD's annual Home Safe Home program, a free education and inspection initiative designed to provide fire and life safety information to the public. Topics covered during the inspections — which run from June to September — include smoke alarms, carbon monoxide detectors, fire extinguishers, sump pumps and developing a fire escape plan.

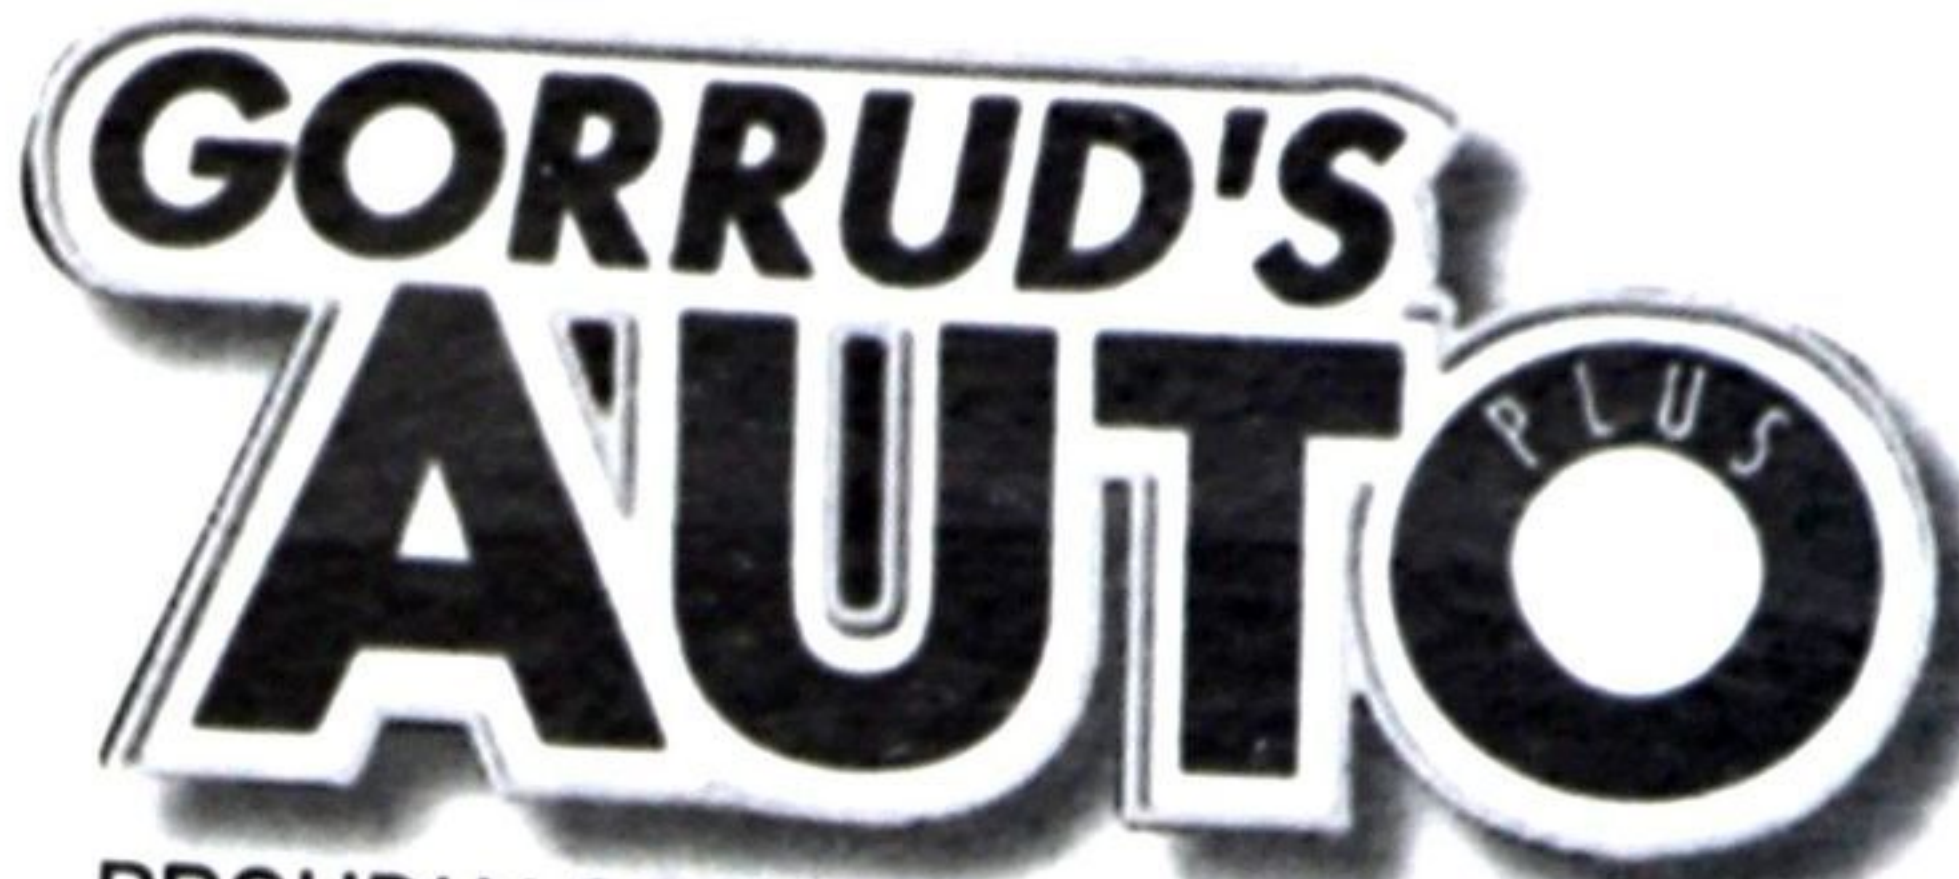

Thousands of visits

Last year the fire department visited more than 2,000 homes. "Most fatal fires occur at night when everyone is asleep. That is why it is so important for everyone to have working smoke alarms and CO detectors and for everyone to know what to do when they sound," said Acting Fire Chief Dave Pratt. "Working smoke alarms and CO detectors will give you the early warning you need for everyone to get out safely." Working smoke alarms are mandatory in all residences. Failure to comply with the Fire Code smoke alarm requirements can result in a ticket for \$235 or a fine of up to \$50,000 for individuals and \$100,000 for corporations. For more information on the Home Safe Home program, smoke alarms and CO detectors, visit www.milton-fire.ca.
