

WHO SAID THAT?

"Continued dependence upon relief induces a spiritual and moral disintegration fundamentally destructive to the national fibre. To dole out relief in this way is to administer a narcotic, a subtle destroyer of the human spirit"

FRANKLIN D. ROOSEVELT

TO TELL THE TRUTH

One thing sure about government--it's run like nobody's business.

DOES THIS MAKE YOU MAD? Our national debt is \$42 billion greater than the combined debts of all the other nations in the world. Yet, Congress just voted to increase the debt limit.

THE FATAL YEARS

Almost 35% of the drivers involved in fatal accidents last year were under 25 or over 65 years of age.

TAX DRAIN

Government checks & subsidies under four major farm programs last year totaled \$108.4 million in Illinois.
